NGEE ANN POLYTECHNIC - DIPLOMA IN SHIPBUILDING AND OFFSHORE ENGINEERING	WICHITA STATE UNIVERSITY
Computational Methods **AND** Digital Computing	A E 227: Engineering Digital Computation
Computer Aided Design III	I EN 222: Engineering Graphics
Computer Applications in Naval Architecture	Free elective
Digital Computing	C S 201: FORTRAN Programming
Electrical Engineering Science	Free elective
Engineering Drawing	Free elective
Engineering Materials	Free elective
Engineering Mechanics	Free elective
Marine Engineering I	Free elective
Marine Engineering II	Free elective
Naval Architecture I	Free elective
Naval Architecture II	Free elective
Naval Architecture III	Free elective
Office Communications and Interviews	Free elective
Offshore Structural Engineering	Free elective
Ship Drawing	Free elective
Ship Production and Repair	Free elective
Shipbuilding Practice	Free elective
Small Craft Design and Construction	Free elective

Strength of Materials	Free elective
Thermodynamics	Free elective
Workshop Practice	Free elective
Workshop Practice II	Free elective
