

OLYMPIA COLLEGE DIPLOMA IN INFORMATION TECHNOLOGY	WICHITA STATE UNIVERSITY
Semester 1	
CA 101: Computer Applications	BADM 160: Business Software *must take exam to receive credit
AE 101: Academic English	No credit
MT 101: Business Mathematics	MATH 144: Business Calculus
MPW 1113: Bahasa Malaysia	Language elective
Semester 2	
IT 201: Introduction to IT	MIS 395: Management of Information Systems
IT 202: Introduction to Programming	MIS 310: Fundamentals of Programming
IT 203: Concepts of E-Commerce	Free elective
IT 204: Introduction to Multimedia	Free elective
BC 201: Business Communication	Under evaluation
MPW 1143: Islamic Studies	REL 334: Islam
MPW 1153: Moral Studies	Free elective
Semester 3	
IT 301: Internet Programming	Free elective
IT 302: Computerized Accounting	Free elective
IT 303: Data Structures	Free elective
Semester 4	
MPW 1133: Malaysia Studies	Free elective
IT 401: Operating Systems	Free elective
IT 402: Programming in C#	MIS 310: Fundamentals of Programming
IT 403: Computer Architecture	Free elective
MT 301: Statistics	Free elective
Semester 5	
IT 501: System Analysis and Design	MIS 605: Systems Analysis and Design
IT 502: Network Essentials	MIS 325: Data Communication and Computer Networks
IT 503: Introduction to Database	MIS 600: Database Management Systems
IT 504: Java Programming	MIS 310: Fundamentals of Programming
Semester 6	
IT 601: E-Government	Free elective
IT 602: Management Information Systems	MIS 395: Management of Information Systems
IT 603: Visual Programming	Free elective
Semester 7	
IT 701: Discrete Mathematics	MATH 321: Discrete Structures I
IT 702: Human Computer Interaction	Free elective
IT 703: Data Communication & Networking	MIS 325: Data Communication and Computer

	Networks
IT 704: Multimedia Development	Free elective
IT 705: Network Security	Free elective
IT 706: Software Engineering Principles	MIS 605: Systems Analysis and Design
IT 707: Project	Free elective
