### Recommended Transfer Courses

**COLLEGE of APPLIED STUDIES**

**COLBY COMMUNITY COLLEGE**

**2019-2020 Transfer Guide**

It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

Transfer Students Should Remember

All Teacher Education majors and Athletic Training majors must submit an application for admission into the programs. For applications and process: [www.wichita.edu/appliedstudies/applications](http://www.wichita.edu/appliedstudies/applications)

Athletic Training is a 4-year, sequenced program. Transfer students seeking to begin as second-year students must complete both the pre-professional and professional phase application requirements. Contact Program Director Rich Bomgardner (rich.bomgardner@wichita.edu) with questions about beginning as a second-year student. Apply by March 1 in order to have priority consideration for the upcoming fall semester.

Students transferring from a two-year college must complete at least 60 hours of four-year college work including 45 hours of upper-division work in order to qualify for graduation.

For more information, go to: [www.wichita.edu/appliedstudies](http://www.wichita.edu/appliedstudies)
