

WSU Transfer Students Should Remember:

Dual Advising

WSU strongly suggests that potential transfer students involve their WSU advisor in program planning. Sign up for dual advising here: www.wichita.edu/dualadvising.

Graduation Requirements

To qualify for graduation with a WSU bachelor's degree, transfer students must meet certain requirements such as course credit hours, levels, GPA, and residency. Transfer students should visit the following page to familiarize themselves with all requirements: <http://catalog.wichita.edu/undergraduate/academics/graduation>.

WSU Transfer Policy – Credit Acceptance

It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

WSU Transfer Policy – AA/AS Degrees

Students transferring to WSU with an AA or AS degree from a Kansas public community college will be considered to have satisfied WSU's general education curriculum provided that they successfully complete, at WSU (with a grade of C- or better), two general education courses numbered 300 or above. These two courses must be in two separate divisions or subject areas. Students must also complete the WSU or WSU-equivalent Foundation courses listed at right.

Admission to some Fine Arts majors requires an audition and/or approval.

NOTE:

- (L) - For purposes of this transfer guide, "Lab" in the course name or "(L)" after the course name indicates that the WSU equivalent course carries the "laboratory" (LAB) attribute.
- ^ - For the purposes of this transfer guide, the symbol ^ after the course name indicates that the WSU equivalent is a general education course that is level 300 or above.

General Education Program at WSU

Effective Fall 2020, with AA/AS exceptions noted at left, students must complete 36 credit hours of general education requirements as part of the WSU bachelor's degree. At least three courses of the 36 credit hours must be numbered 300 or above.

One course from the student's major area may be used toward general education requirements.

The 36 credit hours are divided as follows:

- ❖ 12 credit hours: four foundation courses
- ❖ 12 credit hours: one course from each of the four academic divisions
- ❖ 12 credit hours: four courses chosen from at least two of the four academic divisions

Highland CC courses approved for general education credit by the WSU College of Fine Arts are shown below.
