WICHITA STATE
UNIVERSITY

SHOCKER RECRUITMENT NETWORK

COMMUNITY HANDBOOK

Dear Shocker Supporter,

Thank you for joining the Shocker Recruitment Network. We appreciate your support and look forward to working with you throughout the academic year.

As a member of the Shocker Recruitment Network, you provide the personal attention and encouragement that can make the difference in a student's choice to attend Wichita State. Shocker Recruiters play a vital role in helping Wichita State attract the best and brightest students from around the globe. The personal contacts you create in your community assist us in finding talented individuals who will continue to make WSU a prominent university.

The Shocker Recruitment Network was created in response to the many requests received from alumni and Shocker parents who wanted to assist in attracting students from their own towns and cities. Your assistance as an enthusiastic, knowledgeable, and informed supporter extends the reach of the Office of Admissions, and we truly appreciate the work you do and assistance you provide in furthering our mission of recruitment.

Please use this handbook as a reference manual when representing Wichita State at recruitment events and activities. We hope this manual provides you with the information you need to answer students' questions and tell them about Wichita State.

Wichita State has a strong tradition of providing excellent academic, research, athletic, and outreach opportunities to students from around the nation and throughout the world. It is through your assistance in the recruitment process that we are able to maintain this tradition.

Best wishes for a successful recruiting season! If you have any questions, please do not hesitate to contact the Office of Admissions at (316) 978-3085 or admissions@wichita.edu.

Bobby Gandu
Director of Admissions

TUITION DISCOUNTS

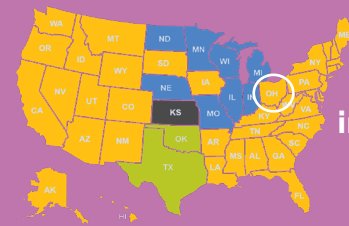

Shocker Nation spreads far and wide. With tuition discounts for dependents of alumni and numerous surrounding states, we make getting to the heart of Shocker Nation easier. For more information and to access a tuition discount waiver form for a student, visit wichita.edu/tuitiondiscount.

IN-STATE TUITION

offered for **Non-Resident Dependents of Alumni** whose parent, step-parent, legal guardian, grandparent or step grandparent graduated from WSU with any type of degree **and for Oklahoma City, Tulsa, Kansas City, MO and Dallas residents.**

33% TUITION DISCOUNT offered for **Midwest Student Exchange Program (MSEP) states and Shocker Select states**

OHIO is now included in the MSEP discount!

AS KANSAS' ONLY RESEARCH UNIVERSITY IN AN URBAN SETTING,

WSU can offer experiences others can't – *it's what separates Wichita State from the other guys*. By combining a traditional college atmosphere with the endless possibilities of the state's largest city, Wichita State University is the only school in Kansas that can provide an educational experience that goes beyond the limits of a typical college town. Because we are in Wichita, WSU students have advantages other students don't. **PERIOD.**

When Wichita State first opened its doors in 1895 students rode horses to class, telegraph machines were cutting-edge technology and Wichita had only been a city for roughly 25 years.

A LOT HAS CHANGED.

The past century has featured a remarkable evolution for Wichita State, one in which the school has grown from a small Christian college to a large state university – punctuated by two name changes and a few thousand extra students.

Together with the city of Wichita, WSU has built one of the most unique partnerships in Kansas, one that over the years has propelled each to new heights. It's a relationship that both supplies the lifeblood of a thriving community and makes it possible to provide the most well-rounded education in the region.

Today, the university continues to change to reflect the world around it, finding new ways to keep future generations of Shockers one step ahead of the competition.

WICHITA IS NOT YOUR TYPICAL COLLEGE TOWN.

As the medical, communications, financial and entertainment hub of Kansas, Wichita can make living in a run-of-the-mill college town seem a little lacking. From huge annual festivals and serene nature preserves to world-class dining and a thriving arts community, Wichita has it all. Combine that with practically endless opportunities for on-the-job experience as well as easy access to industry experts, and Wichita is a virtual utopia for the aspiring college student.

THE CITY OF WICHITA OFFERS MANY ENTERTAINMENT OPPORTUNITIES.

Wichita's Old Town neighborhood is nestled in the heart of the city and features more than 100 restaurants, shops, clubs, theaters, galleries and museums which are sure to offer fun to visitors of all ages. On the final Friday of each month many art galleries, museums and retail shops display art exhibits from local artists which are free and open to the public. Intrust Bank Arena is the main concert venue downtown with performers like Twenty One Pilots, Taylor Swift, Dave Matthews Band, Lil Wayne, Ariana Grande and Cirque du Soleil, gracing the stage.

SHOCKER RECRUITMENT OPPORTUNITIES

There are numerous ways to get involved as an Alumni Student Recruiter. College fairs and local programming are just a couple of ways to help recruit prospective WSU students in your area. A Shocker Recruiter assists the Office of Admissions by representing Wichita State at various recruitment events and activities, and by identifying and maintaining contact with prospective students from the geographic area and community.

INFORMAL REPRESENTATION

You can be just as effective by doing informal recruitment as you can by helping out at formal recruitment opportunities! Some of the best interactions with students and parents are informal - with people you know in your community, at work, at school, etc. You can assist WSU simply by serving as a resource in your area and by being a positive ambassador for WSU on a regular basis.

ATTENDING A COLLEGE FAIR

One very valuable service provided by the Shocker Recruitment Network is assisting members of the WSU Admissions staff at college fairs, or representing WSU at college fairs that a member of the WSU Admissions staff cannot attend. These fairs are designed to give prospective students and families a chance to gather literature about many colleges and speak to admissions representatives in a single evening program. Fairs are usually large two-hour functions held at a high school or community center. Each institution is assigned a table where a representative stands to answer questions and display information.

SHARE WHAT IS HAPPENING IN YOUR COMMUNITY

Shocker Recruitment Network partners are encouraged to identify prospective students in their community by sending names and addresses to the Office of Admissions. Send a link from your local newspaper, tv news, or other source to Elisha Satterfield at elisha.satterfield@wichita.edu. You may learn of these names from casual conversations at work or from clipping articles from the local newspaper. Share these names with us at wichita.edu/referashocker.

Also, high school guidance counselors can be contacted to learn the dates of important college fairs and other recruitment events. Volunteers should forward this information to Elisha Satterfield at elisha.satterfield@wichita.edu. If the Office of Admissions believes that a certain event is worth attending, we will do it. Sometimes we do not attend fairs because of costs, but there are other ways to help with recruiting in your community!

RECRUITER RESOURCES

PREPARATION

Invitations to college fairs must come to the Office of Admissions. The Assistant Director will arrange for coverage and will respond to the fair host. You will receive a copy of the invitation, along with other necessary information.

- Mark the date on your calendar.
- Receive materials (brochures, table banner, etc.) for college fair from the Office of Admissions
- Read all of the information carefully. It is important to review the Shocker Recruitment Network Handbook and the recent admissions materials. It is our goal to provide accurate information so that the students and their families will be able to make an informed decision about which college or university to attend.

COLLEGE FAIR ARRIVAL AND SET-UP

- Plan to arrive at least 30 minutes before the program starts. Read travel directions provided by the school, and remember that parking can be challenging at times. Check in when you arrive, and locate the assigned WSU table.
- Neat, professional dress [black or Wichita State colors] should be worn. Comfortable shoes will prevent aching feet later!
- Stand behind your table, even if a chair is provided, to advertise approachability. Per fair regulations, it is often required/expected to remain behind the table.
- Most college fairs are an open "shopper" format. Tables are set up in a large area (often a gymnasium) and students and parents move from table to table to obtain brochures, complete contact cards, and ask questions. As you arrange your display table, remember to leave space for students to complete contact cards.

QUESTIONS FOR PROSPECTIVE STUDENTS

You may ask students a question to help initiate a dialogue.

- What made you consider Wichita State?
- What are you interested in studying?
- What concerns do you have about Wichita State?
- Have you ever visited the campus?
- What other colleges and universities are you considering?
- What are you looking for in a college?
- What do you do in high school now?

WHEN RECRUITING, PLEASE DO...

- Be friendly, attentive, and smile
- Establish eye contact
- Stay at your assigned table for the duration of the program
- Convey your enthusiasm for WSU
- Emphasize the preparation it provided for your life right now
- Understand that you represent WSU to the students and families
- Know the basics (admissions requirements, costs, facts)
- Follow up if you say you will get back to someone
- Stay focused on their interests and answer questions accordingly
- Kindly acknowledge families waiting until you are able to speak with them
- Be honest and accurate
- Make each person attending feel important
- Promote an official campus visit (wichita.edu/visit)
- Take a self or photo! We often use these to showcase what our staff and alumni are doing to help with recruitment.
- Have fun!

FACING THE "TOUGH" QUESTIONS

You may receive economic, social, or even political questions pertaining to the university. These could be similar to:

- How is WSU funding all of the new projects on the Innovation Campus?
- Why did Wichita State increase the fees for students?
- I heard parking is a nightmare on campus. Why don't they address that problem before adding a new building?
- Wichita State seems to be located in a rough neighborhood. Is it really safe to be sending my student to WSU?

Please be sensitive to these questions, and assure families that their student's best interest is our top priority. There are multiple resources the public can access to gain information regarding WSU's growth and development, safety, parking accommodations, and other tough topics. Direct them to wichita.edu or to the Office of Strategic Communications.

REMEMBER...

- **Don't be afraid to say you don't know the answer to a question.**

Simply get their contact information and share with Elisha Satterfield. Admissions will follow up with the student or parent.

- **Don't guarantee admission.**

Inform them that a decision letter will be mailed within six weeks after submission of application and supporting documents.

- **Don't use a student's academic record as an example, as admissions information must remain confidential.**

Instead, speak to your personal experience as a student or community supporter.

- **Don't answer inquiries related to our NCAA athletic programs.**

Encourage them to discuss athletic opportunities at Wichita State with their current coach or direct them to goshockers.com.

- **Don't make promises to students regarding giveaways, athletic tickets or any other monetary incentive.**

Encourage the student to sign up for a campus visit, where they will receive a free Shocker t-shirt!

- **Don't elevate scholarships within discussion to a point of creating false hope for the student.**

*Remind families that upon admission to Wichita State, students are automatically considered for Freshmen Merit scholarships based on **high school academic performance and test scores**.*

- **Don't stretch the truth or oversell the university.**

There are plenty of exciting things happening on campus to talk about, so there is no need to create false information.

- **Don't steal students from other tables.**

Stand behind your table, to advertise approachability.

- **Don't say negative things about other institutions.**

Discuss WSU's strengths, not other schools' perceived weaknesses.

QUESTIONS YOU SHOULDN'T ASK

Often, we need to ask pointed questions to best serve the student, but refrain from asking:

- Are you on free or reduced lunch?
- Why would you major in that?
- Do you really think you're cut out for college?
- Why would you go to a community college?
- Are you an undocumented student?
- What is your family's income level?

PACKING MATERIALS AND EVENT DEPARTURE

- We prefer that our representatives stay until the completion of the program, even if other representatives working around you leave before the designated time.
- Pack all materials into supplied boxes for shipping--consolidate as best you can.
- Complete event evaluation, if provided. There is also a WSU evaluation, provided in your packet, to be completed.
- Thank the host school. It is appropriate to leave the high school extra brochures.

WRAP-UP CHECKLIST

- Return the banner and all unused materials in the original box with the shipping label provided immediately.
- Include the completed WSU activity follow-up evaluation and any other input you may have.
- It is important to do this right away, as we need the materials for other events.
- Provide feedback to our office regarding your experience with recruitment materials and activities.
- THANK YOU for your time, energy, and enthusiasm!

An **Innovation Campus** provides the optimum environment for students, professors, researchers and community industry to **learn, work, live and play.**

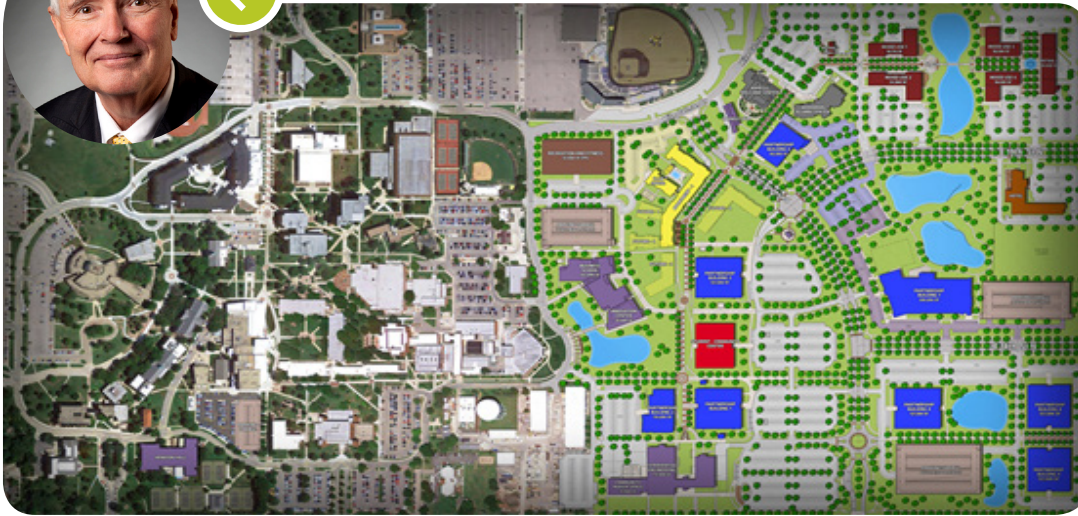

WSU INNOVATION CAMPUS

"**Envision** being a part of a university where innovation, creativity, entrepreneurship and technology are making the future. **THAT IS WICHITA STATE UNIVERSITY.**"

President John Bardo

CHANGING THE MINDSET OF WHAT COLLEGES CAN DO

The master plan includes a series of private enterprise partnership buildings, mixed land use for apartments, shops and restaurants, new academic buildings, a new residence hall, and a second student and community center. Students will enjoy a lively social atmosphere and access to private industry without having to leave campus.

Airbus Americas moved all 400 of its employees from downtown Wichita to campus in January 2017. Airbus will continue to employ student interns.

As Kansas' only research university in an urban setting, WSU can offer experiences others can't—**it is what sets us apart.** By combining a traditional college atmosphere with the opportunities of the state's largest city, WSU can provide an educational experience that goes **beyond the limits of a typical college town.**

The Experiential Engineering Building opened its 25 unique research labs to students in January 2017.

Scheduled to open Fall 2020, a new Business School and Innovation Center will take students from business ideas to business creation.

The original Pizza Hut houses a museum dedicated to the history of this Wichita success story.

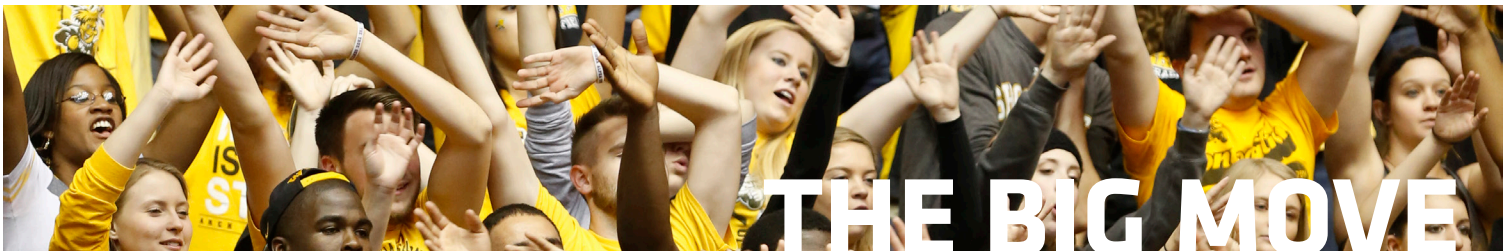

WSU FITNESS CENTER

Coming to the corner of Mike Oatman Drive and Perimeter Road is a new partnership between Wichita State and the **Greater Wichita YMCA**. The new **WSU Fitness Center** will bring state-of-the-art work out facilities, student health and wellness services and a drop-in daycare center to our students.

Under the plan, WSU students receive YMCA memberships and **have access to the nine full-service YMCAs in the Wichita area.**

THE BIG MOVE

Wichita State is now a member of the American Athletic Conference.

While this move to a Power 6 conference is an obvious upgrade for Shocker athletics, it is important to understand that the conference change is at least as much about positioning the university as an innovative academic and research institution as it is about athletics. We've used athletic success as a catalyst for improving student life and enhancing Wichita's growth and prosperity.

"Our work is cut out for us to continue doing what we've been doing, and that's **winning with integrity** and doing it in a first-class way, and hopefully continuing to get into the NCAA Tournament and advance with special young people."
Greg Marshall
 Head Men's Basketball Coach

Wichita's economy will benefit from American Athletic Conference teams and fans traveling from Orlando, Tampa, Cincinnati, New Orleans, Memphis, and Philadelphia. In addition, the higher profile of the American Athletic Conference will keep WSU's name and brand on the national stage.

WSU: THE HIGHLIGHTS

- WSU has the **MOST DIVERSE CAMPUS** in Kansas with students from **110** countries and **33 PERCENT** hailing from diverse backgrounds
- Wichita State students enjoy a **18:1** student to faculty ratio
- WSU is the **NUMBER ONE** transfer destination in Kansas
- WSU's **COOPERATIVE EDUCATION** is the largest internship program in Kansas, with students earning **\$4 MILLION** in wages in more than 1000 internship placements
- ESPN ranks **CHARLES KOCH ARENA** in the top 10 courts in America
- WSU has **MORE THAN 200** student organizations on campus
- More than **13 PERCENT** of freshmen join **GREEK LIFE** organizations
- Ninety percent of WSU classes have **50 OR FEWER** students
- WSU students can go on **NATIONAL STUDENT EXCHANGE** to over **200** schools in the U.S. and numerous other schools around the world through **STUDY ABROAD**

AT 78%, WSU HAS THE HIGHEST JOB PLACEMENT RATE AMONG PUBLIC UNIVERSITIES IN KANSAS.

RESEARCH AT WSU

With yearly **FUNDING TOPPING \$50 MILLION**, research at Wichita State ranges from bioscience, chemistry and engineering to mathematics, physics and ancient civilization.

In addition to excellent research within our academic departments, WSU is home to **MORE THAN 30 RESEARCH CENTERS AND INSTITUTES**, many of which work closely with local, regional and national entities to accelerate discovery and bring new products to the marketplace.

Wichita State consistently ranks **FIRST AMONG THE NATION'S UNIVERSITIES IN INDUSTRY-FUNDED AEROSPACE ENGINEERING RESEARCH AND DEVELOPMENT** expenditures, according to newly released National Science Foundation data. Wichita State also received \$5 million from federal agencies such as the Department of Defense, Federal Aviation Administration and NASA.

SHOCKER ATHLETICS

Wichita State is home to **15 DIVISION 1 ATHLETIC TEAMS** including men's and women's basketball, volleyball, baseball, softball, and track and field. WSU students receive ***FREE TICKETS** to all home NCAA athletic events with a valid Shocker card.

*Men's Basketball tickets are limited to the first 1,000 students.

CAMPUS LOCATIONS

We take our classes and educators into the community with locations in **SOUTH AND WEST WICHITA**. Our **OLD TOWN** campus includes a community and health care focus, a Physical Therapy school and **THE STATE'S ONLY PHYSICIAN ASSISTANT** school.

STUDENTS ALSO RECEIVE FREE TICKETS TO ALL COLLEGE OF FINE ARTS EVENTS.

W. FRANK BARTON SCHOOL OF BUSINESS

wichita.edu/business

As Kansas' premier business school with the widest range of accredited degrees in the state, our students have the advantage of stuffing their résumés with valuable experiences, tools and connections only found at Wichita State.

COLLEGE OF APPLIED STUDIES

wichita.edu/appliedstudies

WSU is head of the class in teacher education, human performance studies and sport management. 50+ years of accreditation through numerous organizations means our education students graduate as classroom-ready educators.

COLLEGE OF ENGINEERING

wichita.edu/engineering

Top notch education, nationally recognized programs, esteemed faculty, the state's largest engineering co-op and internship program and one of the first Engineer of 2020 programs in the country distinguishes and defines WSU's College of Engineering.

ACADEMIC COLLEGES

COLLEGE OF FINE ARTS

wichita.edu/finearts

As the state's only comprehensive college of fine arts, WSU brings visual and performing arts together through the Schools of Art, Design and Creative Industries, Music and Performing Arts while connecting students to Wichita's strong art community.

COLLEGE OF HEALTH PROFESSIONS

wichita.edu/chp

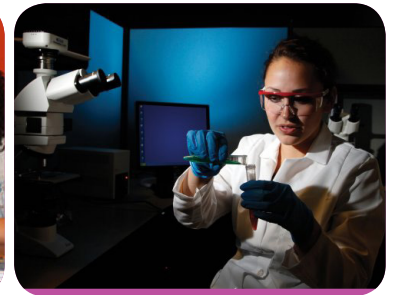

Located in the state's health care hub, the College of Health Professions provides students with the essential skills, hands-on learning, and professional connections for success in everything from nursing and physical therapy to dental hygiene and physician assistant.

DOROTHY & BILL COHEN HONORS COLLEGE

wichita.edu/honors

Honors students receive not more work, but more meaningful work with small class sizes as well as the opportunity to pursue the Honors Baccalaureate, a degree program only offered at a handful of universities in the country--and the only one available in Kansas.

FAIRMOUNT COLLEGE OF LIBERAL ARTS & SCIENCES

wichita.edu/las

From forensic science and communication to social work and biochemistry, the Fairmount College of Liberal Arts and Sciences encompasses the widest range of degree programs. Students enjoy a broad spectrum of opportunities in WSU's oldest and largest college.

STUDENT RESOURCES

Academic support, as well as resources to maintain physical and mental wellness, are available to **all** WSU students.

ACADEMIC ADVISING is available to all students and majors to help keep you on track toward graduation. Your academic advisor is available to help you plan your course of study, ease your college transition and offer counsel when you have academic difficulty.

WSU's **WRITING CENTER** offers free tutoring to students at every level and in all majors. Tutors offer assistance with all aspects of writing including brainstorming, organization, style and revision.

Free tutoring in the **MATH LAB** is available to students studying everything from algebra to statistics. The lab is open Monday-Friday with tutoring available on a drop-in basis.

The **CENTER FOR EXCELLENCE IN ORAL COMMUNICATION** opened in Spring 2017 and serves to grow students, faculty, staff and community members with their speaking abilities. The Center allows students to meet one-on-one with an instructor to help outline and present a speech.

PREPARING STUDENTS FOR SUCCESS

JOB PLACEMENT & CAREER DEVELOPMENT

Wichita State is the only university in Kansas to offer **COOPERATIVE EDUCATION, INTERNSHIPS** and **CAREER DEVELOPMENT** for most majors. These programs offer students the opportunity to gain work experiences that are directly related to their major or career interests. The Career Development Center at Wichita State is the go-to resource for anyone looking to build a bright future after college.

OFFICE OF DIVERSITY AND INCLUSION

The Office of Diversity and Inclusion takes pride in creating and maintaining connections with various communities outside of campus and within Wichita State. Over the last school year, the Office of Diversity and Inclusion has been involved with over 100 events both in and outside of the community. Through programs, such as the **MULTICULTURAL STUDENT MENTORING PROGRAM** and the **AMBASSADORS FOR DIVERSITY AND INCLUSION**, students are given the opportunity to learn more about diversity and the resources available to provide a more rewarding college experience.

CAMPUS SHUTTLE SYSTEM

The WSU Shuttle System is a service for students, faculty, staff and visitors to WSU. With two different routes available, it is provided as an alternative to parking on the WSU main campus.

OFFICE OF ONLINE LEARNING

The Office of Online Learning facilitates the development and delivery of WSU's robust selection of online courses taught by Shocker faculty and backed by our tradition of excellence. To learn more and see a list of courses and programs available online, visit wichita.edu/online.

OFFICE OF STUDENT SUCCESS

The Office of Student Success helps address the academic and social needs students have throughout their college careers. This office is committed to promoting the university's retention and graduation goals by creating and coordinating campus-wide initiatives that facilitate student success. Services and programs include: first-year programs such as orientation and WSU 101 and academic support programs such as tutoring and supplemental instruction.

PHYSICAL AND MENTAL WELLNESS

The mission of **STUDENT HEALTH SERVICES (SHS)** is to assist students in maintaining a state of optimum physical and mental wellness. SHS provides medical care and treatment for ill and injured students. Services also include health and wellness education, nutrition counseling and limited pharmacy services.

The **DENTAL HYGIENE CLINIC** accepts students as well as the general public as patients for dental hygiene treatment. Dental Hygiene majors get hands-on experience while providing a service at a reduced fee. The clinic provides teeth cleaning, exams by a dentist and x-rays when necessary.

WSU's **COUNSELING AND TESTING CENTER** provides psychological services for personal, learning and mental health issues. Professional counseling is available to all WSU students, faculty and staff. The center also offers academic testing services which include the credit by exam program, departmental exams, CLEP tests and entrance exams for colleges and graduate schools.

CAMPUS RECREATION

The **Intramural Sports Program** sponsors over 50 recreational-level leagues and tournaments. While the **Sport Club** program provides competitive-level events both regionally and nationally. Campus Recreation helps Shockers shape up physically and mentally through group fitness classes, massages and personal training.

The Heskett Center is home to all things Campus Recreation, with:

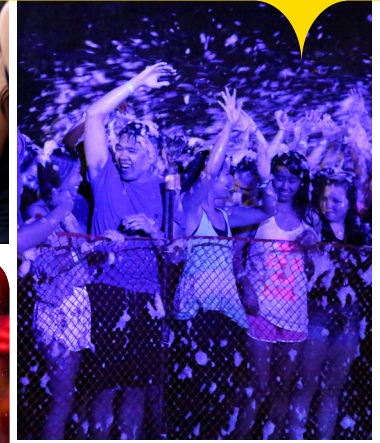

- 10,000 sq. ft. of state-of-the-art cardiovascular and strength and conditioning equipment
- a 25-foot climbing wall
- a 200 meter track
- racquetball courts and more!

wichita.edu/campusrecreation

CAMPUS LIFE

Ask 10 different people to define the typical Wichita State experience and chances are you'll get 10 different answers. That's because there really is no "typical" Wichita State experience. WSU students have always had the luxury of creating their college life--**exactly the way they want it.**

The Office of Student Involvement supports more than 200 student organizations such as fraternity and sorority life, leadership development, community service, and civic engagements. They can even help you create your own!

RHATIGAN STUDENT CENTER (RSC)

Located in the heart of the main campus, the Rhatigan Student Center is the social hub of student life at Wichita State. Whether you're looking for a place to study, a place to hang out with friends, a place to eat, a place to shop, a place to relax, or even a place to get a quick haircut, the RSC is the place to be.

Shocker Sports Grill & Lanes is a great place to relax and have fun with your friends and family. Bowling, billiards, darts, video games, parties, tournaments, food and fun can ALL be found in the lower level of the RSC.

CAMPUS TRADITIONS

From sports and student groups to concerts and other special events, the school year at Wichita State is chock-full of Shocker tradition.

HOUSING AND RESIDENCE LIFE

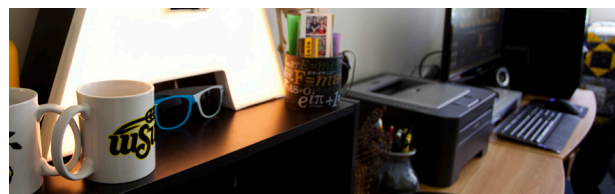

From the traditional residence hall experience to apartments with a view, campus living at Wichita State is anything but one size fits all. WSU makes finding your ideal "home away from home" an enjoyable transition. Plus, as a campus resident, you'll not only have a place to study, sleep and socialize - you'll have all the resources of Wichita State right at your doorstep.

SHOCKER HALL

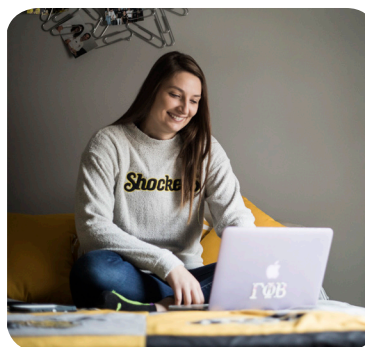

Centrally located, living in Shocker Hall means quick access to classes and events. Students enjoy the convenience of laundry facilities, a community kitchen and lounge on each floor, as well as an extended-hours coffee shop and snack bar.

Living Learning Communities (LLC) offer unique opportunities for campus residents. An LLC is a group of students who choose to live together to expand their education through shared learning experiences that go beyond the classroom. Students enjoy a built in support system, personal attention and mentoring, leadership opportunities and an enhanced sense of community. The LLC's available to residents are:

- Business
- Career Ready
- Education
- Engineering
- Fine Arts
- Honors
- Health Professions
- Premedical Professions
- Recreation & Wellness
- Social Justice
- Women in Engineering

Coming Soon! Scheduled to open in Fall 2019, The Suites at WSU will be a 230 bed facility, with each suite including a kitchenette, washer/dryer combo, and common living space.

The Flats at WSU are fully-furnished apartments and come with a kitchen, living room, and washer and dryer. Students have access to underground parking, a workout facility, basketball court and wading pool.

THE FLATS AT WSU

There are lots of ways prospective students can stay up to date on our events, deadlines and on campus news. Encourage them to follow us on social media!

If they aren't already receiving information from us via email or regular mail, send them to wichita.edu/inforequest.

CAMPUS VISITS

Encourage prospective students that the best way to **EXPERIENCE THE CAMPUS AND STUDENT LIFE** is to come on a personalized campus visit. During their visit, students and their guests have the opportunity to explore campus, talk to current students, meet a faculty advisor and get a feel for what it's like to be a Shocker.

Campus visits are offered Monday through Friday at varying times. Visit wichita.edu/visit to register for a visit.

There are a few events on Saturdays throughout the year. **SHOCKER SATURDAY** happens once a month and provides the student and their guests with an information session, campus and housing tour, and student panel. See available dates at wichita.edu/visit

For more information, call the Office of Admissions at (316) 978-3085.
