

## EARLY ADMISSION CERTIFICATION FOR GRADUATING HIGH SCHOOL SENIORS

Students who wish to apply as an Early Graduate to Wichita State University can be admitted based on the Qualified Admissions standards set by the Kansas Board of Regents. If students do not meet the ACT/SAT requirement and do not rank in the top 1/3 of their class, they will need to provide a current class schedule as well as their high school transcript. Students who wish to attend WSU as an early graduate from high school must be finished with all high school courses and meet high school graduation requirements before the first day of classes at WSU. If a student will not meet the high school graduation requirements prior to the first day of classes at WSU, he or she will need to enroll in the High School Guest Program.
