* needs to have a WSU equivalent
^ recommended. WSU does not currently have a business communication requirement, but may in the future.

§ WSU has a one-hour Statistical Applications class that is not part of the Barton CCC Associate of Science requirement.
ECON 232 at WSU can be taken online. It is recommended that ECON 232 be taken BEFORE transferring to WSU.
BUSI 1610 Bus Stat Lab is equivalent to ECON 232 and can be taken at Barton CCC, but that will add one hour to graduation requirements to reach 60 hours at WSU.
