Butler
Community College

**2 + 2 Articulation Agreement
Wichita State University
Bachelor of Applied Science in Workforce Leadership and Applied Learning
and
Butler Community College Associate of Arts (A.A.), Associate in Science (A.S.), and
Associate in Applied Science (AAS) Degrees and Certificate Programs**

The purpose of this 2 + 2 articulation agreement is to provide Butler Community College students the opportunity to transfer coursework from Butler Community College (BCC) to Wichita State University (WSU) in pursuit of a baccalaureate degree with a major in Bachelor of Applied Science in Workforce Leadership and Applied Learning (BAS-WLAL). The 2 + 2 articulation agreement will apply to the three current concentrations in the Bachelor of Applied Science in Workforce Leadership and Applied Learning - Education and Innovation; Emergency and Public Service Leadership; and Hospitality Management- and any future concentrations developed within the degree. Once developed, WSU will provide a specific program of study for the new concentration(s).

In addition, this articulation agreement identifies admission and program requirements as well as the credit for prior learning options and parameters within each concentration. This document also includes a WSU BAS-WLAL program of study for each of the current concentrations along with plan of study examples for current Butler Community College degrees and certificate programs.

Admission/Program/Graduation information

General Education Coursework: The completion and transfer of general education coursework will vary based on the program of study for the specific Butler Community College A.A., A.S., and A.A.S degrees and certificate programs. General education courses must be at least three (3) credit hours and from the approved general education course list at Wichita State University. Students transferring from BCC are required to meet the approved general education program at WSU at the time of transfer. Advisors and students should reference the Wichita State University Transfer Equivalency guide for specific courses - <http://webapps.wichita.edu/TransferEquiv/> .

Credit for Prior Learning: All students in the Bachelor of Applied Science in Workforce Leadership and Applied Learning degree are required to complete 36 credit hours for their concentration within the degree. A student is eligible to receive up to 36 credit hours of prior learning (credit for prior learning) based on documented coursework completed at BCC that is specific to an industry or vocation (i.e. automotive collision repair, restaurant management, fire science, hotel management) within an associate or applied science degree, or certificate program. These credits are referred to as credit for prior learning and are only granted and approved through the review of official transcripts by the WSU BAS Workforce Leadership program committee.

A student who does not fulfill the 36 credit hours of prior learning based on coursework specific to an industry or vocation at Butler will be required to complete the remaining hours from those listed under the concentration within the degree plan.

Graduation Requirements: Transfer students must complete at least 60 hours of four-year college work and 45 hours of upper division work in order to qualify for graduation from Wichita State University.

For graduation, students will need to meet all enrollment eligibility requirements at the time of transfer and/or enrollment, fulfill all WSU general education requirements and degree requirements, and must meet all requirements for graduation as outlined by WSU.

Admission to WSU: To apply for admission, students may contact the WSU Admission office by calling: (316) 978-3085 or WSU Office of Adult Learning by calling: (316) 978-8325. Information and applications are located online, <https://www.wichita.edu/admissions/index.php>.

Students transferring to WSU from BCC who have completed an Associate of Arts (A.A.), Associate in Science (A.S.), Associate in Applied Science (AAS) degree or a certificate program must meet the necessary requirements for admission to WSU, and will have their transcript evaluated on an individual basis.

Scholarship/Financial Aid: Students can inquire about scholarships, financial aid, and grants by contacting the WSU Financial Aid office (316) 978-3430 or Butler's Financial Aid Office (316) 322-3121. Students may also visit the College of Applied Studies Scholarship page for information on scholarships specific to the college, www.wichita.edu/casscholarship.

The agreement is for Butler CC students who have:

- Completed or began a BCC Associate of Arts (A.A.), Associate in Science (A.S.), Associate in Applied Science (AAS) degree or a certificate program
- Achieved a minimum cumulative GPA of 2.0 on 24 credit hours or more
- Applied for admission to WSU*

* If student does not meet the transfer requirements, they are required to meet freshman requirements as outlined under WSU Admission requirements, <https://www.wichita.edu/admissions/undergraduate/ga.php>

BCC students meeting the above requirements will:

- Be admitted to WSU for the Bachelor of Applied Science in Workforce Leadership and Applied Learning program with completion of WSU application requirements and receipt of transcripts
- Be required to meet WSU General Education Policy or KBOR policy
- Be guaranteed to transfer credits (100 level and higher) up to but not exceeding 60 credit hours
