

**WICHITA STATE UNIVERSITY AND COWLEY COLLEGE 2+2 AGREEMENT
Associates of Arts Degree/Bachelor of Arts Degree in Anthropology
August 17, 2020**

The purpose of the 2+2 Agreement is to provide Cowley College's students a four-year coordinated program where students will receive an Associates of Arts degree at Cowley College (CC) in the first two years and a Bachelor of Arts in Anthropology degree from Wichita State University (WSU) after two additional years. This agreement will provide guidance for both parties in advising students.

This agreement is for Cowley College students who have:

- Earned an Associates of Arts (A.A.) degree according to attached degree plan.
- Achieved a minimum cumulative GPA of 2.0.
- Applied for admission to WSU.

Cowley College students meeting the above requirements will:

- Be guaranteed admission to WSU with completion of application requirements and receipt of transcripts.
- Enter with junior status toward a baccalaureate degree.
- Be guaranteed to transfer all credit (100 level and higher) up to but not exceeding 64 credit hours from Cowley College with an earned grade of a C or better.

Students can inquire about academic and participation scholarships, financial aid, and grants by contacting the WSU Financial Aid office (316) 978-3430 or Cowley's Anthropology Department (620) 441-5336.

For graduation from WSU with a Bachelor of Arts in Anthropology, students will need to fulfill transfer coursework from Cowley along with all WSU general education requirements, degree requirements, and must meet all requirements for graduation as outlined by WSU.

To apply for admission, students may contact WSU Admissions office by calling: (316) 978-3085. Information and applications can also be found online at www.admissions@wichita.edu.

Students transferring to WSU from Cowley who have not completed an A.A. must meet necessary requirements for admission to WSU, and will have their transcript evaluated on an individual basis.
