

NORTHERN OKLAHOMA COLLEGE AND WICHITA STATE UNIVERSITY 2+2 AGREEMENT

Associates of Science Degree/Bachelor's Degree in Business Administration

May 2021

The purpose of the 2+2 Agreement is to provide Northern Oklahoma College's students a four-year coordinated program where students will receive an Associates of Science degree at Northern Oklahoma College (NOC) in the first two years and a Bachelor of Business Administration degree from Wichita State University (WSU) after two additional years. This agreement will provide guidance for both parties in advising students.

This agreement is for Northern Oklahoma College students who have:

- Earned an Associates of Science (A.S.) degree according to attached degree plan.
- Achieved a minimum cumulative GPA of 2.25.
- Applied for admission to WSU.

Northern Oklahoma College students meeting the above requirements will:

- Be guaranteed admission to WSU with completion of application requirements and receipt of transcripts.
- Enter with junior status toward a baccalaureate degree.
- Be guaranteed to transfer up to 61 credit hours (based on requirements for the A.S. degree) from Northern Oklahoma College to WSU.

This partnership reflects the following objectives, institutional expectations, and operational principles:

- Expanded student program opportunities, course articulation understandings, and transfer coordination considered mutually beneficial in this coordinated partnership.
- Graduates will possess the technical skills and conceptual background, creative mindset and applied experiences to address workforce needs
- All students must complete all major, institutional, and required degree requirements appropriate to the program curricula at the degree granting institution to graduate.
- Both Northern Oklahoma College and Wichita State University W. Frank Barton School of Business program faculty and administrators will promote the program with qualified prospective students and share assessment of learning outcomes toward the goal of program improvement.
- Students can inquire about academic and participation scholarships, financial aid, and grants by contacting the WSU Financial Aid office (316) 978-3430 and the Barton School of Business Advising Center at (316) 978-3203.
- Students transferring to WSU from NOC who have not completed an A.S. must meet the necessary requirements for admission to WSU and will have their transcript evaluated on an individual basis.

To ensure a successful transition and completion of the associate's and bachelors' degrees from both institutions in this 2+2 agreement, students should refer to the required degree plans or stipulations of this agreement. Transfer students must complete at least 60 credit hours of four-year college work and no less than 45 credit hours of upper-division work to qualify for graduation from Wichita State University. Courses used as prerequisites may have higher grade requirements as described in the WSU undergraduate catalog.
