

Wichita State University vs. Northwestern State University
March 23, 2011; Cane River Lake; Natchitoches, LA

Submitted by Calvin Cupp.

Distance: 1,300 & 2k

Conditions: Head wind 10 mph+/-5 during the racing. WN8 & MN8 2k; all other races 1,300. NSU V8's were a mix of varsity and novice so WSU raced even 8's against their composite crews. WSU also raced even WV4+'s against NSU.
