This says it all! Our Founders' Day of Giving was a great success. Thanks to everyone who donated!

## PRESIDENT'S LETTER

Hello WWSU members! Thanks very much for your support of the Women of WSU organization. We are feeling very financially supported! Please read the newsletter to learn how awesome the fundraising activities were. Anne Marie, VP of Programs, created two very successful fall fundraisers, Rachel Muscat, Fundraiser Chair, assisted with the Vintage Market, and Patsy Selby, VP of Membership, held a great membership drive event.

We would like to continue to increase our membership, so please talk to your coworkers and spouses of coworkers about joining. Membership provides many opportunities to connect with others across campus who share a common interest with you.

Which reminds me, please start a new interest group! Several have been suggested such as bicycling, hiking, and a virtual book club, but no one has stepped up to lead them. Twyla or I are happy to help you get started!

Read the rest of the newsletter to hear about fundraising results, upcoming events, volunteer opportunities, and other reports. Have a shockified finals week with your new vintage WSU merch!
