Contact Tracking Log for COVID-19

PI or research staff are encouraged to daily record everyone who was in the research space on that date. This will make it much easier to determine the route forward should someone contact you stating they have tested positive.

Date of Human Subjects Testing: _____

Name:	Time frame present (e.g. 9am-1pm):	Phone Number (with Area Code):	7-day f/u	14-day f/u
