CREATE A PRE-APPROVAL REPORT - EMPLOYEE

Any employee proposing to travel out-of-state or internationally must complete and submit a Pre-Approval Report. Upon final approval of the Pre-Approval Report, the employee may begin incurring expenses in association with the travel event. Refer to policy 3.28 / Out-of-State Travel, for additional details.

Each international travel event requires completion of the International Travel Export Compliance Risk Assessment prior to making travel arrangements. Click HERE to access the survey. Contact compliance@wichita.edu or 978-2667 with questions or for assistance.

After completing the Pre-Approval Header information, you will be prompted to add your expenses. The Add Pre-Approval Types screen will slide in from the right.

The expense types are consolidated into categories (expense tiles). Some expense tiles expand to provide additional expense options. Example: Mileage is located under Ground Transportation.
Select the specific expense tile you want to add to the Pre-Approval. Each expense selected will open in a form and require additional information. For detailed information on each Expense Tile, please see the CR0018 Pre-Approval Expense Tile Detail help document.

All the expense tile forms, with the exception of Mileage, Hotel and Meals, contain the following fields:

1. **Estimated Amount:** Enter the estimated amount for this expense type.
2. **Description:** Provide any additional information about this expense. This field is optional for most expense types.
3. **To Be Paid By:** Select the option that best describes the anticipated payment method for the expense. Options include:
   - (a) Accounts Payable Invoice
   - (b) Foundation Funds
   - (c) No Cost to WSU
   - (d) Personal Funds
   - (e) Procurement Card (WSU issued)

Complete the expense tile form and click Save at the upper right side of the screen to continue.
The expense will be added to the Pre-Approval Report and will be visible on the left side of the screen.

When you have completed all the entries for the Pre-Approval report, click the **Submit** button located at the bottom of the left side of the screen.
A Submit Preapproval message will appear at the top of the right side of the screen. Once you have read the certification statement, click the Submit button.
