

Emburse Enterprise Mobile App

Chrome River has been rebranded as Emburse Enterprise. **The legacy mobile apps, CR Snap and Chrome River, retire on 11/30/2025 and will no longer be supported.**

The new Emburse Enterprise mobile app offers several new and enhanced features.

- Enhanced Security & Compliance
- Intuitive interface, AI-powered expense automation, smarter receipt capture, end-to-end expense workflows, and personalized home screen actions
- All receipts, reports, and workflows are stored centrally in Emburse Enterprise
- View all of your historical and existing data immediately after logging into the new app

Utilize the **Emburse Enterprise Mobile App Quick Reference Guide** to help you navigate the new application.
