# North Wichita GEAR UP

**N**orth Wichita GEAR UP (NWGU) is a federally funded project. The overall goal of the project is to increase the number of high school graduates who are prepared for postsecondary enrollment. Wichita State receives \$740,000 annually from the U.S. Department of Education for six years with a required \$740,000 match. The project also tracks students through their first year of college.

NWGU serves seven schools in the Wichita Public Schools District. Annually, NWGU serves a cohort of 925 students from seventh grade through high school graduation. Project components include career, academic and personal counseling, early intervention programs, cultural activities, mentoring, Saturday and after-school tutoring, and workshops and trainings for parents and professionals.

NWGU has three main goals:

1. Increase the academic performance and preparation of students for postsecondary education.
2. Increase the high school graduation rate and postsecondary education enrollment rate of students.
3. Increase students and their families' knowledge of postsecondary education options, preparation and financing.

## 2016-2017 Highlights

925 Students Served

Serves a Cohort of Students from 7th Grade through High School Graduation

Sponsored 4 College Campus Visits

Funded at \$740,000 Annually
