STATE EMPLOYEE HEALTH PLAN
The State of Kansas Employee Health Plan (SEHP) is a comprehensive health plan offered to all benefits-eligible State of Kansas employees, including employees of Wichita State University. All coverages are elected independent of one another for employees and their eligible spouse/dependents.

In most cases, coverage for new state hires will be effective the first of the month following fulfillment of a 30-day wait period. However, new WSU hires with current coverage through SEHP as the spouse or dependent of an active member, internal transfers from a non-benefits eligible position to a benefits-eligible position, or direct transfers from another state agency may have an earlier coverage effective date.

Aetna/BCBS Medical Insurance
Members can choose between Aetna or BlueCross/BlueShield of Kansas as the carrier for their medical insurance. Both carriers offer the same plan options and premiums, but each has a unique network of contracting providers.

Five plan designs provide flexibility in deciding how to pay for healthcare. Each plan offers a different combination of premium cost, deductible, coinsurance, and out-of-pocket maximum. See chart below.

HEALTHQUEST WELLNESS INCENTIVE PROGRAM

State of Kansas employees and their spouses covered by SEHP medical insurance can participate in the HealthQuest Wellness incentive program. Participants are awarded points for completion of simple wellness activities. These points count toward two incentive programs:

Premium Discount
When an employee and their covered spouse (if applicable) each earn 40 points in a plan year, they become eligible for a $20/paycheck discount for the remainder of the current plan year and the following plan year ($480 annually). This discount must be earned annually through participation in the HealthQuest Wellness program.

HRA/HSA Reward Dollars
In addition to any premium discounts earned, employees and their covered spouses also receive $10/credit in HealthQuest Rewards deposited into their HSA/HRA, up to a maximum of $500 each per plan year.

RETIREMENT PLANS

Kansas Board of Regents (KBOR) 403(b) Mandatory Plan
Employees in faculty and unclassified professional positions are enrolled in the KBOR 403(b) Mandatory Retirement Plan, subject to the fulfillment of a one-year wait period. This wait period may be waived for employees with prior service under KPERS, KBOR, or another US institute of higher education. To find out if your prior service qualifies for a waiver of the wait period, contact TotalRewards@wichita.edu.

Contributions to this plan are made on a pre-tax basis and are equal to 5.5% of the employee’s biweekly gross pay. The employer match is 8.5% of the employee biweekly gross pay. All funds are fully vested upon contribution.

Kansas Public Employees Retirement System (KPERS) Pension Plan
Employees in university support staff positions are enrolled in the KPERS. Pretax contributions of 6% of the employee’s biweekly gross pay begin immediately, with no wait period.

Contributions and retirement credits, if applicable in the participant’s tier, are vested after 5 years of service.

For more information, visit www.KPERS.org or call 1-888-275-5737.

Spouse/Dependent Tuition Assistance

The award amount is 50% of the base cost of resident tuition for the number of hours enrolled per semester, up to a maximum of 15 hours enrolled.

Other Educational Benefits
Under University policy, employees and their family are eligible for resident tuition rates in all academic terms beginning after the employee’s date of hire.
