

## How to view docs in Perceptive Experience Content Apps

1. Navigate to the PerceptiveExperience website:  
<https://webnow.wichita.edu/ContentApps/>
2. Log in with your myWSU Credentials and click **Connect**.

3. On the Home Screen click on the **Documents** Button.

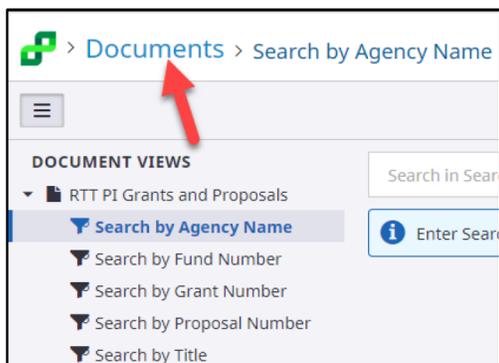

4. This will take you to the documents you have access to under **Document Views**. View and search the documents available.

*\*Note: your screen may look different than below based on your access.*

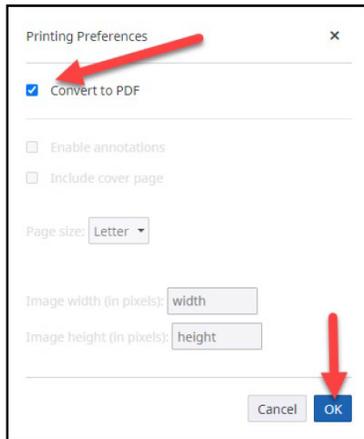

5. To get back to the main Documents view, click on the **Documents** next to the green Perceptive Logo.

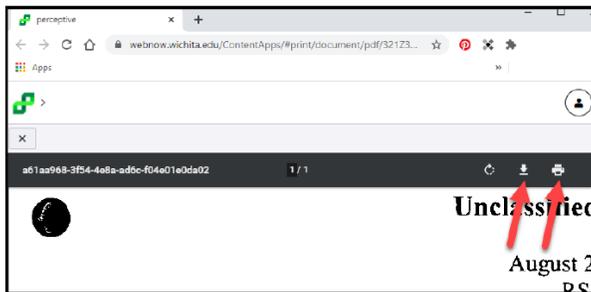

- 6. To Print a document:
  - A. With the document open, click the **print** icon in the toolbar.

- B. In the Printing Preferences, **check the box** next to Convert to PDF and **click OK**

- C. The PDF will open in a browser window, **Download** or **Print the PDF**.

- 7. To return to the home screen, **click** on the green Perceptive Logo.

- 8. To log out of Perceptive Experience Content Apps, **click** the person icon in the upper right corner of the screen, and click the **Disconnect** button.
