Proposing a Badge Class

Kim Moore

Carolyn Speer

Session Three

Wichita.edu/wsuarc

Agenda

- What are badges?
- What is their structure?
- How do I get started?
- What kind of support can I expect?

What is a badge?

- What is a badge at WSU? Is it distinct from other places?
- Who are badges designed for?
- Do badges have academic credit?
- Do they HAVE to have credit?
- Do badges count toward a degree or certificate?
- Are badges only online?
- Are all badges market based tuition?
- Who is qualified to teach badge classes?

What is their structure?

- How many credits are badges worth?
- Can a licensed professional earn college credit as well as contact hours for re-licensure?
- Can a badge have a prerequisite?
- Can students enroll for badges at any time during the semester?
- How are badges graded?
- Do badges have textbooks?
- Do badges have accessibility requirements?

How do I get started?

- Download and complete the Badge Planning Form. Provide data and supporting documentation as to the existing workforce need. (screen shot) ***Everyone will get a printed copy in their handout packet.***
- Download and complete the Market Based Tuition Form . https://www.wichita.edu/academics/academic_affairs/documents/MBTJuly2018.pdf (screen shot) ***Everyone will get a printed copy in their handout packet.***
- Submit the completed forms to the Office for Workforce, Professional and Community Education, kimberly.moore@wichita.edu

What support can I expect?

- Will I be paid for development and teaching?
- What is the approximate time commitment for development and teaching?
- What does Instructional Design and Access do for me?
- Are there additional resources?
  - Guidelines for Undergraduate Alternative Credential Pathways
  - Guidelines for Graduate Badges

Thank you!
