Public sector practice with more than 420 professionals dedicated to serving clients across a wide variety of practice areas

Our team of professionals includes over 90+ registered municipal advisors

Over 130 years of combined operating experience

Baker Tilly Municipal Advisors at a glance

Our municipal advisory team works with public sector entities like yours to help resolve financial issues to improve your operations and the quality of life for your communities. We serve cities, towns, villages, townships, counties, authorities, utilities, public schools and libraries, as well as higher education institutions, healthcare entities, and power and water districts.

Baker Tilly Municipal Advisors is a highly ranked national practice. In 2019, we were the third-ranked municipal advisory firm by number of transactions. Our team works with numerous sophisticated issuers and has the expertise to tackle complex financings of any size.
