Graybar U.S. Communities

About the Program
Graybar values our long standing strategic relationship with U.S. Communities and our company is continuing to bring value added solutions to their membership base as the awarded supplier of electrical, lighting, communications, data networking and security products through the U.S. Communities program, a nonprofit national purchasing cooperative developed by governmental agencies. Utilizing the pooled power of public agencies nationwide, the program lowers purchasing costs, while providing the quality of service and expertise for which Graybar is known.

Graybar provides electrical and telecommunications products through the U.S. Communities contract to:

- State Agencies
- Counties, Boroughs and Parishes
- Cities, Municipalities, Villages and Townships
- Dependent and Independent Special Districts (such as water departments)
- Public and Private Schools, including K-12, Community Colleges and Universities
- Non-Profit and Charitable Institutions
