

Advising Requirements

The following students are required to meet with an advisor before enrolling:

- Students who attend WSU straight from high school. Advising required before first and second semesters.
- Students who have not attended any college or university prior to WSU.
- Transfer students in their first semester at WSU
- Current WSU students who have changed their major
- Students on Academic Probation

In addition, the following colleges at Wichita State have specific requirements for undergraduate student advising:

College	Those Required to Meet with an Advisor
Liberal Arts and Sciences	Students in the Undecided LAS major
Engineering	All students
Fine Arts	All students
Health Professions	Students who have not yet reached junior standing and students who are in the Undecided HP major
Honors College	It is strongly recommended that you meet first with your major college academic advisor, but you are welcome to meet with Honors at any time. At least once per year, you should meet with your Honors advisor and especially as questions arise regarding your Honors curriculum.
