-  [WSU Custom Schedule Search](#)

Write down the CRNs (Course Reference Number – a five digit number assigned to a class) of the classes you wish to take. When it's time to register for classes, use the steps listed under **Add or Drop Classes** to register.

Course Dates, Times and Special Instructions

Some classes, such as workshops, may have special meeting dates. Certain lectures and labs are linked together. To determine the meeting dates or which labs and lectures are linked together, use **Look Up Classes** to locate a class. *Click the underlined CRN of a class to view important detailed information.*

Foundation Courses / 48 Hour Hold

All Foundation Course requirements of the General Education program must be completed with a “C-” or better grade, by undergraduates enrolled in a Wichita State University bachelor’s degree program within the first 48 credits earned toward their degree. The four required courses are: ENGL 101 and 102, COMM 111; and MATH 111, 112, 131, 211 or equivalent. Students who fail to complete foundation courses in a timely fashion as defined above shall not be permitted further enrollment at the University except for enrollment in the foundation courses. Your college may or may not count a current enrollment in these courses toward completion of the requirement. Only your college can release this hold.

Audit Credit

Students are permitted in credit courses on a non-credit basis with appropriate approval under an auditor classification. To be enrolled as an auditor, students must enroll in-person and pay the same fees as for credit courses at the university. Auditors may participate fully in the class and expect instructor evaluation of their work. Auditors are expected to attend class regularly. The audited course will appear on the transcript with the grade notation of AU. *Enrolling for AUDIT credit can only be done in person at the Registration Window, 102 Jardine Hall.*

Add or Drop Classes

You can change your schedule online any time during the add/drop period. See the calendar for add/drop deadlines.

Registration Add Error Messages

When adding classes you may get the message **Registration Add Errors**. *There can be more than one error message for the same CRN, but only one error message will display at a time per CRN.* Contact the department offering the course or your advisor for assistance with error messages.

Click for this icon to locate the WSU Help list and click Registration and then the **Registration Add Errors Glossary** for detailed information about Registration Add Error Messages.

Prerequisites

Many courses have a prerequisite – another course or courses that must be completed before that course can be taken. To determine if a course you want has a prerequisite, access your course in the online schedule and view the required prerequisites and course description.

Being enrolled in the prerequisite this semester allows you to enroll in the course next semester.

Only the department offering a course may waive (electronically) the required prerequisite.

Waitlisting

Some classes, when they fill up, offer a waitlist option.

Being on a waitlist does NOT guarantee that you will get into that course. If you are enrolled in one section of a course, you cannot waitlist another section.

See www.wichita.edu/waitlisting for more information.

Printing Your Schedule

There are three ways to print a class schedule. On the **myClasses** tab, locate the **View My Schedule** channel.

- [Concise Student Schedule](#) is the best layout to view your schedule.
- [Student Detail Schedule](#) shows details about your classes.
- [Week at a Glance](#) will display the current week's classes in a calendar format.

Click the **Print** icon on your Internet browser to print your schedule.

Payment Questions? (316) 978-3333
Or see www.wichita.edu/tuition

You are financially obligated to pay for any classes not dropped during the 100% refund period. Late Fees will be assessed after that date. The late payment fee is \$100 and can be charged twice a semester.

Registration

All registration and payment must be done on-line. For help with unique problems see the Advising Offices, Registrar's Office, Office of Financial Aid, or the Fee Payment Office. Some advising offices are open for appointments only on Monday and Tuesdays after 5:00 pm.

Monday-Tuesday 8:00 a.m. -6:00 p.m.
Wednesday-Friday 8:00 a.m. -5:00 p.m.

Offices are closed on major holidays.

You will need your Shocker ID Card or other photo identification to do business in-person.

Late Registration Deadlines for Full-Term Courses: (online)

See the online Semester Calendar at www.wichita.edu/schedule for last dates to:

- Enroll or add classes
- Change sections of the same course
- Drop a class with a 100% refund
- Drop a class and NOT have it appear on your record

Adding or dropping classes after 100% refund?

Avoid unnecessary charges! To access the step-by-step Add/Drop instructions, log on to *myWSU* and click the **Student Help** tab.

Exceptions to late registration deadlines: (*in-person with your Shocker ID or other photo identification to do business*)

- Beginning the fourth day of Summer or the second week of fall or spring – or its equivalent – instructor's signature is required on an add form, which must be brought to the Registrar's Office, 102 Jardine Hall.

Important NOTE: *Courses that are less than a full semester have different deadlines which are proportional to the length of the class. The deadline for 100% refund is also the deadline to enroll or add a class for that time period.*

Unpaid Fees: Students who leave Wichita State University without meeting their financial obligations to the University may have their records impounded by the Registrar. Transcripts or diplomas will not be released unless the accounts are cleared and they may not enroll for a new term unless all fees are paid.

Obtaining your Shocker ID card

All WSU students are required to have a WSU photo-identification card, called the Shocker Card. It is the only means by which you can utilize the following services: Ablah Library, Heskett Center, Athletic Ticket Office, Student Health Services, and the WSU Police Department. There is no fee for your first Shocker Card but if a card is lost or stolen, there is a replacement fee. Shocker Cards do not expire, therefore you do not need a new one each semester or each time you enroll. Advances in technology, however, may make replacement necessary, at no cost to the student.

If you have a Shocker Card that does not have your *myWSU* ID number, it is an outdated card. Please exchange your outdated Shocker Card for a new card at the Shocker Card Center.

If you are a new student enrolling for the first time at WSU, you may obtain your Shocker ID Card at the following locations: the Shocker Card Center in the Rhatigan Student Center, or the West Campus.

Shocker Cards cannot be issued at the South Campus.

To obtain a new Shocker Card you must be enrolled for the current semester and bring one of the following items to the Shocker Card location: current U.S. driver's license with photo or State of Kansas ID card, OR current passport with photo or photo ID from Immigration Services, OR military ID card with photo.

Senior Citizen Waiver and Enrollment

In accordance with Kansas Board of Regents policy, students who are at least 60 years of age may audit (no-credit) regular lecture or certain group activity courses without payment of tuition when there is space available and for which they meet the prerequisites. Senior Auditors must, however, pay any applicable facilities use fees, workshop fees, or lab/special course fees.

Prerequisites include admission to graduate school for graduate courses, and program admission for courses in which program admission is required of all students.

To receive the tuition fee waiver, Senior citizens must:

- Be admitted to the University before registering (this only needs to be done once)
- Register in-person at Jardine Hall, the South Campus, or at the West Campus on designated dates or later. See www.wichita.edu/schedule and click Semester Calendar.
- Present a Medicare card or driver's license to validate age.

Senior citizens who wish to receive college credit must pay full fees and must register following the steps for on-line registration.

Refund Policy and Deadlines

Partial or complete withdrawals require the student to drop each course online. Refunds will be credited to your account. Please note that the amount of the refund could be reduced by one or more of the following items if they apply to your situation: (a) a payment plan; (b) federal financial aid; (c) scholarships; or (d) third-party payments. In addition, fees such as the registration fee, facilities use fee and the down payment of the payment plan are nonrefundable.

Refunds will be issued by the Accounts Receivable Office; see their website for further details.

All refunds will be directly deposited to the bank account you have specified, or will be mailed to you by the Accounts Receivable Office.
