Step-by-Step Guide to Registration

Step 1: Prepare for Registration

- Be admitted to WSU. If you have any questions regarding your admission status, call Admissions at (316) 978-3085 or Graduate School at (316) 978-3095.

- Meet with your academic advisor and plan your schedule of classes. Traditional first time freshman students will begin the enrollment process for their first semester by submitting an RSVP for an Orientation program. Based on questions answered in the RSVP, a First-Year Advisor in OneStop will build their schedule and the student will be sent instructions to confirm that schedule. Traditional students who are not first-year Freshman: it is helpful to make a list of the times and courses you want before seeing your advisor. Include CRNs (Course Reference Numbers) when possible. See www.wichita.edu/schedule for a custom schedule search offering various filtering search options.

For Advising locations and phone numbers, please go to: www.wichita.edu/advising

- Obtain needed permission to enroll. All new degree-bound undergraduates, continuing undergraduates in Engineering and Fine Arts, all freshmen and sophomores in Health Professions and undecided students in Health Professions and Liberal Arts and Sciences, must obtain electronic approval from their college before registering. These permissions to enroll can be obtained from your academic advisor or college office. All international students must also get electronic permission from International Education.

- Know your registration timeline. On-line registration for Summer and Fall begins in April, and in November for Spring. Registration opens at 7:00 a.m. on the first day and proceeds per the schedule below. Your classification is based on the total number of credit hours you have completed at the time of registration.

Step 3: Register for Classes

Locate Registration Tools on the myClasses link on myWSU.

Write down the CRNs (Course Reference Number – a five digit number assigned to a class) of the classes you wish to take. When it’s time to register for classes, use the steps listed under Register/Add/Drop Classes.
Registration / Add / Drop Classes, Course Dates, Times and Special Instructions

Some classes, such as workshops, may have special meeting dates. Certain lectures and labs are linked together. To determine the meeting dates or which labs and lectures are linked together, go to Student Registration (Banner 9), use Browse Courses to locate a class. Click View Sections, and Title of course to view list of links to important class information.

Foundation Courses / 48 Hour Requirement

All Foundation Course requirements of the General Education program must be completed with a “C-” or better grade, by undergraduates enrolled in a Wichita State University bachelor’s degree program within the first 48 credits earned toward their degree. The four required courses are: ENGL 101 and 102, COMM 111; and MATH 111, 112, 131, 211 or equivalent.

Audit Credit

Students are permitted in credit courses on a non-credit basis with appropriate approval under an auditor classification. To be enrolled as an auditor, students must enroll in-person and pay the same fees as for credit courses at the university. Auditors may participate fully in the class and expect instructor evaluation of their work. Auditors are expected to attend class regularly. The audited course will appear on the transcript with the grade notation of AU. Enrolling for AUDIT credit can only be done in person at the Registration Window, 102 Jardine Hall.

Add or Drop Classes

You can change your schedule online any time during the add/drop period. See the calendar for add/drop deadlines.

- Drop a Class: Select the appropriate option from the Action drop down box on the Register for Classes page in the Summary box and click the Submit button.

NOTE: AFTER THE 100% REFUND PERIOD HAS ENDED, ALL DROP AND ADD TRANSACTIONS MUST BE SUBMITTED AT THE SAME TIME TO AVOID FINANCIAL PENALTY.

Registration Add Error Messages

When adding classes you may receive Errors appearing in detail immediately. There can be more than one error message for the same CRN. Contact the department offering the course or your advisor for assistance with error messages.

Click on this icon to locate the WSU Help list and click Registration and then the Registration Add Errors Glossary for detailed information about Registration Add Error Messages.

Prerequisites

Many courses have a prerequisite – another course or courses that must be completed before that course can be taken. To determine if a course you want has a prerequisite, access the course in the online schedule and view the required prerequisites and course description.

Being enrolled in the prerequisite this semester allows you to enroll in the course next semester. Only the department
offering a course may electronically waive the required prerequisite.

**Waitlisting**
Some classes, when they fill up, offer a waitlist option. Being on a waitlist does NOT guarantee that you will get into that course. If you are enrolled in one section of a course, you cannot waitlist another section. See www.wichita.edu/waitlisting for more information.

**Printing Your Schedule**
On the myClasses link, locate the View My Schedule channel.

Then click View Registration Information and Active Registrations.

Click the Print icon on the Class Schedule to print your schedule.

**Step 4: Pay for Classes**

Students must make payment arrangements by the deadline set by Financial Operations. Account information is available on-line. Bills will NOT be mailed. Holds are placed on accounts without payment arrangements.

- Click the myFinances link on myWSU.
- Click on Student Account Suite.

To learn more about the Student Account Suite, log on to myWSU and click the blue Help cube. Search for Student Account Suite.

**Registration**
All registration and payment must be done on-line. For help with unique problems see the Advising Offices, Registrar's Office, Office of Financial Aid, or the Accounts Receivable Office. Some advising offices are open for appointments only on Monday and Tuesdays after 5:00 pm.

**Late Registration Deadlines for Full-Term Courses: (online)**
See the online Semester Calendar at www.wichita.edu/schedule for last dates to:

- Enroll or add classes
- Change sections of the same course
- Drop a class with a 100% refund
- Drop a class and NOT have it appear on your record

**Adding or dropping classes after 100% refund?**
Avoid unnecessary charges! To access the step-by-step Add/Drop instructions, log on to myWSU and click the Student Help cube.

**Exceptions to late registration deadlines:** (in-person with your Shocker ID or other photo identification to do business)
- Beginning the fourth day of Summer or the second week of fall or spring – or its equivalent –instructor’s signature is required on an add form, which must be brought to the Registrar’s Office, 102 Jardine Hall.

**Important NOTE:** Courses that are less than a full semester have different deadlines which are proportional to the length of the class. The deadline for 100% refund is also the deadline to enroll or add a class for that time period.

**Unpaid Fees**
Students who leave Wichita State University without meeting their financial obligations to the University may have their records impounded by the Registrar. Transcripts or diplomas will not be released unless the accounts are cleared and they may not enroll for a new term unless all fees are paid.

**Obtaining your Shocker ID card**
All WSU students are required to have a WSU photo-identification card, called the Shocker Card. It is the only means by which you can utilize the following services: Ablah Library, Heskett Center, Athletic Ticket Office, Student Health Services, and the WSU Police Department. There is no fee for your first Shocker Card but if a card is lost or stolen, there is a replacement fee. Shocker Cards do not expire, therefore you

You are financially obligated to pay for any classes not dropped during the 100% refund period. Late Fees will be assessed after that date. The late payment fee is $100 and can be charged twice a semester.
do not need a new one each semester or each time you enroll. Advances in technology, however, may make replacement necessary, at no cost to the student.

If you have a Shocker Card that does not have your myWSU ID number, it is an outdated card. Please exchange your outdated Shocker Card for a new card at the Shocker Card Center.

If you are a new student enrolling for the first time at WSU, you may obtain your Shocker ID Card at the following locations: the Shocker Card Center in the Rhatigan Student Center, or at WSU West.

Shocker Cards cannot be issued at WSU South.

To obtain a new Shocker Card you must be enrolled for the current semester and bring one of the following items to the Shocker Card location: current U.S. driver's license with photo or State of Kansas ID card, OR current passport with photo or photo ID from Immigration Services, OR military ID card with photo.
