S = Standard level exam H = Higher level exam

*When the higher score is received on exams in Chinese, French, German, Greek, Italian, Japanese, Russian or Spanish, the credit for the lower score is also awarded.

** Math students who take the IB test but score below the level necessary for credit can be given placement in Math 243 or 344 upon recommendation of their high school teacher. Upon successful completion (C or better) of the first enrollment in the course, the student will be given retroactive credit for the prerequisite calculus course(s). For example, a student who successfully completes Math 243 will be given retroactive credit in Math 242. A student who is placed in Math 344 and successfully completes it will be given 10 hours of retroactive credit in Math 242 and 243.

*** This IB exam is only offered at the Standard Level.
