1. Click on the message to select it
2. Click Play Message
OR
1. Double click on a message

Message Window

After selecting Play Message or double clicking on a message, a new window will open.
In this new window the following options are present:
1. Play/replay the message
2. Delete the message
3. Close the message without deleting
4. Forward the message
Listen through Campus Phone

To listen to a message through phone:
1. In the message window, in the upper right corner, click on the computer image
2. Select Play/record through telephone: the icon will change to a picture of a telephone
3. A pop up window will appear, with the extension number listed
4. Click Call to send the message to the phone, then pick up the phone to listen to the message
5. There may be a prompt to enter the voicemail password first
Mobile listening is not an option that can be selected from this screen. However, if to listen to messages through a mobile phone, follow the directions in the last section: Access Voicemail by Phone.

**Forwarding Messages**

To forward a message:
1. On the Avaya home screen, select the message
2. Select Forward
3. A pop up window will appear
   a. In the “To:” space, type the full name of the person to receive the forward
   b. Then click on the button to the right to search
4. The name and extension will appear below the search field
5. Click Send to forward the message

There is also a Forward option in the Play Message popup window:

---

**PERSONAL GREETINGS**

To manage personal greetings:
1. Select Preferences
2. On the left menu, select Greetings
3. Record Name by selecting either the red circle (record from computer) or green phone (record from extension)
   a. If phone is selected, users will be asked to confirm the extension: when the phone rings, users will be prompted to enter the password
   b. Follow the voice prompts to record a greeting
4. Record Standard Greeting by selecting either the red circle (record from computer) or green phone (record from extension)
