

Career Workshops

ACE THE INTERVIEW

In this hands-on session, understand what to do before, during, and after an interview and understand how to best answer typical interview questions.

CAREER FAIR PREP

The Shocker Career Accelerator and other departments hold career fairs throughout the year to get students in front of employers. They can be intimidating and scary if you have never participated in one. We will cover preparation, what to expect during the event, the basics of networking with employers, and more.

CRACKING THE CAREER CODE

Not sure how to prepare while you are in college to get that dream job? Join us in Cracking the Career Code and determine what skills employers are looking for from new employees and how to develop them. We can help you identify and understand the eight career competencies and show you how to put them into action ON and OFF-campus and be a top candidate for that dream job.

DESIGN YOUR LIFE

Choosing a career path or a major can seem like a daunting task. In this workshop, we'll start with where you are and begin to define where you would like to go. We'll take initial stock of your interests, talents, skills, goals, problems you'd like to solve, and then focus on potential future paths!

HANDSHAKE LAB

Let us show you how to build a rich profile that helps you stand out when employers search for students. Use our tips and examples to make it easier to find the best jobs and internships. Students will need a Wi-Fi accessible laptop, netbook, or iPad to work on during the session. In this lab, you will access your profile and learn how to: filter and saving a job search; investigate new employers; beef up your profile, job, internship, and co-op searches; sign up for events; access the resource section.

JOB HUNTING LAB: BASIC TRAINING

Let's learn how employers hire so we'll know what they're looking for. Use that information to build a resume that passes a 10-second scan. Get tips on how to exhibit professionalism and why it matters during the interview! Join us in this essential training to help you launch your career management plan!

MEETING YOUR HANDSHAKE POTENTIAL

Attend this interactive session to learn how to navigate Handshake. Handshake is so much more than a job database; discover the potential in this powerful career management tool!

PROFESSIONALISM 101

Join the Shocker Career Accelerator as we focus on every aspect of being a true professional in the workplace, no matter what industry you choose. Get ready to discover tips for professional dress, the importance of a good work ethic, how to self-advocate, and more.

RESUME BUILDING

The resume is a crucial document in the job search process. Whether you are applying for a part/full-time position, on-campus employment, co-op/internship, graduate school admissions, research, fellowship, scholarships, or volunteer experience, you will need to develop and maintain a professional document to apply for these opportunities. Join this hands-on workshop to help you understand what information is required and the professional resume elements to pursue the perfect opportunity for your skill set.

VIRTUAL CAREER FAIR PREP AND PROFESSIONALISM

The Shocker Career Accelerator and other departments hold virtual career fairs throughout the year to get students in front of employers. They are different from in-person events. We cover preparation before the fair, what to expect during the event, the basics of networking with employers, and more.
