It Started With An Idea

On November 4, 2015, the 58th Session of the Student Government Association approved the formation of the Shocker Support Locker. The Locker opened its doors officially on February 1, 2016 in the Heskett Center.

Mission Statement

The Shocker Support Locker, through the ongoing generosity of the Wichita State community and community partners, seeks to empower Shockers along their journey at Wichita State University with temporary supplemental assistance. The Locker aims to alleviate food insecurity on campus and contribute to the overall health and well-being of our students, faculty, and staff, by providing a variety of nutritional and functional resources to Shockers at no cost.
