## **LETTER FROM THE ASSISTANT DEAN**

Dear Students, Faculty and Staff,

We are pleased to share with you this annual report for the academic year 2019-2020. We have had many successes and learning opportunities throughout the year and feel we have a quality department that focuses on student development and the promotion of a vibrant campus life at Wichita State. Over this past year, we have experienced many highlights and opportunities for growth. We saw Wichita State welcome a new President and dealt with the beginnings of a pandemic. Throughout this year we have experienced the ever-changing culture of campus and have worked to understand how we can better serve the students, departments and off-campus entities with which we work. This year we implemented new programs and services for all students including expansion of Strengths based leadership programming, rolling out our retention plan, hosting our first Transfer Student Social and welcoming the first Muslim interest sorority in Kansas. Beyond the new events and services, we continued valued traditions including Back to School Bash, Shocktoberfest, the Drag Show, Wu's Big Event and Elements Multimedia Art Competition.

This year was unique as we ended the year dealing with the pandemic, i.e. COVID-19. None of us fully expected how much this world-wide situation would affect our work and how we serve students. Within a couple weeks in March 2020 we went from planning for our usual events and several of our long-standing traditions, to cancelling all the events for the remainder of the semester. This included the 11th Annual Shock the Yard: Step Show, the Family Carnival, the 92<sup>nd</sup> Annual Hippodrome, the 38<sup>th</sup> Annual Exposure Photography Competition, the Toast and the Summer Leadership Institute. In total we cancelled over 50 events. Beyond cancelling events, we had to move quickly to set up staff to work remotely; making sure everyone had the technology and equipment they needed. For nine weeks, beginning in March and ending in May, we worked solely remotely. This presented some challenges and opportunities to the staff and to students. During this time, we planned and carried out a variety of virtual events, we found ways to keep connected to students and serve them remotely, while dealing with a certain amount of uncertainty and Zoom fatigue. Beyond this we were faced with, what we believe, will be the first round of budget cuts. While the last few months of the academic year brought uncertainty and stress, we stayed committed to serving students and helping them through this unprecedented time. As we reflect on this past year, we are grateful for the lessons we have learned, the opportunity we have to serve students and the vital role we play in creating a vibrant and innovative campus. We continue to stay true to our motto, "Turning Students Into Shockers."

IN SHOCKER SPIRIT,

*nancy LOOSE*

## **STUDENT INVOLVEMENT STAFF**

The staff members of Student Involvement act as resources to Wichita State University. The professional staff provide guidance and leadership to ten functional areas: Cadman Art Gallery, Student Involvement Events, Campus Traditions, Civic Engagement, Fraternity and Sorority Life, Leadership, Recognized Student Organizations, Alternative Breaks, Student Activities Council and Student Government Association. The staff is dedicated to creating a safe and educational environment for students to learn and grow. The graduate assistants and student employees of Student Involvement provide much needed support to the daily activities of the department.

In June of 2019 a new staff member started in the department, Loren Belew. She began work as the Coordinator of Civic Engagement with the primary responsibility of advising the Community Service Board. In May 2020, Kaley Archer was hired as the Coordinator of Marketing. With the implementation of the Higher Education Student Affairs program, we were excited to welcome several new graduate level staff this year. They have been a welcome and much needed addition to the department.

By the end of the year we had one full-time staff member leave, our Associate Director Chelsea Redger-Marquardt, as well as some of our student and graduate level staff.

As a staff, we spent the year focusing on how to better understand and implement diversity and inclusion within our department. We brought in staff from the Office of Diversity and Inclusion for several trainings. We also worked on becoming better trained in Crisis Management and have begun developing a more robust crisis management plan. Additionally, we reviewed our required training for all staff and recommitted to finding ways to help staff attend these trainings. We attended the following conferences (some staff were unable to attend conferences as they were cancelled because of the pandemic):

- ACPA Program Design School in Washington D.C (one staff)
- NACA Live Convention in Denver, CO (two staff, six students)
- NASPA Women's Leadership Institute at Amelia Island, FL (one staff)

## **AREA REPORTS**

### **Strategic Planning, Retention and Assessment (SPAR)**

#### **Strategic Plan**

In the summer of 2018, we finalized our next strategic plan. After it was completed, we split into three sub-groups to continue developing these goals and to work on the strategies. Each subcommittee met on a regular basis to accomplish their goal and then reported back to the remainder of the staff. We also began aligning our strategic plan to the Student Affairs plan that is in development.

#### **Department Goal 1: Create an over-arching and cohesive retention plan**

Strategy 1.1: Professional development session on the University Retention and SEM Plans and Progress (*completed by fall of 2018, ongoing*) - *Completed Fall 2019, Reviewed University Strategic Plan in Spring 2020.*

Strategy 1.2: Write a Student Involvement Retention Plan that aligns with Wichita State's Strategic Plan and Strategic Enrollment Plan (*created by summer of 2019, reviewed annually*) - *Retention Plan was finalized in Summer 2019. A retention committee was created and met regularly to review plan and move forward on initiatives.*

Strategy 1.3: Create and utilize existing assessment practices that track comprehensive impact on retention (*completed by fall 2019, ongoing*) - *Gathered persistence data from students who are coded and involved within Student Involvement. Began using the Student Success Collaborative to send messages to students and track their responses.*

#### **Department Goal 2: Expand StrengthsQuest based programs into Student Involvement areas and other entities across campus**

Strategy 2.1: Ensure that all SI Leaders take Strengths Finder (*completed spring 2019, ongoing*) - *Will continue offering this to SI Leaders within Student Involvement.*

Strategy 2.2: Continue to expand StrengthsQuest based programs to various colleges and departments (*completed spring 2021*) - *Currently working with Professional Edge in Business, Engineering groups and Student Success Leaders within Academic Areas. Will continue to build academic relationships through 2019-2020.*

Strategy 2.3: Develop an implementation and training program for facilitators and students after initial assessment (*Year 1 pilot with SI Leaders, Years 2 & 3 expand to campus*) - *Coordinator of Leadership Development has received 2 of 2 trainings. Certification completed in March 2019 (training 1) and Train the Trainer completed in June 2019 (training 2). Plans for development took place over Summer 2019 in preparation for the pilot.*

Strategy 2.4: Obtaining supplemental funding through grants, sponsors, donors (*ongoing*) - *Approved Leadership Assessment Fee to assist with cost and funding. Seeking opportunities for partnerships, sponsors, and donors. In progress.*

### **Department Goal 3: Create a career readiness curriculum for student leaders within Student Involvement**

Strategy 3.1: Evaluate current practices of learning and development for student leaders in different SI functional areas, combine resources, and pare down competencies to develop a universal curriculum (*by Spring Break 2019*) - *A survey was completed by all staff members to rank the NACA competencies and NACE career competencies most frequently taught as a result of their functional area as well as those which staff believed to be most important to overall student development and career readiness. As a result, eight themes were developed to be the basis of modules in the career readiness curriculum: 1. Critical Thinking & Problem Solving / 2. Teamwork & Collaboration / 3. Oral, Digital, & Written Communication / 4. Leadership Development / 5. Professionalism & Work Ethic / 6. Global & Intercultural Fluency / 7. Career Management / 8. Healthy & Satisfying Lifestyles.*

Strategy 3.2: Solidify the universal curriculum and develop an implementation guide for SI advisors as well as a competency interpretation guide (*by May 31, 2019*) *The working group was told to pause working on this goal due to University implementation of the REAL initiative.*

Strategy 3.3: Train staff on implementation of curriculum (*Summer 2019*)

Strategy 3.3: Implement the curriculum

- a. SI Student Leaders (*Fall 2019*)
- b. General Members (*Fall 2020*)
- c. Recognized Student Organization leaders (*Spring 2020*)

Strategy 3.4: Develop an assessment plan to evaluate the impact of the curriculum on student leaders' career readiness (*Assess and Analyze data by Summer 2020*)

### **Retention Plan**

In the summer of 2019, we finalized our first retention plan. After it was completed, we assembled a committee of 5 staff from different areas to continue developing our retention goals. The committee met on a regular basis to accomplish their goal and then reported back to the remainder of the staff. Within the division of Student Affairs, Student Involvement seeks to connect every student to a variety of involvement experiences.

### **Department Objective 1: Retention of Student Workers**

Strategy 1.1: Send congratulation notes with GPA calculators, for accomplishments, high GPA and academic improvement. *First congratulation notes were sent out to student workers in Fall 2019 and in Spring 2020.*

Strategy 1.2: Look at scholarships for student employees. (Fall 2021) (Discussion will occur Fall of 2020)

Strategy 1.3: Increase hourly pay for student workers. *(First raise occurred Fall 2019)*

### **Department Objective 2: Retention of Executive Board Members**

Strategy 2.1: Send congratulation notes with GPA calculators for accomplishments, high GPA and academic improvement. (Fall 2019) *First congratulation notes were sent out to Executive Board Members in Fall 2019 and in Spring 2020.*

Strategy 2.2: Send Academic Support Highlights to RSO advisors and all student leaders at the beginning, midterm and end of term each semester. (Fall 2019) *Academic Support Highlights were sent out to student leaders and RSO's through ShockerSync in Fall 2019 and Spring 2020.*

Strategy 2.3: Every Semester Obtain Demographic Information. *Demographic information was collected from student leaders and staff in Fall 2019 and Spring 2020.*

Strategy 2.4: Look at withdrawal form and analyze data. *Withdrawal form data was collected in Spring 2020.*

Strategy 2.5: Host weekly/bi-weekly study halls for student leaders. If bi-weekly, look for opposite week to do different program. (Implemented Fall/Spring 2021) *Discussion about study hall has taken place and the committee is planning to implement the study halls in Spring 2021.*

Strategy 2.6: Look at scholarships for Executive Board Members. (Fall 2021) (Discussions to occur in the Fall of 2020)

### **Department Objective 3: Retention of General Membership/Leadership Students**

Strategy 3.1: Every Semester, Get Demographic Information. *Demographic information was collected in Fall 2019 and Spring 2020.*

Strategy 3.2: Look at withdrawal form and analyze data. *Withdrawal data was collected in Spring 2020.*

### **Department Objective 4: Retention of Students in Student Organizations**

Strategy 4.1: Provide professional development.

Strategy 4.2: Online/Live Stream programs and initiatives. *Fall 2021 to provide first training(s) online.*

Strategy 4.2: Collect all available student organization rosters. *Implemented Fall 2019.*

Strategy 4.3: Send academic support highlights to all RSO advisors and student leaders at the beginning, midterm and end of term each semester. *Academic support highlights were sent out in both Fall 2019 and Spring 2020.*

### **Department Objective 5: Student Involvement Staff Initiatives**

Strategy 5.1: Hire graduate assistant to handle SPAR. (Fall 2019) *Hired.*

Strategy 5.2: Hire full time person to handle retention along with strategic planning, assessment and marketing. (Fall 2022 to fill the role)

Strategy 5.3: Work with OPA to get persistence data for students. *Has been implemented and ongoing.*

Strategy 5.4: Share our story in more ways. *First annual retention dashboard was created in Spring 2020, Captured student testimonials in Fall 2019 and rolling the testimonials out on social media in Spring 2020.*

Strategy 5.5: Create a transfer student reception in the fall and spring semesters to build engagement with transfer students and our student groups. (Spring 2020 and ongoing) *First Transfer Student Social was held in Spring 2020 and will be ongoing.*

Strategy 5.6: Improve customer service. *Discussion occurred in Spring 2020.*

### **SI Ambassadors**

The Student Involvement Ambassadors play an integral role in recruiting new Shockers to Wichita State, connecting current students to involvement opportunities, and celebrating the accomplishments of student leaders.

Student Leader	Role	Term
<b>Austin Bennett</b>	Ambassador Team Lead	January 2019 – May 2020
<b>Rose-Susie Amadi</b>	Ambassador	January 2020 – Present
<b>Marcus Ang</b>	Ambassador	January 2020 – Present
<b>Madison Davis</b>	Ambassador (Graduated)	January – December 2019
<b>Savannah Goodpasture</b>	Ambassador	August 2018 – May 2020

<b>Khan Le</b>	Ambassador	January 2020 – Present
<b>Isaac Tan</b>	Ambassador	August 2019 – May 2020
<b>Abbi Whisler</b>	Ambassador	January 2020 – Present

Each semester, the SI Ambassadors held an Open House that offered a firsthand look at opportunities to get involved on campus, get connect with leadership experiences and learn about the resources SI has to offer.

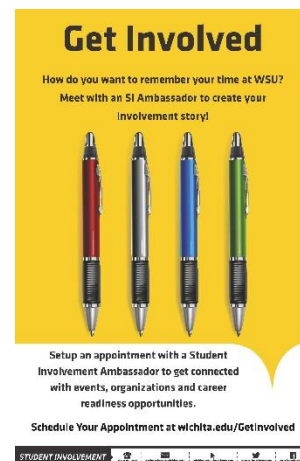

Over the year, the ambassadors advocated for Wichita State and Student Involvement at over 30 special events including Admissions sponsored recruitment days and new student orientations. The SI Ambassadors also began a recognition program celebrating the milestones of campus organizations which included attending the Improv Clubs first event, celebrating Chi Sigma Tau's first quesadilla fundraiser and congratulating Sigma Psi Zeta on their 5 years anniversary at Wichita State.

#### Program Highlights

Area of Focus	Number of Programs
<b>Prospective Students</b>	5
<b>Current Students</b>	9
<b>Student Org Recognition</b>	10

#### Get Involved

Get Involved – This pilot program encourages students to make an appointment with a Student Involvement Ambassador to discuss involvement opportunities. Students can request an appointment, faculty and staff can make a recommendation and students are referred through the CARE program. In this pilot program, more success was had through targeting faculty/staff and advisors for referrals. SI Ambassadors met one-on-one with 8 students over the spring semester, make recommendations for organizations and/or programs and served as an accountability partner to ensure follow through.

#### SI Marketing

Our continued goal of marketing Student Involvement is to increase recognition of the office as well as all our programs and initiatives. This year we continued to connect with campus partners to increase the knowledge of SI programs and services. In Fall 2019, 4,500 calendars were distributed, including an increase of 500 calendars due to the continued increase of on campus housing. In Spring 2020, 4,000 calendars were distributed. We continued to produce the Welcomefest brochure and coordinating marketing, adding an accessible downloadable version to our website.

The NEWSIE, Student Involvement newsletter, continued to be sent out on a weekly basis and highlighted various activities hosted by the department throughout the week. Additionally, SI programs are featured prominently in the RSC Happenings distributions and public events are advertised through Wichita 360.

As of May 15, 2020, the office had the following engagement on these platforms:

- Facebook: 2,115 Likes (people who see Student Involvement posts)

## Office Operations

### **Equipment Loan**

Student Involvement has a loan policy in place for equipment lent to departments and student groups or organizations. Those who checkout the equipment must complete the loan agreement form through ShockerSync at least six (6) business days in advance of their event and must follow specific guidelines relating to the equipment's use on campus. Please see Appendix II for the borrower's agreement.

### **Frequently Borrowed Equipment**

Student Involvement loans out a variety of equipment ranging from sound systems to board games. During FY20, we saw the following equipment requests processed in the office. The numbers below represent the most frequently requested items by departments and student organizations.

Equipment	Frequency of Use				
	Fall 2019	Spring 2020	FY20 Yearly Total	FY19 Yearly Total	Difference
<b>Auxiliary Cord</b>	17	0	17	12	5
<b>Corn hole Board Set</b>	7	1	8	10	-2
<b>Extension Cord</b>	16	2	18	6	12
<b>Large Sound System</b>	7	2	9	6	3
<b>Microphone</b>	18	1	19	23	-4
<b>Power Strip</b>	13	1	14	6	8
<b>Sandwich Board</b>	5	1	6	7	-1
<b>Small Sound System</b>	13	0	13	19	-6
<b>XLR Cable</b>	19	1	20	-	-

### **Equipment Request Frequency**

The equipment loan program supports the mission of Student Involvement by providing resources to the WSU Campus. During the past year a total of 69 requests were made for equipment by 35 different WSU departments and student organizations. The chart below represents the groups who made the most equipment requests during FY20.

Department/Organization	Number of Equipment Requests		
	Fall 2019	**Spring 2020	Yearly Total
<b>Asian Student Conference</b>	2	0	2
<b>Hispanic American Leadership Org.</b>	4	0	4
<b>International Education Department</b>	1	0	1
<b>International Student Union</b>	2	0	2
<b>Lambda Chi Alpha</b>	0	1	1

<b>Spectrum LGBTQ &amp; Allies</b>	0	2	2
<b>TRIO</b>	1	0	1
<b>Alpha Phi Alpha Fraternity, Inc..</b>	4	0	4

\*\*The number of equipment requests reported for Spring 2020 is considerably lower than in previous years because of the COVID-19 pandemic and the ability of student groups to hold events.

### Cadman Art Gallery

The Mission of the Wilson K. Cadman Art Gallery (The Cadman) is to promote understanding of visual art to the community while providing the students of Wichita State University a place to display their creative efforts and give them professional experience in organizing, curating and marketing an exhibition of their work.

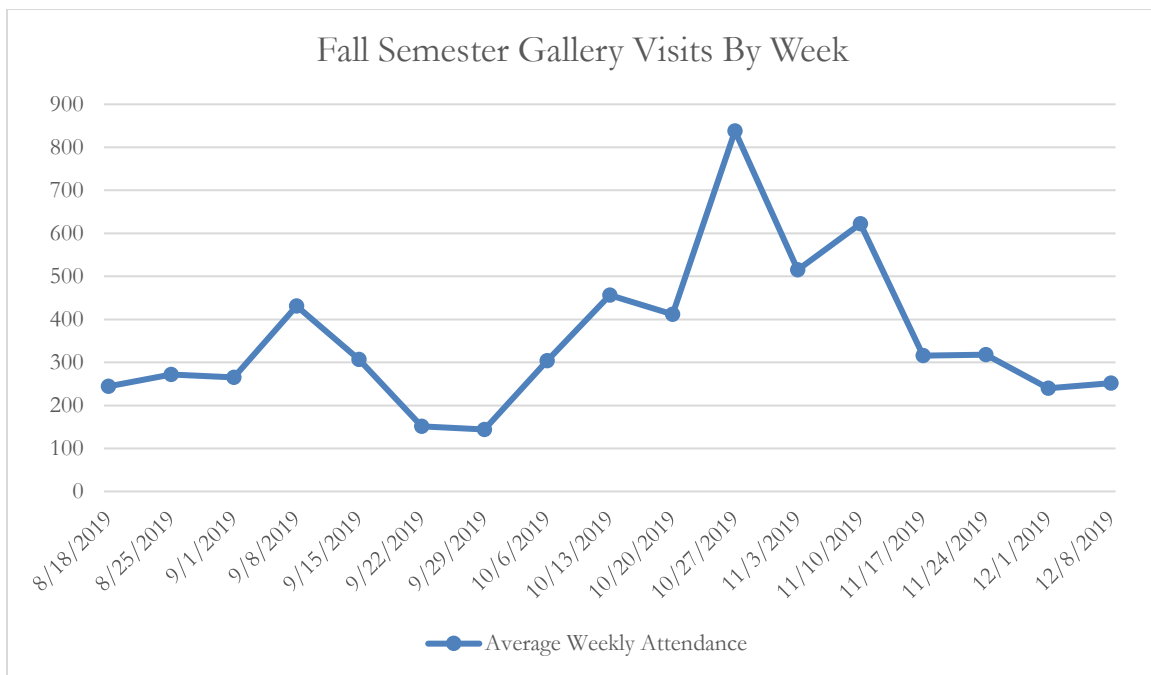

The Cadman Art Gallery is located on the 1<sup>st</sup> floor of the Rhatigan Student Center and is open throughout the week to all who choose to enter. The Cadman Art Gallery is a partnership between Student Involvement and the Rhatigan Student Center. The RSC has provided the space to Student Involvement in which they in return manage, keep work installed, provide a creative outlet for artists, and those wanting to view works of art. The Cadman is supervised by a full-time staff member of Student Involvement, is managed by a graduate assistant for the gallery, and maintenance and upkeep is provided by the staff of the RSC.

### Gallery Attendance

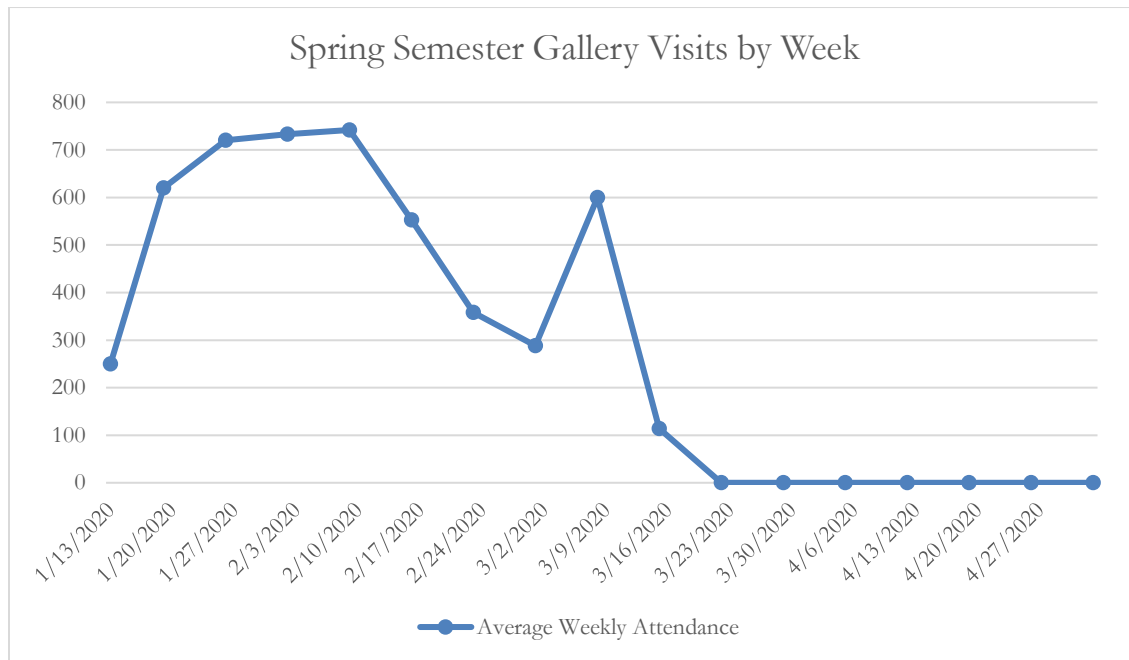

Attendance to the gallery is driven by viewer interest in subject matter, marketing surrounding the exhibit and the artist's impact of promotion. The number of visitors to the space is tracked through installed door counters that sense the number of times an individual enters and exits.

## Attendance, Fall Semester

The highest visited exhibit in the fall semester, not sponsored by the gallery, was the Cirque du SoLacey by Lacey Bailey, a returning adult student majoring in biology (pre-dental). Her multi-media art exhibit featured custom collages, paintings and photographs of her body art collection. On exhibit in the Main Gallery and Looking Glass Monday, October 28 - Friday, November 8, the exhibit welcomed over 1,000 visitors.

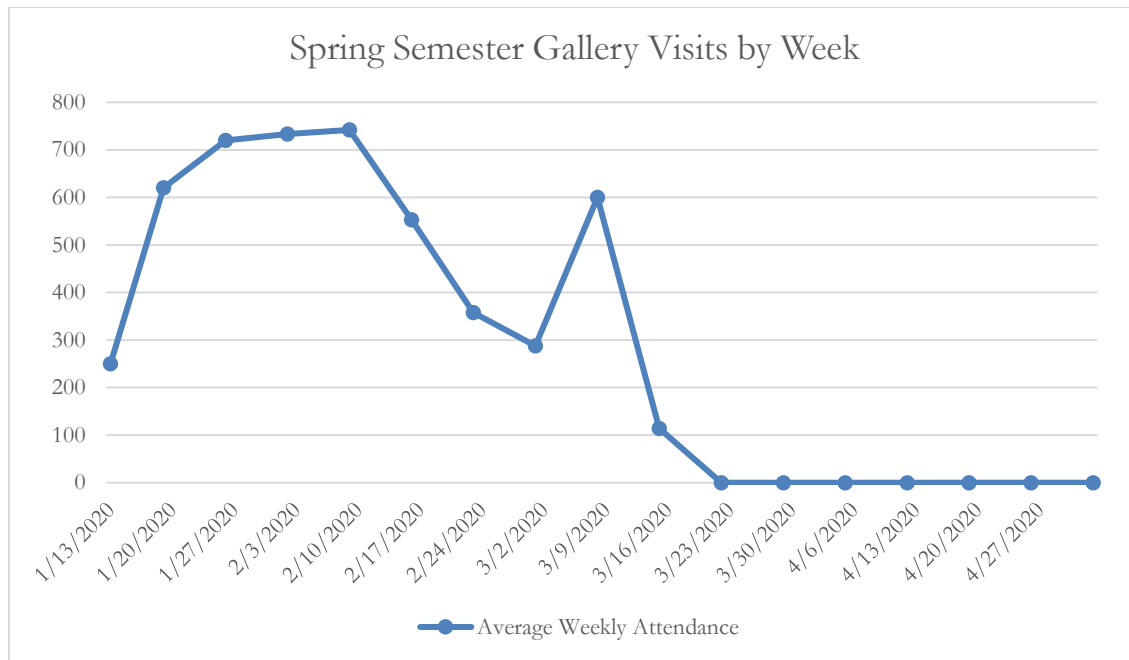

## Attendance, Spring Semester

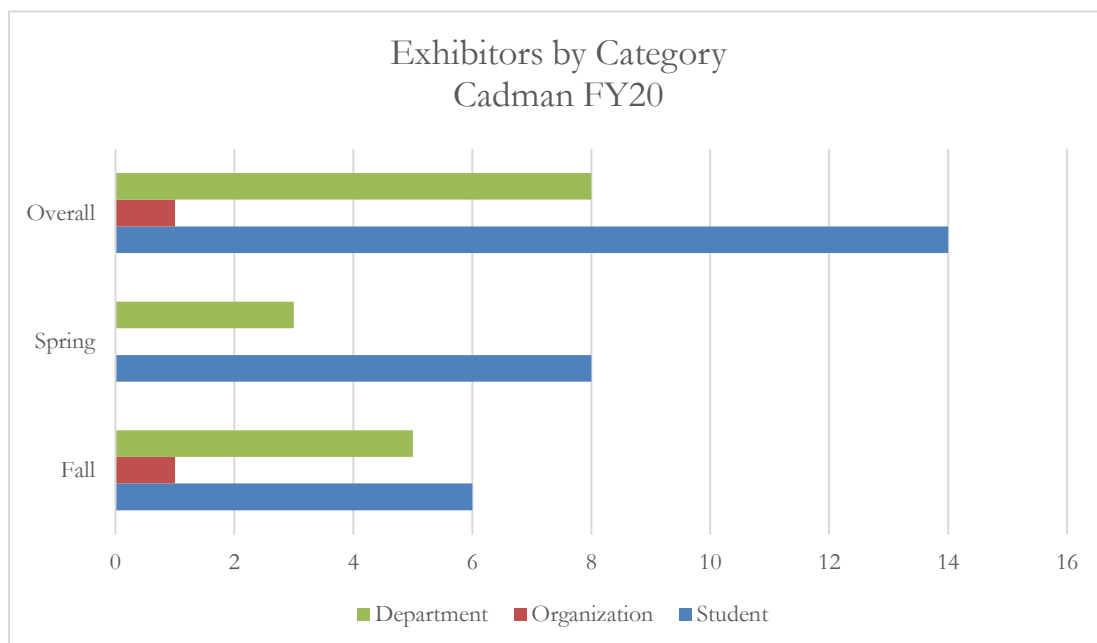

The highest visited exhibit in the spring semester was Art That Touches Your Heart, a curated exhibit celebrating the works of Black student and community artists. The collection of works was assembled by the Office of Diversity and Inclusion and the Art That Touches Your Heart Foundation with support from the Kansas Creative Arts Industries Commission and the National Endowment for the Arts. In addition, the exhibits, the ATTYH exhibit is accompanied a closing art fair “Celebrate Black Art” and features artists throughout the nation. The exhibit ran over two weeks, Monday, January 27 - Friday, February 7, and welcomed over 1400 visitors.

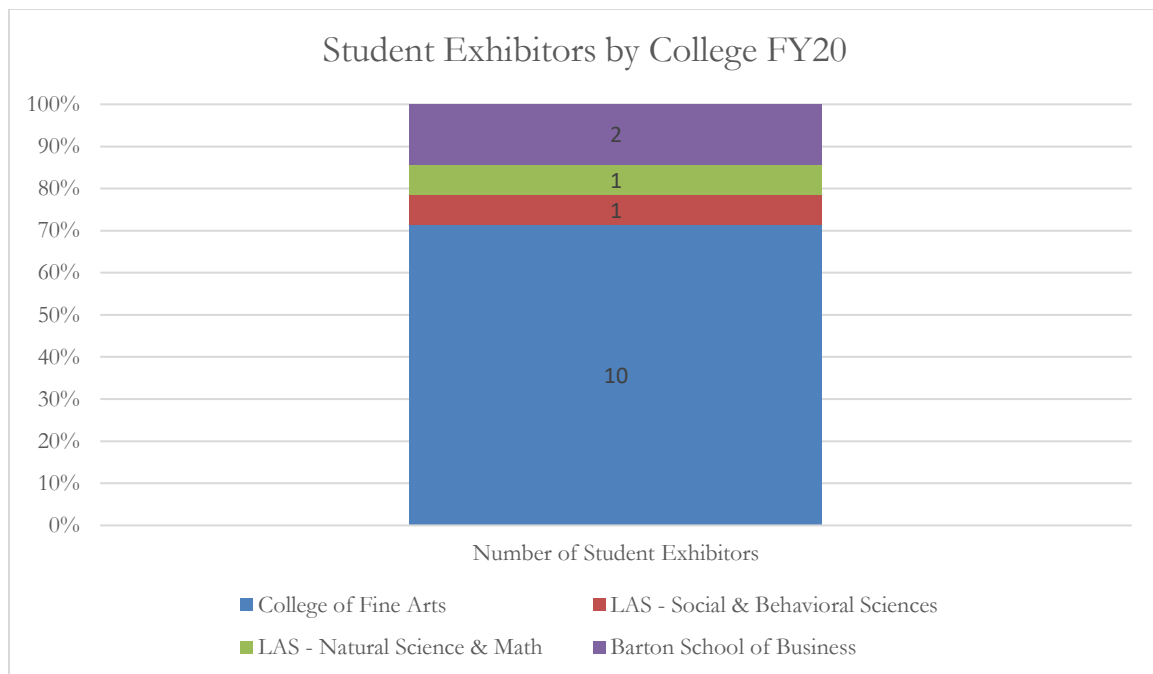

## Exhibitors 2019-2020

The Cadman Art Gallery is made up of two key exhibit spaces, the main gallery and exterior display known as the Looking Glass. Exhibitors wishing to display their works in the Cadman Art Gallery must apply, interview with a selection committee and present their exhibition proposal. Upon selection, each artist is given a minimum of two weeks to exhibit in the space offered to them. 18 applications from students, student organizations and departments were received over a period of two semesters. Including Cadman curated exhibits and with additional recruiting efforts, 24 exhibits were held in the Cadman FY20. Due to COVID-19, two of those exhibits were cancelled.

## Competitions

The Cadman Art Gallery hosts two competitions annually, Elements Multi-Media Art Competition (Fall) and the Exposure Photography Competition (Spring). Each competition accepts applicants from all academic colleges and gives hobbyists, young artists, and individuals with growing portfolios a great way to exhibit their art in a juried exhibit. Judges from the Wichita community are selected based on their medium and help to narrow down submission for exhibit, select winners and offer feedback to artists.

Elements Multi-Media Art Competition for fall 2019 accepted works in the categories of ceramics, drawing, mixed-media, painting and printmaking.

- 15 students applied
- 55 works submitted in five categories
- 15 student artists were selected to exhibit a total of 34 individual works

- Create event opportunities that correlate to the art being shown within the gallery space

### **SI Events**

#### **Back 2 School Bash**

Student Involvement hosted approximately 1,800 students at the 7<sup>h</sup> Annual Back 2 School Bash this year. We had 5 different sponsors at the event that contributed prizes, event space and monetary fund’s adding over \$3,000 for entertainment. Over 35 Wichita State staff and faculty members came out to volunteer at the event and welcome students back on campus.

#### **Family Weekend**

For the 3<sup>rd</sup> consecutive year, Family Weekend has shown growth. After returning in 2017, from a year break, Family Weekend has resulted in a higher attendance rate from students and family members.

	Total Registrants	Family Members	Registered Students
2019	462	323	139
2018	347	264	83
2017	172	98	74

This year's Family Weekend coincided with the University's official Open House and expanded program opportunities for family's campus wide. New programs included Sip & See at Braeburn Square hosted by the president's office, an immersive virtual reality vehicle sponsored by WSU Tech and open houses sponsored by academic colleges.

### The Toast

A collaboration between Student Involvement, Student Affairs and Alumni Association, The Toast offers all students an opportunity to celebrate their accomplishment of becoming a graduate surrounded by friends and family. The first celebration was hosted in May of 2018, this previous year included two versions of the event hosting one in December in addition to May.

2020 would have been the 92<sup>nd</sup> annual Hippodrome Skit & Variety Show Competition. This cancellation was only the second cancellation of the program. The first event cancellation was in response to troops being enlisted in World War II.

## **Civic Engagement**

Civic Engagement is a term incorporating civic-minded activities. It can be defined as any individual or collective effort to support the needs of a community through intentional outreach programs or initiatives.

<b>Community Service</b>	<b>Deliberate Dialogue</b>	<b>Community Partnerships</b>	<b>Activism</b>	<b>Philanthropy</b>	<b>Service-Learning</b>
Donating time and energy for the benefit of other people in the community as a social responsibility rather than for any financial reward. May be one-time or on going to a community in need.	Facilitates better communication, relationships and understanding between persons or groups through workshops, seminars and town hall meetings.	Collaborating with community groups to promote a better community.	Action or involvement to accomplish a goal or bring attention to a certain issue. Get out the Vote Drives, Reducing Gang Violence walks, social justice, and demonstrations.	Increase the well-being of humankind, by charitable aid or donation.	Service-Learning at Wichita State University is an experiential learning method that integrates community service with instruction and reflection to improve student civic-mindedness and build community capacity.

### **Highlights**

CSB entered into a fifth year of partnerships with the Lord's Diner and the Kansas Food Bank Warehouse. This was the third year that CSB also collaborated with The Boys and Girls Club of South-Central Kansas and Larksfield Place as part of a series program.

This year the Community Service Board conducted a pilot program with the United Way of the Plains to host "Give Back Days at GIV Warehouse." During these service events, students were given an opportunity to volunteer at the United Way- GIV Warehouse. In May, the CSB Executive Board voted to add this service site as a regularly occurring event to the CSB's volunteer schedule for the upcoming school year and created a new cause committee around this service event focused on sustainability.

Wu's Big Event celebrated its 12<sup>th</sup> year of volunteer events. During the fall semester, 260 students participated in Wu's Big Event XI and volunteered at eight different organizations across Wichita. In February, Wu's Big Event XII had a record number of 178 participants and volunteered with six different organizations across Wichita.

Membership Meetings were held weekly on Thursday afternoons in the Rhatigan Student Center. All meetings were open to students, staff and faculty. During these meetings students and participants were given an opportunity to hear from community partners, participate in service opportunities and tour local nonprofit organizations. During the 2019-2020 school year CSB was able to partner with the following organizations for membership meetings; the Robert J. Dole VA Medical Center, Trees

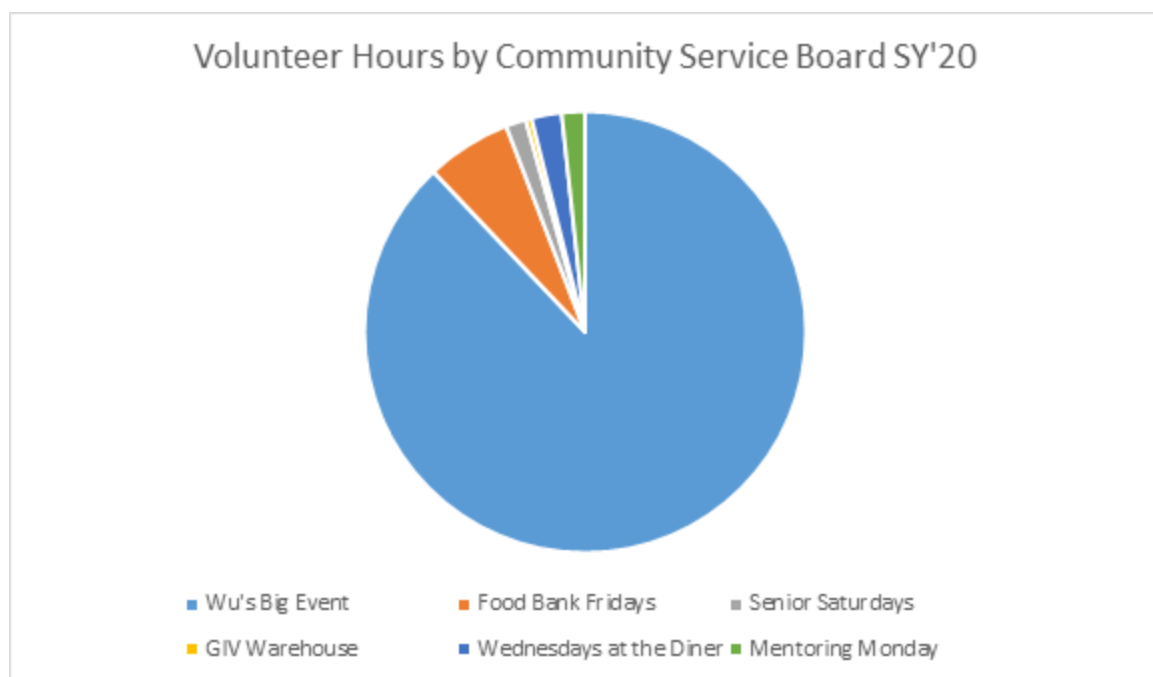

for Life, The Salvation Army, HumanKind Ministries, Assistance League of Wichita, Kansas Humane Society, the Ronald McDonald House and Partners for Wichita.

### VolunteerICT

This website was paired with the United Way of the Plains' Volunteer Center to allow community partners to share information with Greater Wichita and WSU users simultaneously, while also providing a platform to capture info about how the WSU community volunteers. This website allows users to find volunteer opportunities from 191 community partners and record their service hours in a volunteer resume.

### Fraternity and Sorority Life

#### Notable Changes and Highlights

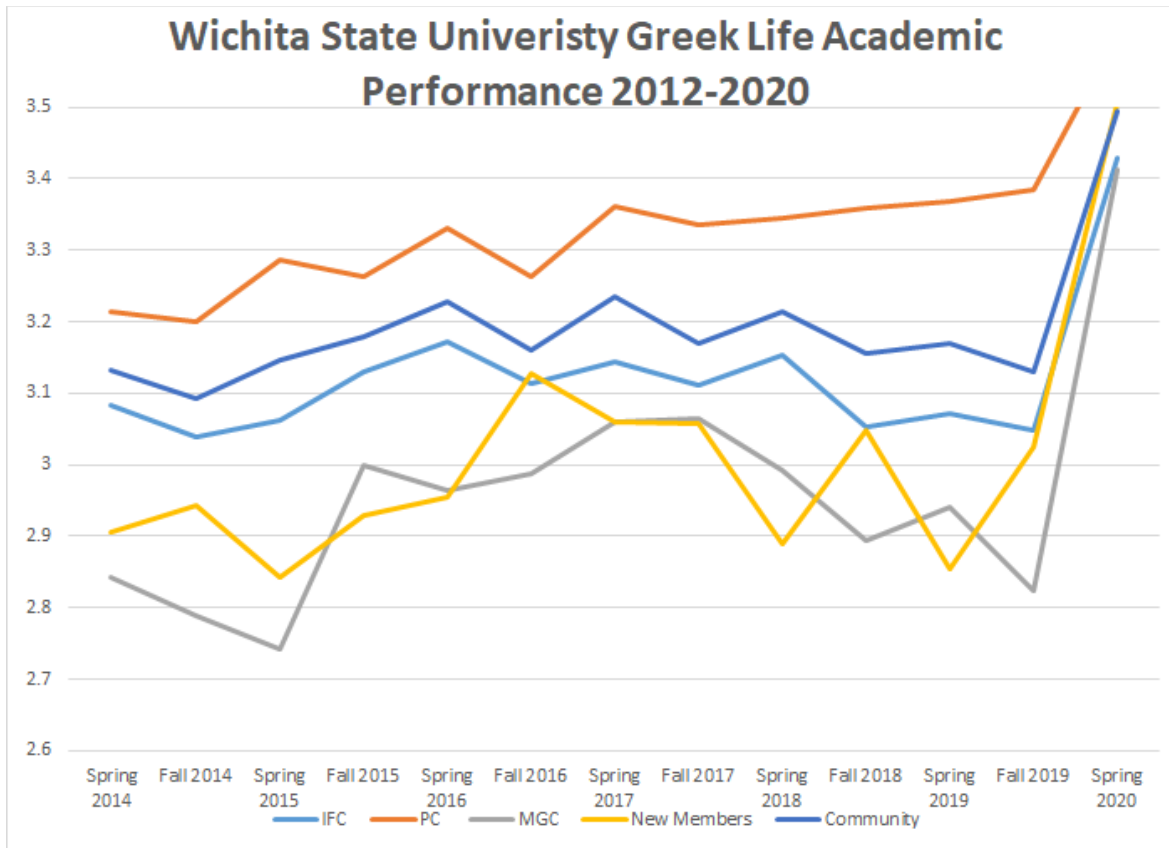

- Fraternity and Sorority Life (FSL)
  - Victor Cimino resigned from his position in July 2019.
  - Rani Somers, Coordinator of Fraternity and Sorority Life, took over advising of the Interfraternity Council and the Multicultural Greek Council.
  - Randi Beggs, Coordinator of Student Activities, took over advising of the Panhellenic Council.
  - Maggi Hole, Graduate Assistant for Student Organizations, assisted with general programs and took over advising of the Greek Relations Committee.
  - The COVID-19 pandemic caused us to cancel a wide variety of programs starting in March 2020.
  - There was a bias incident in September 2019 involving Beta Theta Pi and Sigma Lambda Beta. While this incident was hurtful to many people, incredible dialogue, reflection and ideas were created to better the Greek community.
- Interfraternity Council (IFC)
  - The council started taking grades more seriously by being stricter with their minimum grade point average and hosted study tables in Fall 2019.
  - Beta Theta Pi was suspended in October 2018 due to conduct violations. The suspension was set to go through the end of May 2019. Beta Theta Pi violated their suspension in May 2019 and received a new suspension through May 2020. They appealed that decision and their appeal was granted. Their suspension was lifted in August 2019.
  - Interfraternity Council, Executive Board was restructured to seven positions.

- The Multicultural Greek Council (MGC)
  - Mu Delta Alpha Sorority, Inc. was established in October 2019 as the first Muslim-Greek organization in the state of Kansas (Delta Chapter) with seven founders.
  - The Chi Chapter of Sigma Gamma Rho Sorority, Inc returned to campus in November 2019 with three members.
  - The council started a partnership with Wichita North High School for youth outreach. Members of the council will be tutoring and assisting with senior projects as mentors.
  - The 11<sup>th</sup> Annual Shock the Yard Step Show was cancelled due to COVID-19.
  - Omega Psi Phi Fraternity, Inc. was put on a national moratorium in March 2019. This moratorium did not end until December 2019, which is when our one member graduated. The chapter is currently inactive.
- Panhellenic Council (PC)
  - All chapters achieved campus total for the first time since Kappa Kappa Gamma was brought to campus.
  - Almost every chapter engaged in the Continuous Open Bidding (COB) process to maintain our community size throughout the academic year.
  - The council held a community mixer and suicide prevention training specifically for the PC community which was widely attended by members of all chapters.
  - Due to COVID-19, the council is exploring the possibility of a hybrid virtual/in-person formal recruitment process.

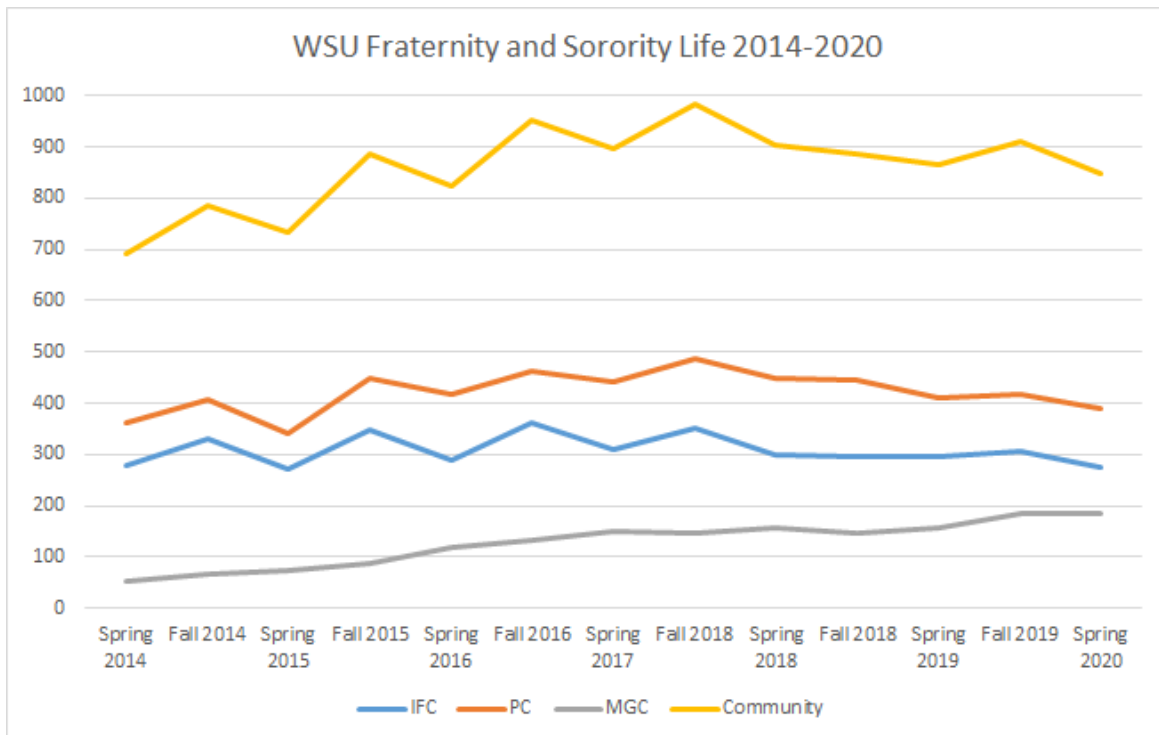

#### Highlights of Fraternity and Sorority Life by Numbers:

- Number of organizations: Fall 26, Spring 25
- Number of interest groups: 0
- Number of members: Fall 909, Spring 853
- Number of monies raised for philanthropies: Fall \$63,000.00, Spring \$54,000.00
- Number of service hours completed: Fall 15,000, Spring 12,000

## Programs

### Order of Omega

- Fall 2019 Initiates: 33

### Interfraternity Council Events

- IFC Informational: Hosted during the first week of school. IFC purchased food for participants and had organizations table to encourage recruitment.
- Walk-a-Mile: IFC continued their partnership with the Student Activities Council on this event. This event was held on August 28 to raise awareness for sexual assault and sexual violence. The main speaker for the event was from Wichita Area Sexual Assault Center (WASAC) who gave information about sexual assault statistics and information on college campuses. The event ended with a one-mile walk around Perimeter Road on campus.

- Neighborhood Cleanup: Hosted in October, members from the IFC community came together to clean up the Fairmount Neighborhood. Attendance was low, with around 15 participants.
- IFC Mixer: Held in November at the Wichita Sports Forum, IFC paid for around 20 individuals to have unlimited games, including bounce, basketball and volleyball.
- IFC Philanthropy Event: IFC was planning on partnering with the Wichita Food Bank Warehouse for a philanthropy event in March but was cancelled due to COVID-19.

### Multicultural Greek Council Events

The Multicultural Greek Council started the year by establishing a council outreach program through the USD 259 School district, specifically at Wichita North High School. Outreach will be included serving as mentors for Senior Assignments at Wichita North High School.

- MGC Informational: Held on August 26, 2019 for the Fall semester and on January 28, 2019 for the Spring semester. Both events were held in the RSC Beggs Ballroom. The Informational saw a steady participation from prospective members, with the Fall event being more heavily attended. Prospective members were able to hear from each chapter and chapters were set up in founding order with their own publicity table.
- Yard Show: Held on August 29, the Yard Show took place on the RSC North Patio. Music was turned on before the event and the program was run by staff and the MGC Executive Board. Each chapter had 5 minutes to do a step and/or a stroll and share information about themselves. Multiple chapters were unable to participate due to members being in class.
- Hump Day: Hump Day was supposed to be held on April 1, 2020. The same day, Wichita North High School was hosting a Tri-fold Night for their seniors to help them with making supplies for their project presentation. As MGC had adopted the school for an outreach program, the council decided to cancel Hump Day and attend the tri-fold night instead. The event was cancelled due to COVID-19.
- MGC Sweethearts Fundraiser: Held in February as a fundraiser for the council. Each chapter could select a candidate to represent them as their “sweetheart.” The council tabled and collected donations and whoever raised the most amount of money (fraternity winner and sorority winner) was crowned the MGC Sweetheart. The fundraiser raised over \$1,400 for the council.
- Hygiene Drive: Current Executive Board did not feel as though it was necessary to host this event.
- 11<sup>th</sup> Annual Shock the Yard Step Show: Cancelled due to COVID-19 but would have been held on April 25, 2020 at Koch Arena.

### Panhellenic Council Events

- Formal Recruitment: Held August 10-14, 2019. After positive feedback from University Administration, chapter members, and PNMs this event was again held prior to the first day of classes to promote academic success during week one of the school year. PNMs were

given the option to move into University Housing on August 9th at no extra charge. Numbers were slightly lower than the year prior due to some struggles with marketing to newly admitted students.

- Pearls & PC: Held on September 8 in Hubbard Hall. All Panhellenic new members were invited to attend to reconnect with their RC groups and to learn more about the Fraternity and Sorority Life community at Wichita State. Members spent time eating snacks, playing games, and getting to know each other. Members listened to presentations from the Director of Service about how to get involved with our national philanthropy, Circle of Sisterhood, and from the Panhellenic Advisor who presented about Student Involvement, the Fraternity and Sorority Life Team, IFC, MGC, and Hazing.
- PC Mixer: Hosted on September 26, all women in the Panhellenic were invited to a mixer on Omega Court and were invited to participate in a craft and enjoy snacks and each other's company. Nearly 100 women attended and decorated mugs together.
- Circle of Sisterhood Week: Starting on September 30 and ending on October 4, this week featured a variety of events promoting the council philanthropy, Circle of Sisterhood. Monday featured a give back night at Panera Bread to raise funds for a donation to the philanthropy. Tuesday featured a documentary screening of *Half the Sky*, which discusses how the philanthropy benefits the education of young women and girls. Wednesday featured a Suicide Prevention Training which was attended by 70 women in the community. The week wrapped up on Thursday with a movie and popcorn party for the community at Delta

Delta Delta. T-Shirts promoting the council were also sold and the proceeds were donated to Circle of Sisterhood.

- Scholarship Celebration: Held on February 10 in the Beggs Ballroom. The Panhellenic Council recognized the academic achievements of the women in all five of our chapters and each chapter had the opportunity to recognize individual members for their achievements along with chapter specific awards. All women in the community with a 3.5 GPA and above were invited to attend. Total attendance was around 150 people.
  - Highest New Member GPA: Gamma Phi Beta
  - Highest Active Member GPA: Gamma Phi Beta
  - Highest Overall Member GPA: Gamma Phi Beta
  - Most Improved: Alpha Phi
- Postgrad & PC: This event was cancelled due to COVID-19. However, the Council still wanted to find a way to recognize and appreciate our graduating seniors so they sent a care package including a bracelet engraved with the coordinates of their chapter facility which served as “home” for so many of our graduates during their membership, 82 women in total.

### **Community Events**

- President and Advisor Training: Held on August 24 and January 25. The Fall training featured a full schedule that included updating the community on our Fraternity and Sorority Life growth plan, new advising structure, PCI Compliance, ShockerSync 101 and ended with teambuilders and planning session for the upcoming semester with chapter presidents and council presidents. The January event was originally scheduled for January 19 but had to be rescheduled due to large amounts of snow the night before. The January training included the new FSL Vision and statistics, and presentations from the Office of Institutional Equity and Compliance, Student Conduct and Community Standards and the CARE Team.
- New Member Greek Academy: Held on September 22 (Hubbard Hall) and February 23 (RSC Beggs Ballroom, both in the Beggs Ballroom. The event included a history of Greek Life, facilitated icebreakers, a council president’s panel discussion, had a presentation of values-based organizations and put our values into action with the “Who Killed Jane Doe?” activity. We also added a session on diversity and inclusion, hosted by Danielle Johnson from the Office of Diversity and Inclusion.
- Greek Retreat: Held October 11-13 at Camp Hiawatha in Park City, Kansas. 36 Greek students of varying ages participated in Greek Retreat over fall break at Camp Hiawatha. The curriculum was based on the Kansas Leadership Center’s teaching on leadership and adaptive challenges. Participants explored adaptive challenges through the lens of Fraternity and Sorority Life by attending sessions that focused on the four leadership competencies: diagnose situation, manage self, energize others and intervene skillfully. The conversation was tied around the idea of Greek unity and how to build upon that unity over time. Additionally, the students participated in a high ropes and low ropes course. The students developed their leadership skills, but most importantly grew a tight-knit bond of Greek unity that remained in place the rest of the academic year.

- The Greek Games: Held November 13, this all Greek mixer was a time for members of all councils to get together for dinner and dessert and to play games and be in community with one another prior to Thanksgiving Break and Finals.
- HIStory: Not held in 2020.
- Kallistei: Cancelled due to COVID-19.
- Chapter Exec Board Think Tank: This event was held on February 8 and was new this year. It was developed to help bridge gaps between councils, share ideas across common executive board positions, and create space for conversation and goal setting toward a more inclusive Greek community.
- Annual Greek Awards: Interviews for Greek Awards were held on February 14-16<sup>th</sup>. Greek Awards was hosted on March 9<sup>th</sup> at the WSU Metroplex. There were over 500 people in attendance at the ceremony.
- Greek Unity Week: Cancelled due to COVID-19.

### Rhatigan Legacy Award

2019 was the first year that the Rhatigan Standards of Excellence chapter accreditation program was implemented. Each chapter had one year to accomplish required benchmarks within 6 categories: Academic Achievement, Internal Relations, Leadership, Philanthropy & Service, Member Development, Recruitment & Retention, and Safety & Wellness. Chapters were asked to put together binders to show their completion of these benchmarks and were scored based on the evidence provided. Chapters achieving approximately 60% of the available points were placed in the gold level and were eligible to interview for the Chapter of the Year Award. The following chapters achieved gold level:

Alpha Phi	Sigma Lambda Beta International Fraternity, Inc.
Delta Delta Delta	Lambda Pi Upsilon Sorority, Latinas Poderosas Unidas, Inc.
Delta Gamma	Chi Sigma Tau National Fraternity, Inc.
Gamma Phi Beta	Delta Upsilon
Kappa Gamma	Farmhouse
Alpha Phi Alpha Fraternity, Inc.	Phi Delta Theta
Kappa Delta Chi Sorority, Inc.	Sigma Alpha Epsilon
Sigma Psi Zeta Sorority, Inc.	

### Leadership

The growth in participation in leadership programs confirmed the students' interest and commitment to formal leadership opportunities at WSU. This included offering programs that students could earn academic credit for by officially registering and completing coursework. Those students who earned credit for completing the program could apply those credits towards the Undergraduate Leadership Certificate. In the 2019-2020 academic year, the following programs were offered.

### Emerging Leaders Program

Emerging Leaders is a unique opportunity for first year students at WSU to get on the fast track to student leadership, campus and community involvement. Students who participate in the Emerging Leaders Program receive an insider's perspective on Student Involvement at WSU. Throughout the program, students had an opportunity to develop their leadership abilities through workshops, activities and reflection in order to prepare them for future leadership experience at WSU and beyond. In the past, students were paired with graduates of program who served as mentors. Due to

low application numbers over the last year, we did not have mentors this year. We had 17 students participate and complete in the program with eight receiving academic credit.

### Engaging Leaders Program

The Engaging Leaders Program offers students the unique opportunity to explore, discuss and analyze various professional fields directed by executive officials from different companies, corporations and industries throughout the Wichita area. The program introduces participants to those leadership skills that rising leaders should possess and consider when choosing a career path. The program provides for visits to various city facilities, exposure to different philosophies, styles of leadership and gives participants a chance to assemble facts, evaluate options and become more comfortable with the transition from the classroom to the boardroom.

11 students completed the program visiting seven different leaders/sites, four of those participants received academic credit. These sites included:

- Stacy Ward – Hopping Gnome Brewery
- Robert Layton/Wichita City Manager
- Jason Desai with Wesley Medical Center
- Chi Bolander – Meritrust Credit Union
- Thane Chastain - Kansas Leadership Center
- George Sorenson – Steve Clark YMCA
- Spirit Aerosystems

### Evolving Leaders Program

The Evolving Leaders Program is for returning students to WSU who are looking to expand upon their leadership skills and abilities. The new curriculum featured five different leadership inventories/assessments including CliftonStrengths, True Colors, Myers Briggs and Leadership Style Assessment, and a newly introduced assessment called the Professional DynaMetric Programs - PDP ProScan. In addition to these inventories, we included Emotional Intelligence and the Enneagram. The program was administered over an eight-week time period in the Spring Semester, a recent change, and hosted on Fridays based on past participant feedback. 15 students completed the program this year with two receiving academic credit.

COVID-19 hit right in the middle of the program, forcing us to transition the entire program into a virtual format. This came with its own set of challenges, but ultimately, we were able to finish the program strong via Zoom.

### Leadership Book Club

The Leadership Book Club began in the fall of 2015 with the goal of 10 participants. Since its beginning, it has been a program that faculty, staff and students look forward to and get excited about. The club read “Dare to Lead” by *Brene Brown* during the Fall semester with approximately 30 participants registering.

Based on feedback, we did not do a virtual offering in the Fall. Data is also suggesting that staff are predominantly registering and attending this program, with minimal participation and engagement from students.

We began a discussion with the office of First Year Programs and agreed to designate the fall semester book club to focus on the selected Common Read title. We offered the 2019-2020 Common Read title, *Design Your Life* for the Spring 2020 offering. Due to low registration numbers (<6), we ultimately had to cancel this offering.

### WSU Student of the Year

The WSU Student of the Year Scholarship, formerly known as the Man and Woman of the Year Scholarship, is awarded to two outstanding students who have shown exemplary leadership, involvement and service to both the WSU and Wichita communities. Candidates had to meet the following requirements: must have at least a 3.0 cumulative G.P.A., must be currently enrolled in at least six credit hours at WSU, and must have completed at least 60 hours with at least 30 hours from WSU. We received 106 applicants, our highest number of applications to-date. Each completed application included responses to essay questions, a resume and a letter of recommendation. Up to 20 selected applicants interviewed with a panel of faculty and staff who determined the top eight finalists. Finalists gave a 10-minute presentation on their strengths based on the Clifton StrengthsFinder to demonstrate how they would live out the rest of the academic year as a leader and impact they hope to have on campus and in the community. The finalists were honored at a banquet as well as at Songfest during Shocktoberfest.

### The Summer Leadership Institute (SLI)

Unfortunately, due to COVID-19 and the stay at home orders, we had to cancel this year's SLI.

### The LeaderShape® Institute™

This is our second year of re-offering the Institute by LeaderShape to the WSU campus!!! LeaderShape is a 6-day experience that challenges participants to lead with integrity. This nationally recognized organization facilitates participants through a series of dynamic, challenging, and exciting sessions designed to increase, develop, and launch the leadership capacity of students. This experience not only benefits them individually, but professionally and the communities/organizations they go on to lead and serve in the future. Participants cultivate leadership skills, reflect, and discuss leadership lessons within a small cohort or cluster of students. This year, 74 students applied and 51 completed the institute. Four students completed for academic credit.

Two students stepped into the leadership roles of the on-site coordinator positions: Skyler Russell and Tina Nguyen.

### WSU Graduate Student of the Year

Before the stay at home orders, we were able to offer our second annual WSU Graduate Student of the Year scholarship competition. Before this competition was formed, the applicants would apply to be selected and were awarded the title of Graduate Leader of the Year and a \$500 scholarship. They would then be recognized at the Annual Shocker Leadership Awards held in the spring semester. As we pulled it out to create a more robust competition, we added a second round to the competition and increased the scholarship amounts to \$1,000 for the winner and \$500 for the remaining finalists.

In its second year, we received 28 applicants. The top 10 moved onto the second round, which consisted of an interview and short presentation. From this round, six finalists were identified, honored with a Luncheon where the winner announced.

### ShockerStrengths

We continued to pilot our ShockerStrengths initiative. Student Involvement was able to pilot and implement a new program initiative surround Clifton StrengthsFinder. We continued to offer the inventory and our modules to target audiences including Honors First Year Seminars, Student Involvement Executive Teams, PASS (formally known as the Multicultural Student Mentor Program), and other departmental organizations. This year we were successful in establishing partnerships with other departments on campus including Housing and Residence Life, Professional Edge and Engineering Mentors. In the 2019-2020 academic year we serviced the following groups and numbers of students:

Group/Organization	# of Students
PASS	47
LLC	237
ShockerStrong	1
CAPS	5
SA Ambassadors Training	58
Shocker Leaders Unite	44
Evolving Leaders	30
SGA	1
SI Leaders Retreat	12
SAC Member Retreat	9

Academic Affairs	
Academic Courses	95
Professional Edge	92
Academic Affairs – Student Success	104
Strengths Speaker Inventory	1
Engineering Council	14
<b>TOTAL:</b>	<b>750</b>

In addition to these inventories, we were able to do a community program with the KSU Extension Office. Most of these inventories were completed, and modules facilitated in the fall semester as COVID-19 resulted in lower engagement with groups and populations during the spring semester.

Funding will be a continual process as we determine partners and ways to fund this initiative. Currently, we have been approved to fund through a \$29.50 fee. Included in the fee is the following:

- Clifton Strengths Access Code for Top 5 Results
- Access to our WSU Shocker Portal including individual results and resources.
- Materials for up to 3 modules (listed below)

We are also able to offer a \$15 package that covers the cost of the assessment and materials for one module. This package is popular among recognized student organizations. As demand for the inventory and modules is projected to increase, we also proposed an increase to our fees. These will go into effect in the next fiscal year if approved through KBOR. We have also explored fees to cover the cost of offering the full 34 report which provides more in-depth data and facilitation methods.

We have continued to update and adjust our curriculum for the three main modules offered, which are described below.

- Module 1: Naming Your Strengths - During this module, participants will go through all 34 themes and do an activity that allows students to understand their talents and how they utilize them as strengths. This module is heavily introductory to the language and concepts of Clifton Strengths.
- Module 2: Claiming Your Strengths - In this session, participants will go through the concepts of Barrier Labels (negative perceptions of talents) and the Balconies and Basements (when a talent is pushing us up the river and when a talent is creating an obstacle for us) concept surrounding their themes. This allows the participants to understand the full range of a talent and how it relates to them.
- Module 3: Aiming Your Strengths - This session uses a few activities for students to develop strength-based goals and action plans that they can make progress on. Students will also connect with additional resources and strengths champions to further progress on these and other goals.

The goal is to train others to become Strength Champions and begin to provide strengths-based opportunities for all students at Wichita State and become a Strengths-Based Institution.

## **Recognized Student Organizations**

### **Registration and Renewal**

Wichita State University students have created approximately 325 total (278 active) recognized organizations that range from graphic arts to intramural sports. With this diverse collection of student organizations, students can explore their interests and passions while contributing to a vibrant campus climate and close-knit student community. Membership in student organizations provides students opportunities to explore their identities, learn and listen to varying perspectives, and find spaces of belonging on campus.

On March 23, 2019, Student Involvement executed a three-year contract with Engage (CampusLabs) to renew our agreement, which went into effect May 1, 2019 and will expire on April 30, 2022. This platform how Student Organizations at Wichita State University are digitally managed.

### **Highlights of RSOs by Numbers (taken May 2020)**

- Number of recognized organizations: 325
- Number of new organizations: 17
- Number of ShockerSync users: 10,624
- Number of Involved Users: 4,605
- Average size of an organization: 45
- Number of organizations with over 100 members: 30

### **Involvement Fair**

Every fall, we host the Involvement Fair. This Fair is the best way to learn about co-curricular and extracurricular activities at Wichita State. Held during Welcomefest each fall, members of more than 100 student organizations connect with new and returning students to share a little bit about what they do and how to get involved. This fall, 90 student groups participated in the Involvement Fair with about 630 students in attendance.

### **Nuts and Bolts Conference**

Every fall, Student Involvement plans a training seminar for student organizations on university policy and procedure. The Nuts & Bolts Conference serves as the largest student organization training on campus and introduces student organization leaders to the resources available to their group(s) through Student Involvement and across campus. During the training, organizations receive updates on relevant university policies and procedures and are invited to attend breakout sessions which promote organizational success. This event is required for organization renewal each year and **two (2) members** of the organization must attend. This fall, 302 students representing 165 student organizations attended and participated.

### **Student Organization Trainings**

This fall we offered five different trainings that student leaders could attend to receive information on how to improve their groups. The trainings were:

1. Why are you here? Why did you Stay? Recruitment & Retention
2. Collaboration: Together We are Stronger
3. Mapping the Next Success: Transitions
4. Social Media 101: How to Improve What You Already Have
5. Be A Leader You Would Follow: Presidents.

The fall trainings had an average of six students at each session.

### Springfest

Springfest is a kick-off event for the spring semester for both student organizations and University departments. Located in the Heskett Center Gym, this event acts as a way for students to check out a variety of student organizations and resources available on campus. Along with informational tables, Springfest includes music, inflatables, food, prizes, and contests for all students to participate. This spring, Springfest was cancelled due to weather.

### Get the Scoop! On Getting Involved

This program was planned to replace the cancelled Springfest event earlier in the Spring semester. Unfortunately, this event was cancelled due to COVID-19.

### Types of Organizations

1. *Recognized Student Organization*: An organization that has completed the annual renewal process, in which at least eighty (80) percent of total members are currently enrolled University students.
1. *University/ Departmental/ Community Organization*: An organization in which at least fifty (50) percent of total members are currently enrolled University students.
2. *Provisional Organization*: An organization in its first year of existence or in which less than fifty (50) percent of total members are University students. \*Groups which do not adhere to university policy, may be placed on provisional status.

### Classification of Organizations

- **Academic & Professional (A/P)**: Organizations related to an academic discipline/college or professional field available at Wichita State University.
- **Cultural/International (C/I)**: Organizations promoting or enhancing a specific culture(s) or related activities on campus. The objectives are aimed to explore and celebrate their own cultural heritage and provide programs and services.
- **Community Service (CS)**: Organizations providing volunteer services or assistance to the university and local community through altruistic or philanthropy events.
- **Fraternity/Sorority (F/S)**: Organizations affiliated with the Interfraternity Council, Multicultural Greek Council or Panhellenic Council.
- **Governing/Representative Councils (G/R)**: Organizations which coordinate and/or govern a specific population or member Organizations. Organizations must be approved by Student Involvement.
- **Graduate Interest (GI)**: Organizations solely focused on the advancement and development of graduate students.

- **Honorary (H):** Organizations formed to recognize or honor excellence in a specific field and which have selective membership i.e. requirements for membership.
- **Other (O):** Organizations which do not fit in one of the other categories listed.
- **Political (P):** Organizations affiliated with or promoting a particular party, individual or issue in local, state, national or international politics.
- **Recreation Clubs (RC):** Recreational Clubs are sports-related interest organizations that meet all Recognized Student Organization (RSO) policies and focus around self-exploration for its members. Recreational Clubs are deemed high-risk organizations and must have every member sign a waiver absolving Wichita State University, its staff and designees from any liability due to member negligence.
- **Sports Clubs (S):** Organizations established for a competitive recreational purpose (Organizations wishing to obtain Sports Club status must contact the Coordinator of Intramural Sports and Competition in Campus Recreation). These organizations are not eligible for RSO funding through Student Government Association other than what is allocated to the Sports Club program. The organizations will also be governed by the Sports Club Manual.
- **Religious (R):** Organizations affiliated with or promoting a religion, set of religious beliefs or lack thereof.
- **Residence Hall (RH):** Organizations whose members reside in university student housing facilities or their associates.
- **Special Interest (SI):** Organizations promoting or related to specific, defined interests.

### Event Registration

RSOs at WSU plan events throughout the year that add to student life and campus culture. This year, organizations utilized ShockerSync to publicize and promote 1,222 events. Any group planning to host an event which meets the below mentioned parameters must complete an RSO event registration form in its entirety, ensuring that all officials agree on the expectations and execution of plans. This form, and the entire event planning process, must be completed in its entirety at least ten (10) business days prior to an event and submitted via ShockerSync to Student Involvement. All University locations must be reserved tentatively prior to the submission of this form.

The following are variables that help define an event registration:

- Over one hundred (100) people will be attending
- Money will be exchanged
- The event is open and/or marketed to the general public
- Alcohol will be served
- Food will be served
- The event requires the RSO to enter into a contract with another entity
- A controversial/political topic may be discussed
- The event is outdoors and on-campus

- Event is publicized (more than three of the following items are used: Facebook, poster, handbill, texting message, website, formal invitation, Twitter, organizational calendar, information table)

### Shocker Leadership Awards

The 8<sup>th</sup> Annual Shocker Leadership awards was hosted on May 6<sup>th</sup>. Because of COVID-19 the ceremony was held virtually over social media with 312 views. 55 applications were submitted this year. This year we added new awards for student organizations (denoted with a \*). The winners were:

- Advisor of the Year: Quang Nguyen
- Rising Leader of the Year: Jonathan Lozano
- Unsung Champion of the Year: Cameron James
- \*RSO President of the Year: Jady Stutey
- Student Leader of the Year: Zubair Khan
- Outstanding Achievement Award: No Winner
- Outstanding Small Organization of the Year: WSU ShiftSpace Student Group
- Outstanding New Organization of the Year: Mu Delta Alpha Sorority, Inc.

- Outstanding Educational Program of the Year: Si Se Puede Day hosted by Hispanic American Leadership Organization
- Outstanding Program of the Year: Si Se Puede Day hosted by Hispanic American Leadership Organization

### Challenges to Student Organizations

- Completing/implementing a virtual training program for RSO leaders
- Low attendance at RSO Workshops and programs
- Groups completing the renewal process by the deadline to be recognized
- An increase in risky events being hosted by student organizations. This requires more time and oversight to be able to approve.
- Learning how to engage student organization members with social distancing
- Limited space on campus for student groups to meet and do the events they want to

### Commitment to the Future

- Provide more training for ShockerSync and increase online usage of the platform
- Continue to develop and adapt virtual training program to RSO leaders' needs
- Find more creative ways to reach out to students for RSO workshops to help grow attendance
- Implement monthly or quarterly Presidents meetings
- Continue to engage in conversations regarding student organization workspaces and storage space
- Introduce additional benefits for student organizations
- Implement the REAL initiative

## **Student Activities Council**

### **Purpose, Vision, & Values**

#### **Purpose**

Our purpose is to educate, entertain and enhance the Shocker experience by planning versatile programs and creating student leaders.

#### **Vision**

Our vision is to provide the most enhanced programs and leadership opportunities for Shocker Nation.

#### **Values**

Our values are:

- **Community:** being present within the Shocker community and community at large by building engaging relationships that create an inclusive environment.
- **Development:** encouraging the development of students through leadership building, teamwork and networking.
- **Quality:** setting a high standard for event planning through attention to detail, customer service and commitment to educational and entertaining experiences.
- **Creativity:** being a resourceful organization that creates timely, unique and original events.

### **Organization Leadership – 2019-2020 Executive Board**

The Student Activities Council began the 2019-2020 academic year with an Executive Board consisting of three returning members in officer positions. The remaining leadership positions were all new additions to the executive board within SAC.

### Highlights

- 7,947 participants attended 62 SAC events this academic year
- Due to COVID-19 the Council had the opportunity to execute 13 virtual engagement with programs with 397 participants
- Sold out the 10<sup>th</sup> Annual Drag Show
- Developed SAC's first three-year strategic plan in conjunction with Student Involvement and the University's Strategic Plan
- 6 students (4 exec and 2 members) attended the re-imagined NACA Nationals Conference
- 87% of the Executive Board and 77% of members improved their cumulative GPA from Fall 2019 to Spring 2020.
- Retained 88% of members from Fall 2019 to Spring 2020.
- Record Attendance at Trunk or Treat (1,800) which was held at a new location at Braeburn Square
- Updated the organization's Constitution, By-Laws, and Policies to reflect and support the future trajectory and goals for the organization

### Challenges

- Drag Show national performer cancelled engagement two weeks before the 10<sup>th</sup> Annual Drag Show and a new performer had to be arranged quickly. As a result, criticism was received about the choice of the replacement
- Multiple events were canceled due to weather (2), artist cancellation (1), and COVID-19 (18)
- Co-chair model was unsuccessful, requiring an organizational structure change mid-year
- Vice President of Membership left the position mid-summer, and Officers and Staff elected to not refill this role bearing the weight of planning and executing these responsibilities
- The growing busy schedules and demands of College student life make it difficult for members and Executive Board members to consistently fulfill their commitments to the Organization
- The growing costs of bringing in outside talent and providing new experiences for students through events without equal increases in our allocated budgets resulted in the production of a lower number of events than is typical for the Organization
- The inability to raise the stipend amount provided to student leaders caused many interested candidates to take positions elsewhere
- Mental health concerns of our Executive Board members were, at times, a concern this year

### Major Changes

- One full-time professional staff member dedicated to advising the organization was given the responsibility of advising another Council within Student Involvement resulting in more limited availability and early departure from weekly Executive Board meetings
- Due to COVID-19, the Council began transitioning quickly to the planning, marketing, and execution of virtual programs in the Spring
- Added more music and arts events based on survey data from spring 19 activities survey

### Commitment to the Future

- Developing a calendar of events that highlight on campus and virtual events
- Creating an operations manual that sets standards for the organization such as brand, customer service, and training
- Placing a larger emphasis on academic success as a member of the organization and implementing activities and mentorship opportunities that facilitate this
- Securing consistent annual funding for a large-scale campus event (concert, highly regarded performer, etc.) every year

### Organization Goals

- 1. Achieve a cumulative executive board GPA of 3.00 and an Active Member cumulative GPA of 2.75 in the Fall 2019 and Spring 2020 semesters for a combined cumulative organizational GPA of at least a 2.90.**
  - a. Action Step #1: Maintain a positive attitude about grades and school first. Make Exec and SAC a resource to get connected on campus. *The executive board implemented a good vibes jar for members to share their academic accomplishments weekly and receive recognition.*
  - b. Action Step #2: Utilize campus resources to present academic workshops during General Member Meeting. *A variety of campus resources presented during General Member Meetings including workshops on time management and presentations from academic success and the career development center.*
  - c. Summary of Accomplishments:
    - i. Members:
      1. Fall 2019:
        - a. Active Member Semester GPA: 3.03
        - b. Active Member Cumulative GPA: 3.18
      2. Spring 2020:
        - a. Active Member Semester GPA: 3.49
        - b. Active Member Cumulative GPA: 3.22
    - ii. Executive Board:
      1. Fall 2019:
        - a. Executive Board Member Semester GPA: 3.18
        - b. Executive Board Member Cumulative GPA: 3.35
      2. Spring 2020:
        - a. Executive Board Member Semester GPA: 3.56
        - b. Executive Board Member Cumulative GPA: 3.40

iii. Combined:

1. Fall 2019:

- a. Combined Organization Semester GPA: 3.09
- b. Combined Organization Cumulative GPA: 3.24

2. Spring 2020:

- a. Combined Organization Semester GPA: 3.51
- b. Combined Organization Cumulative GPA: 3.27

**2. Recruit 50 potential members in Fall 2019 and retain at least 30 active members through the Spring 2020 semester.**

- a. Action Step #1: Give members a role in planning events *Over the course of the semester Members were able to be part of a few committees to support our larger events.*
- b. Action Step #2: 1 social per month, and members vote on what they want to do *Exec planned multiple socials in the Fall and Spring that contained retreats, study groups, and get togethers. Exec formed a committee and let members help plan the Spring Retreat.*
- c. Action Step #3: Mail members the event listings over winter break *Over the winter break, the VP of Marketing and advisors worked on a post card that was sent to members. This postcard highlighted their impact from the previous semester, as well as gave them a sneak peek at the first few events in the Fall.*
- d. Action Step #4: Creative Marketing, Guerilla Marketing, Classrooms, Word of mouth, Shockerblast for GMMs, Mobile inflatables,
- e. Action Step #5: Have an inflatable every other week
- f. Action Step #6: Weekly updates on Tea with SAC on Social Media
- g. Summary of Accomplishments:
  - i. In the Fall Semester SAC recruited 49 potential members, of which 20 met membership requirements and were established as active members. From Fall to Spring semester we were able to retain 18 active members.

**3. Increase social media followers on Instagram to 1,000 and on Twitter to 3,000 by the end of the Spring 2020 semester.**

- a. Action Step #1: Utilize Huxley *Over the summer months Huxley was utilized to promote SAC at Summer Orientations through multiple formats. Finding Huxley and posting photos, as well as hot cards that contained our social media*
- b. Action Step #2: Collaborate with other Orgs *SAC exec worked with the Community Service Board to swap meetings allowing for each exec to come present to the other's members.*
- c. Action Step #3: Have CIC for social media on pre event slideshow *It was a requirement for event set up that each chair create and have a pre event slideshow if capable. The VP of Marketing created a CIC that chairs could drop in.*
- d. Action Step #4: In opening speeches at events mention social media *Where applicable the chairs included social media shout outs in opening and closing speeches*
- e. Action Step #5: Punch cards - People can gain a stamp if they show us that they followed our Insta and Twitter *Punch cards were utilized for event attendance, 1000 were given out.*
- f. Summary of Accomplishments:
  - i. At the start of the Fall 2019 semester the SAC Instagram had 229 followers and SAC Twitter had 2,006 followers. At the close of the academic year, the

SAC Instagram has 825 followers and SAC Twitter has 2,510 followers. This is a growth of 72% (596 followers) on Instagram and 20% (504 followers) on Twitter.

**4. Increase the overall total of event attendees at all FY20 SAC events to 10,000 by the end of the Spring 2020 semester.**

**a. Summary of Accomplishment:**

- i.** Due to COVID 19 this goal was not able to be met, however up until the cancellation of end of spring events, SAC was on track to meet this goal. In the fall semester alone, we had 6,237 participants.
- ii.** Total on campus participants in SAC activities was 7,550. During COVID-19, SAC provided activities in an online format where we had 397 participants.
- iii.** The combined total of participants for the academic year was 7,947.

### Development and Recognition

Vice President of Marketing, LE Kinkead; Chairpersons, Skylar Fulton, Sophie Maples, and Faith Rollings; and members, Royce Seibert and Joshua Hill were selected to attend the National Association for Campus Activities - NACA National Convention in Denver, CO. While there, they participated in educational sessions, workshops, performance samplers and collaborated with regional institutions in the Block Booking process. Their attendance at NACA resulted in future bookings for FY 21. Executive Board members hosted two membership development retreats throughout the academic year to deepen the learning, growth, and comradery of our membership base. SAC members and Executive Board leaders attended other leadership development opportunities including SI Leaders Retreats and LeaderSHAPE.

### Membership Experience

Membership Highlights:

- Active\* members in fall and spring semesters: Fall-20, Spring-18
  - \*Active members are those who attend semester development retreats and regularly meet monthly membership requirements. These individuals are coded in Banner as members of the organization.
- Based on members coded into Banner, SAC retained 88% of members from Fall 2019 to Spring 2020
- Number of Members returning to SAC Fall 2019: 15 as general members and 5 as Executive Board Members

Fall Member Retreat – Saturday, September 14, 2019

Members formed teams and participated in competitive challenges throughout the day.

Opportunities for learning included the following sessions for members:

- True Colors Assessment and Overview – Understanding Yourself, Understanding Others, and Creating Effective Teams
- Various team builders aimed at developing teamwork and effective communication
- Clarifying Personal Values
- Affirmation of Self and Team

Spring Member Retreat – Saturday, March 7, 2020

Members formed teams and participated in competitive challenges throughout the day.

Opportunities for learning included the following breakout sessions for members:

- Finding Common Ground
- Understanding Your Strengths
- Critical Thinking/Problem Solving
- Teamwork/Collaboration
- Leadership Development

#### Michael R. Madecky Scholarship

The annual Michael R. Madecky scholarship is awarded yearly to an exemplary member who has dedicated a considerable amount of time and energy to advance the purpose and vision of Student Activities Council and who exemplifies the values of the organization. This year, the Michael R. Madecky scholarship was awarded to Avery Chong.

Fall Social – Thursday, October 24, 2019

Winter Social – Tuesday, December 3, 2019

Wu's Big Event – Saturday, February 8, 2020

Spring Social – Tuesday, February 18, 2020

#### End of the Year Banquet & Awards

Each year, SAC recognizes its members and highlights its many achievements at the annual SAC End of the Year Banquet & Awards Ceremony. This year's banquet was held in a different format due to social distancing guidelines. The Virtual Banquet focused on the member experience and allowed executive board members to individually recognize each of the members. Usually, the Student Activities Council would award the LaVona Spencer Friend of SAC Award at the Student Involvement Appreciation Reception. This event was canceled due to COVID-19, however, when it is possible to return to campus, we will present this award to the recipient, Clarice Maseberg, from Financial Operations for her commitment to going above and beyond to help the organization succeed.

### **Student Government Association**

In our third year of advising SGA, we have continued to make changes and bring consistency to the Association. Some of the major elements we guided the students in were:

- Restructuring the student fees process
- Revamping the journal
- Expanding the Shocker Support Locker services
- Hiring a graduate assistant for the Shocker Support Locker
- Building the SGA brand
- Revamping the Food for Fines Program

**Motto:** *'Students Come First'*

**Mission:** At the Wichita State University Student Government Association, we see our motto as our personal commitment to the university community. It is at the core of everything we do. SGA empowers students to voice their opinions through campus committees and weekly public Senate meetings. SGA is governed by students and committed to student issues and concerns.

The 2019-2020 school year saw the 62<sup>nd</sup> Session of the Student Government Association.

#### On Going Initiatives

**Shocker Support Locker:** The Locker saw a lot of changes this year. First, the Locker was awarded a VISTA position from the Center of Community Engagement, however, the hiring was delayed due to lack of qualified applicants. In the fall, the Senate approved a transfer of \$17,500 to help financially sustain the Shocker Support Locker. The funding allowed the hiring of a Graduate Assistant and student assistants to assist in the day-to-day operations of the Locker. The Locker collaborated with Dillons Corporate to award the Shocker Support Locker \$2,500. A few changes to policies implemented to Shocker Support Locker, now requiring that all students, faculty and staff must have their WSU ID in order to use space. Working with Food Rescue ICT, Starbucks

Donations now includes the RSC Starbucks and Ground House. The Shocker Support Locker changed its mission to: *The Shocker Support Locker, through the ongoing generosity of the Wichita State community and community partners seeks to empower Shockers along their journey at Wichita State University with temporary supplemental assistance. The Locker aims to alleviate food insecurity on campus and contribute to the overall health and wellbeing of our students, faculty, and staff, by providing a variety of nutritional and functional resources to Shockers at no cost.* The Locker staff changes the requirements and hours of the Locker. Starting January 2, the Shocker Support Locker hours will now be Monday-Friday 10am-6pm. Students, faculty and staff will be able to collect up to 25 items per week.

**Campus Safety Walk:** The annual campus Safety Walk, sponsored by the Senate's Safety and Student Service Committee, was held in November 2019. Over 36 students attended and helped walk around campus and identify potential safety issues.

**The Miller Report:** Monthly video of the SGA President answering questions submitted via the website and giving updates.

**Coffee with a Cop:** An open forum where WSU Police were on hand to answer questions sponsored by the Senate's Safety and Student Services Committee. Both events had about 102 students at each event.

**Scholarships:** The 62nd Session awarded 26 scholarships totaling \$20,270.00. The scholarships include the International Student Scholarship awarded \$10,000.00, James J. Rhatigan Leadership Scholarship awarded \$4,520.00, SGA Endowed Scholarship awarded \$3,000.00 and the SGA Endowed Summer Scholarship awarded \$2,750.00. **Individual Funding:** During the 62nd session, a total of 63 students were funded utilizing the Individual Funding allocations.

**Orgnaizational Funding:** During the 62<sup>nd</sup> session, a total of 50 organizations' students were funded utilizing the Organizational Funding allocations.

#### 62nd Session Initiatives

**Food for Fines:** This program allows students, faculty and staff to have certain parking fees expunged when they brought in a number of items for the Shocker Support Locker. This initiative was developed and carried out by the Student Advocate and held twice in the fall and twice in the spring semester. Discussions were had over the year with the new parking manager to revamp this program, with the new format rolled out in June 2020.

**Women in the Workplace:** In March of 2020 SGA held a week long series of programs to highlight the challenges and opportunities women face in the workplace. The first three nights were a panel featuring women who worked in various fields. The next night we were honored to have a keynote speech from the honorable Delia Garcia, Secretary of Labor for Kansas. The final night we hosted a networking reception from women across Wichita and Wichita State.

**Student Fees:** Discussions were had and changes presented to improve the student fees process. The bill was tabled after some concerns were raised about some of the proposed changes.

**Campus Survey:** In November 2019, SGA disseminated a survey to a representative sample of 2,500 students. This survey covered a variety of topics including safety on campus, personal services on campus, inclusion, general education, strengths and the student advocate.

## **APPENDIX I: ASSESSMENT**

### **Student Involvement Campus-Wide Survey**

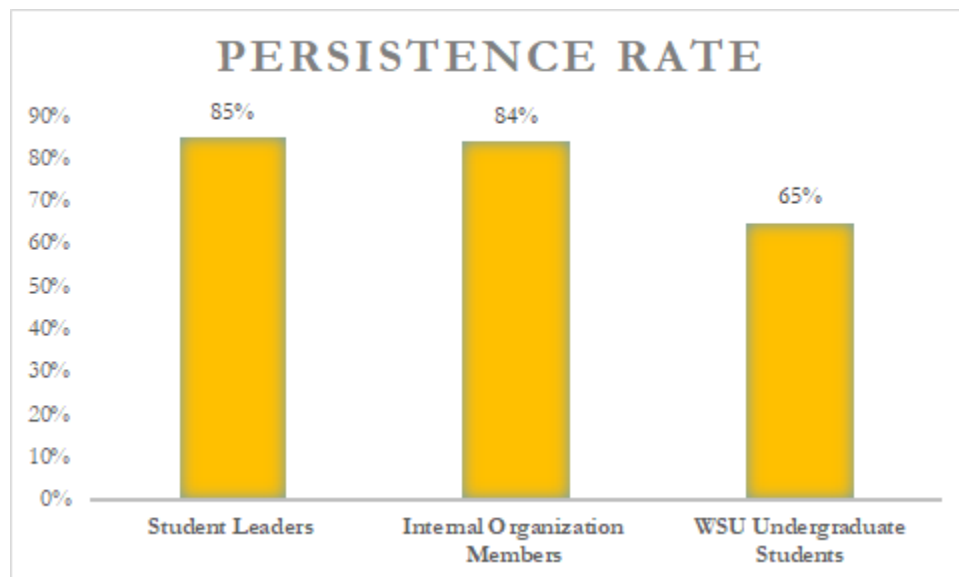

In Spring 2020, we had planned to conduct our bi-yearly campus survey, but the campus switched to remote instruction in March. We are looking to conduct the survey in the next academic year.

### **Key Performance Indicators (KPI's)**

In December of 2019, our new President Jay Golden, requested areas begin reporting Key Performance Indicators. Over a couple of weeks, we researched best practice KPI's and what CAS and NASPA recommended as KPI's. We faced a challenge in not all our areas were represented. Based on this information we determined what our KPI's were going to be and then began reporting them at the end of each month, beginning in December 2019. The KPI's we reported are included in the information below.

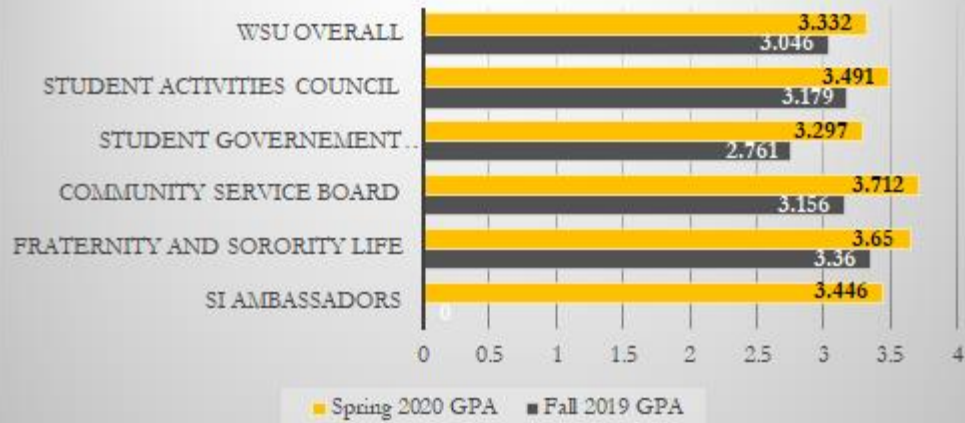

Description: Key performance indicators instead focus on those metrics which are critical to communicating the work of the unit to an external audience.

## **APPENDIX II: POLICIES & PROCEDURES**

### **STUDENT INVOLVEMENT POLICIES & PROCEDURES**

Student Involvement Policies and Procedures are general guidelines and instructions set forth. They may be changed, modified, suspended, or canceled, in whole or part, at any time according to the needs of the office. The Student Involvement Office Manager or designee is responsible for oversight of office policies. (*Policies reviewed Summer 2019*)

#### **Policy 1: Bomb Threat or Suspicious Object Response**

A bomb threat or suspicious object response may be warranted for the following:

- Receiving a threatening phone call
- Receiving a suspicious letter or parcel
- Discovering a suspicious object somewhere on the premises
- A suspicious item can be anything which is out of place and cannot be accounted for or any item suspected of being an explosive device
- You may be the one who makes the discovery, or you may be the one to whom it is reported

Bomb threats are delivered in a variety of ways. The majority of threats are called in to the target. Occasionally these calls are through a third party. Sometimes a threat is communicated in writing or by a recording. Two logical explanations for reporting a bomb threat are:

1. The caller has definite knowledge or believes that an explosive or incendiary bomb has been or will be placed and he/she wants to minimize personal injury or property damage. The caller may be the person who placed the device or someone who has become aware of such information;
2. The caller wants to create an atmosphere of anxiety and panic which will, in turn, result in a disruption of the normal activities at the facility where the device is purportedly placed. Whatever the reason for the report, there will certainly be a reaction to it. Through proper planning, the wide variety of potentially uncontrollable reactions can be greatly reduced.

If you receive a bomb threat by telephone:

- Remain calm
- Listen carefully – be polite and show interest
- Try to keep the caller talking so you can gather as much information as possible about the device, the validity of the threat, or the identity of the caller
- Use the “Explosive Device Data Record” sheet as a guide to question caller and gather as much relevant information as possible. Form is located on the Activities Share Drive:/!Student Involvement/Policies
- If a threat has been received by another individual, get as much information as possible
- Upon completion of the call, immediately notify the University Police Department at 911 (from a campus phone) or 978-3450

In the event you discover a suspicious object:

- Keep anyone from handling it or going near it
- Do not use portable radio or cellular equipment within 100 yards of a suspicious item
- Notify the University Police Department IMMEDIATELY
- Remain calm
- Guide all those in the vicinity to a safe location at least 100 yards away

## Policy 2: Computer Usage

Student Involvement computers are to be used primarily for student group related work. Students may use the computers for personal use, but if another student, office assistant or staff member needs to use the computer for Student Involvement related work, this will take precedence.

Student Involvement computers are not to be treated as personal computers. Do not download programs onto Student Involvement computers without permission. Do not save files on the desktop or create folders under My Documents. Documents related to Student Involvement areas should be saved under the appropriate folder on the appropriate network drive. The Activities Share drive (I:) is to be used for documents, information, Excel sheets, etc. pertaining to Student Involvement areas. The Photos Share drive (V:) is to be used for saving quality event photos/serves as an archive for photos over time.

When printing from a Student Involvement computer, students must use the appropriate print code/group name. If printing items that are unrelated to Student Involvement, let the front desk know and they will provide assistance. Black and white copies, for personal use, are \$.05 per page and color copies are \$.15 per page.

**Laptops:** Laptop usage follows the same guidelines as above in addition to:

1. Laptops must be reserved on the equipment calendar
2. Laptops may not be reserved or kept overnight without prior authorization

## Policy 3: Display Cases

The Student Involvement display cases, located on the first floor of the Rhatigan Student Center (RSC), are a service provided by Student Involvement for student groups, organizations and departments of Wichita State University (WSU) to promote their activities and/or recruit membership for their areas. Reservation of these cases is handled in Student Involvement, RSC 216 according to the following guidelines:

### **Reservations**

1. The display cases can be used by any recognized WSU organization or department at no cost.
2. Reservations are made on a first-come, first-served basis.
3. Reservations of either case are limited to a one-week period, beginning and ending on a Friday at 2 p.m.
4. Due to a high demand for use of the cases, each group can only reserve one case during a semester. However, discretion of use and length of use can be determined by the Student Involvement Office Manager.
5. To reserve a display case, the name of the group, a contact name, telephone number, email address and dates needed must be provided.
6. Cancellations should be made at least one week in advance by calling 316-978-3022 or emailing [getinvolved@wichita.edu](mailto:getinvolved@wichita.edu).
7. The display cases are to be used exclusively by WSU organizations and departments. Exceptions require approval by the Student Involvement Office Manager.
8. If a display case is reserved and the group does not call/email to cancel in a timely manner or does not use the display case at the reserved time, the group will forfeit display case privileges for their entire organization for the remainder of the semester.

### **Set-up/tear down**

1. All displays must be put up sometime between 2:00 p.m. and 5:00 p.m. on the Friday afternoon before the reserved week. If an exception is needed, this must be discussed in advance with the Student Involvement Office Manager.

2. All displays must be removed between 8:00 a.m. and 2:00 p.m. on Friday (at the end of the reserved week). If a display is not taken down by this time, Student Involvement reserves the right to remove the display for the next group. Student Involvement cannot assume responsibility for damage or theft while taking down or storing the display items.
3. Keys to the display cases may be checked out by leaving a WSU Shocker Card or valid driver's license with Student Involvement. Keys must be returned immediately after any exhibit is put up or taken down. *Keys cannot be checked out overnight.*

### **Guidelines**

1. The cases do not come with accessories. Groups must provide their own display materials and accessories.
2. Nails, screws, or any material causing permanent marring of the display cases are not to be used. Peel-off stickers are not to be applied to any part of the case. No materials should be placed on the outside of the cases.
3. Usable Internal dimensions of the cases are...
  - a. 43" high x 95" wide x 14" deep across from Groover Lounge.
  - b. 43" high x 95" wide x 14" deep across from Shocker Store.

### **Display Materials Policies**

1. The display cases cannot be used to promote, advertise or otherwise advocate an illegal activity or violation of any WSU policy.
2. All materials in the case must be written in and/or have a translated copy displayed in the English language.
3. Any group using the display case must identify the display as being sponsored by their organization/department and include a telephone number, email and website for further information.
4. If a group violates one or more of these policies, Student Involvement will notify the group to rectify the situation immediately. In the event a member of the sponsoring group cannot be reached, Student Involvement reserves the right to take down the display and will notify the group of the action taken. Student Involvement reserves the right to deny future use of the display cases to any group who has previously violated policies.

### **Damages/Liability**

1. Wichita State University, the Rhatigan Student Center and Student Involvement are not liable for damages to items in the display cases.
2. Any damages to the display cases done by a group using the cases will be charged to the organization or department.

### **Policy 4: Dress Code**

The personal appearance of every staff member is an important component of maintaining a student-centered learning environment. In order to achieve the total educational process an appropriate dress code which promotes a positive image of the university must always be presented. Staff are expected to dress business casual Monday-Thursday and may wear casual dress on Fridays, unless their schedule dictates otherwise. Student staff are not expected to dress business casual but must also follow the standards set in the table below. While at events, student councils governed by Student Involvement are also expected to maintain appropriate dress, which will be dictated by the staff member that advises the group.

The following standards shall apply and will be enforced:

**Accommodations:** If the above policy causes religious concerns or concerns based upon any other legally protected class, an employee should contact their supervisor to discuss an appropriate accommodation. If a student or staff member has any questions on the policy or exceptions to this policy, they should speak with their direct supervisor.

#### Policy 5: Equipment Use

Student Involvement has equipment available for checkout to WSU campus organizations, clubs and departments on a first-come, first-served basis. Equipment is for use mainly on the Wichita State main campus. \* Reservations must be made ***at least six business days in advance of the event*** by completing the Equipment Use Form. \* Equipment requests are considered on a timely basis and must be signed before getting approval. Once a decision is made, Student Involvement will contact the group by phone or email.

Precedence for equipment use is given as follows:

- Tier 1: Student Involvement staff and student groups directly advised by Student Involvement
- Tier 2: Recognized Student Organizations
- Tier 3: Campus Departments

Tier 1 groups can utilize any equipment available in Student Involvement. Tiers 2 & 3 may only use equipment listed on the approved equipment loan list.

Advanced reservations will be taken no more than one semester in advance. Any special requests will be considered on a case by case basis according to the availability of the equipment. Equipment used after normal office hours should be returned to the Student Involvement office by contacting an RSC Building Manager at (316) 978-3028. Overnight check-out of SOME equipment is allowed, but the student organization advisor or a full-time departmental staff member must check out the equipment. Damage to the equipment during use due to negligence will be the responsibility of the reserving party, who will be billed for the cost of repair or replacement, and will also result in forfeiture of equipment use for a full semester's time.

**Equipment not returned on time** will be charged a fee of \$5.00 per hour for the first three hours. After three hours, a charge of \$40.00 will incur. If the equipment is not returned within 24 hours of the original return time, the responsible party will be charged the cost of the equipment.

If the responsible party fails to pay any incurred fees or fines within 30 days, the debt will be transferred to the individual checking out the equipment.

Equipment not returned on time, not picked up as requested or returned damaged will result in forfeiture of equipment use for a full semester's time.

The following equipment is available for checkout; this does not include all items. For a complete list, please contact Student Involvement:

- For use only on RSC property: large sound system, spotlight
- For use only on Wichita State main campus: small sound system, microphone, mic equipment, electrical cord, power strip, laptop, projector, two-way radios, projection screen, sporting equipment

Student Involvement reserves the right to approve or reject any request.

\*Some equipment can be loaned for off-campus use or with a shortened timeline at the discretion of the Office Manager and with approval from organization advisors or department heads.

#### Policy 6: Fire Procedure

In the event of a fire emergency, all building occupants should evacuate the building by using the stairway, **NEVER AN ELEVATOR**, and follow the emergency exit signs to the stairs. Occupants must evacuate **into the wind at least 200 yards** for fire emergencies and hazardous materials release emergencies. SI staff and students should note that there are two exits from RSC 216, the fire exit should only be used if deemed safe and exits to the south of the RSC, lot 7.

The Rhatigan Student Center has Emergency Building Coordinators who have been trained to handle such emergencies. Emergency Building Coordinators will be identified by a yellow vest. These coordinators are responsible to ensure that all building occupants move to an appropriate fire exit and that no occupants use an elevator. A search of the RSC/CAC Theater will be made to assist visitors and persons with disabilities to an area of safety. If it is not possible to assist persons with disabilities to an area of rescue, the coordinator will request the assistance of the fire department on an evacuation plan.

**NOTE:** The University has stair tracks equipment to assist persons with disabilities to go up or down stairs. This equipment is stored in Devlin Hall and Wiedemann Hall. **The use of this equipment will be coordinated with the fire department.**

#### Student Involvement

If you are in the Student Involvement office or at a Student Involvement sponsored event within the Rhatigan Student Center when a fire alarm sounds, calmly proceed to the nearest exit and leave the building. Do not concern yourself with cleaning up the event or office, securing items, or locking doors; just proceed to the exit. The meeting location for Student Involvement is the **south side of the RSC parking lot**. Please meet up at this location so we can assess the situation.

If caught in a building filled with smoke, individuals should drop on hands and knees and crawl to the nearest exit. Test all closed doors before opening them by feeling the back of the door. If it is hot, do not open it. Turn and go to the second route of exit. If the door is not hot, open slowly but be prepared to close it again if there are flames.

If you are blocked in a room, attempt to cover the bottom of the door with clothing or non-flammable materials in order to keep the smoke out. If possible, signal for help by calling or going to a window (window should remain closed unless instructed differently by emergency personnel).

#### Policy 7: Hazardous Materials

##### Chemical Spill or Hazardous Material Release

If you are in the direct area of a significant chemical spill or hazardous material release, call the University Police Department immediately. Lead yourself and others away from the site of the hazard to a safe location. If evacuation is necessary or an alert from the university has been issued, please calmly exit the building and move at least 100 yards into the wind. Do not leave the area until you have been cleared to do so by the proper authorities. If toxic hazardous material comes in contact with skin, immediately flush the affected area with water.

### Explosion Response

In the event of an explosion, keep away from windows, mirrors, overhead fixtures bookcases and electrical equipment. If an evacuation is required, lead yourself and others away from the explosion. Do not move seriously injured persons unless they are in obvious immediate danger (of fire, building collapse, etc.). Upon exiting the building, open doors carefully and move at least 100 yards from the exit.

### Policy 8: Inclement Weather

If the University closes due to inclement weather, full-time unclassified and University Support employees should refer to University Policy 20.03.

In the event that all University operations have been shut down, the following procedures will apply:

### Student Involvement Related Events

- All University sponsored events must be cancelled or postponed. Staff members should contact any contracted or hired professionals associated with the events or programs scheduled.
- Best efforts should be made to notify the public of any event cancellations or postponements. This should be done by:
  - Website Update
  - Social Media Updates
  - Email (where applicable)
  - Standard phone message

### Student Sponsored Events

- All programs and events taking place on campus must be cancelled or postponed. Due to the University closing, students will no longer have access to venues and services. Group members should contact any contracted or hired professionals associated with the events or programs scheduled.
- Off-campus programs must be approved by the RSO advisor to take place. Best efforts should be made to notify the public of event status.

### **Policy 9: Medical Emergency**

In the event of a medical emergency, the procedure will be:

1. The person who becomes aware of a medical emergency must first contact **Campus Police (316-978-3450)**. Campus Police must initially be notified so they can dispatch trained personnel to the venue immediately, and so they can provide immediate assistance to off campus emergency personnel in directing them to the correct building location.
2. If the incident take place in the RSC please notify the RSC Director's Office or Event Services immediately after calling the Campus Police.
3. If the event is happening at an off-campus location, 911 should be called.

### Student Involvement Supplement

There should be a first aid kit at all events. First aid kits are in the office mailroom.

There is a blood borne pathogen kit located in the mailroom. This is only to be used by trained professionals.

- **Minor Injuries:** First aid kits are used to supply individuals with products for handling minor injuries such as small cuts, scrapes and bruises. Never give out medicine.

- **Major Injuries:** If the person is lucid, ask them if they want help first. If they want help or are unresponsive, call Campus Police immediately by dialing 316-978-3450. They will notify the appropriate authorities. Call Event Services (316-978-3475) or RSC Building Managers (316-978-3028) if the event is taking place in the RSC. Keep the area around the injured person clear. Do not make contact with any bodily fluids. Do not leave the injured person alone.
- The staff member on site should inform their supervisor and Director, Student Involvement of the situation as soon as possible and then document the incident within a business day under the incident report on the shared drive. The Director, Student Involvement will contact any additional appropriate individuals.
- Within one day, an incident report should be filled out and shared with the individual's supervisor and the Director.

In the event of a severe medical emergency, do not administer first aid. If you administer first aid, you may be held liable.

## Policy 10: Office Access

### Staff Access

All full-time Student Involvement staff will be issued a master office key. The office key provides access to all Student Involvement offices, storage closets, workroom and Cadman Art Gallery. Full-time Student Involvement staff will also have access to the Rhatigan Student Center beyond regular operating hours. Access may be gained through use of the Shocker Card and an access code provided by RSC Administration.

### Student Employee and Graduate Assistant Access

Student Assistants employed to work the front desk of Student Involvement and Graduate Assistants employed within Student Involvement will be issued an office key to be used only in accordance with their scheduled work hours on a case by case basis. This key will provide them access to offices, storage closets, workroom and Cadman Art Gallery.

Other students employed by Student Involvement will be issued keys to access Student Involvement if deemed necessary by their immediate supervisor.

### Student Volunteers

Students who hold a position on one of the executive councils or who serve as an SI Ambassador will have access to the Student Involvement office after hours and during RSC operating hours. If no full-time staff are in the office, these students can gain admittance to the office by contacting the RSC Building Managers. Students in the office after regular office hours are responsible for the security of the space and for any other students they allow into the office. Any other student may be in the Student Involvement office anytime during the regularly scheduled office hours.

## Policy 11: Office Supplies

### Staff Usage

Office supplies are available for staff use on a regular basis. If a staff member's office is unequipped with certain items, items should be ordered by the Office Manager. Supplies that are requested for events or projects should also be requested by the Office Manager but should be made available for all staff use if any items are leftover. Supplies specifically purchased for reoccurring programs should be appropriately stored and labeled with the contents of the container. Office supplies should not be used for personal use.

### Student Workroom

A general resource room is equipped with office supply items/project materials and is available for student use. Items should be used for Student Involvement/RSO project-related tasks and should not be removed from the office. Consumable office supplies are meant for SI advised student groups. Office supplies will be refreshed on a semesterly basis. Requests can be made to the office staff for items not available in the community supply area.

#### Recognized Student Organization Usage

Please refer to RSO Handbook for benefits of office supplies

- Designated posting areas for Student Involvement
  - Marketing Materials should be submitted electronically to Media Services.

#### Policy 14: Leave

For all types of leave, Student Involvement staff members should refer to University Policies. For unclassified staff, refer to WSU Policies and Procedures Manual, Section 6.08 and for University Support staff, refer to WSU Policies and Procedures Manual, Section 7.08.

#### **Student Involvement**

- Requests of any type of leave must be in writing in advance using the WSU Leave and Overtime Request Form. Employees must receive approval from their supervisor before leave can be taken.
- Employees should request all leave types as early as possible from their supervisor, but no more than three months prior to the date requested for leave. If special circumstances warrant (e.g., travel plans, medical procedures), employees can request vacation/sick leave from their supervisor sooner than three months out. When in doubt on the appropriateness of the request, the employee should make the request to their supervisor.
- When a Student Involvement staff member is sick, they should contact their supervisor via phone or text and email the staff team to let them know they will not be in. In addition, they should set up an out of office notification on their email. For full-time staff, when they return from sick leave, they should fill out a WSU Leave and Overtime Request Form and turn in to their direct supervisor.

#### Policy 15: Student/Staff Relations

While in a work situation, full-time staff members should maintain professional conduct in the representation of Student Involvement and Wichita State University. Staff should avoid inviting solitary students to private areas such as their homes and from consuming and/or providing alcohol or illegal/illicit drugs while working or supervising students in any capacity.

At events sponsored by Wichita State student organizations or groups, Student Involvement staff shall not partake in alcoholic beverages. It is recommended that staff members attending events with alcohol do so with another WSU staff person.

### Policy 16: Tornado Warning

If there is a tornado warning, anyone in the Student Involvement office must either exit the office and go to the Shocker Sports Grill and Lanes or exit the building. It is an individual's choice to not seek shelter, but if they are not going to follow procedure, they must leave the Rhatigan Student Center.

If there is a tornado warning at an event or after hours, seek the closest, open tornado shelter. If the event is in the CAC Theater, individuals must seek shelter under the stage, in the Shocker Sports Grill and Lanes or exit the Theater.

### Policy 17: Visitation

#### **Student Workers**

- Visitation/Communication
  - Family and friends should not visit work unless allowed by a supervisor.
    - If by chance a family member or friend does visit, keep the visit brief.
  - No personal communication should be used on office equipment without the permission of the supervisor. Communication includes:
    - Phone calls
    - Online chatting
    - Email
    - Faxes
    - Facebook/Social Media
    - Work/Homework
      - Personal work/homework while working is not permitted unless allowed by a supervisor. This includes, but is not limited to, the following:

        - Work related to an outside job, student organization, or volunteer group.
- Personal Property
  - Use of any device unrelated to your job should be approved by your supervisor.
  - Personal belongings should be kept secure.
  - Cell phone use is not permitted unless allowed by a supervisor.
  - Headphones are not permitted with any device without the approval of your supervisor.

### Policy 18: Weapons

**Purpose:** It is the policy of the Kansas Board of Regents (hereinafter referred to as Board), to the extent permitted by law, to allow concealed carry of handguns and prohibit possession of other weapons and open carry of firearms on the University campus. This sets forth Wichita State University (hereinafter referred to as University) policy regarding the presence of weapons on University property.

**Preamble:** In view of the enactment of the Kansas Personal and Family Protection Act, subsequent amendments and Board policy, the Board has directed each state University to develop and follow policies and procedures for the safe possession and storage of lawfully possessed handguns and determine whether and to what extent otherwise lawfully possessed concealed handguns will be prohibited in any university buildings or areas of buildings.

## **Policy Statement:**

- A. Beginning July 1, 2017, any individual who is 21 years of age or older and who is lawfully eligible to carry a concealed handgun in Kansas shall not be precluded from doing so on the Wichita State University campus except in buildings and public areas of buildings for which adequate security measures are provided, as restricted in this policy or Kansas Board of Regent's policy, and except as otherwise prohibited by law.
- B. There are no University buildings that have been designated as gun-free with permanent adequate security measures. The University may designate a specific location as temporarily gun-free, with appropriate signage, and use temporary adequate security measures after submission and approval by the Governance Committee of the Board. Appropriate notice will be given whenever this temporary designation is made.
- C. Each individual who lawfully possesses a handgun on campus shall be wholly and solely responsible for carrying, storing and using that handgun in a safe manner and in accordance with the law, Board policy and University policy. Nothing in this policy shall be interpreted to require individuals who lawfully possess a handgun to use it in defense of others.
- D. Possession of weapons, other than concealed handguns, anywhere on any campus location shall be prohibited. This includes the open carry of any weapon, including a handgun or handguns. Every entrance to each building and facility at any campus location shall be conspicuously posted with appropriate signs indicating that openly carrying a weapon into that building or facility is prohibited. Additional signs may be posted as appropriate.

## **Definitions:**

- 1. Weapons, firearms, explosives and other hazardous objects or substances covered by this policy shall include, but not be limited to, the following:
  - a. Any object or device which will, is designed to, or may be readily converted to expel bullet, shot or shell by the action of an explosive or other propellant;
  - b. any handgun, pistol, revolver, rifle, shotgun or other firearm of any nature, including those that are concealed or openly carried;
  - c. any BB gun, pellet gun, air/C'02 gun, blow gun, or any device, such as a Taser, which is designed to discharge electric darts or other similar projectiles; however, personal self-defense stun guns that do not fit with the preceding definition shall not be deemed to be a weapon for the purposes of this policy;
  - d. any explosive, incendiary or poison gas (A) bomb, (B) mine, (C) grenade, (D) rocket having a propellant charge of more than four ounces, or (E) missile having an explosive or incendiary charge of more than 1/4 ounce;
  - e. any incendiary or explosive material, liquid, solid or mixture equipped with a fuse, wick or other detonating device;
  - f. any tear gas bomb or smoke bomb; however, personal self-defense items containing mace or pepper spray shall not be deemed to be a weapon for the purposes of this policy;
  - g. any knife, commonly referred to as a switchblade, which has a blade that opens automatically by hand pressure applied to a button, spring or other device in the handle of gravity or by an outward, downward or centrifugal thrust or movement;

- h. any straight-blade knife of four inches or more such as a dagger, dirk, dangerous knife or stiletto; except that an ordinary pocket knife or culinary knife designed for and used solely in the preparation or service of food shall not be construed to be a weapon for the purposes of this policy;
  - i. any martial arts weapon such as nunchucks or throwing stars;
  - j. any longbow, crossbow and arrows or other projectile that could cause serious harm to any person; or
  - k. any other dangerous or deadly weapon or instrument of like character.
2. The term “handgun” means:
    - a. A pistol or revolver which is designed to be fired by the use of a single hand and which is designed to fire or capable of firing fixed cartridge ammunition; or
    - b. any other weapon which will or is designed to expel a projectile by the action of an explosive and which is designed to be fired using a single hand.
  3. The term “firearm” includes any handgun, rifle, shotgun, and any other weapon which will or is designed to expel a projectile by the action of an explosive.
  4. The phrase “adequate security measures” means the use of electronic equipment and armed personnel at public entrances to detect and restrict the carrying of any weapons into the University building, or any public area thereof, including, but not limited to, metal detectors, metal detector wands or any other equipment used for similar purposes to ensure that weapons are not permitted to be carried into such building or public area by members of the public. Adequate security measures for storing and securing lawfully carried weapons, including, but not limited to, the use of gun lockers or other similar storage options may be provided at public entrances.
  5. “Public area” means any portion of a University building that is open to and accessible by the public or which is otherwise designated as a public area by the board.
  6. “Concealed” means completely hidden from view and does not reveal the weapon in any way, shape, or form.
  7. “Approved storage device” should (a) be of a sufficient size to fully enclose the handgun while secured in an approved holster, (b) constructed of sturdy materials that are nonflammable, (c) have a combination, digital or other secure locking device that can only be unlocked by the individual using the storage device but devices secured exclusively with a key lock are prohibited, and (d) constructed specifically for the storage of a handgun and/or ammunition.

### **Procedures:**

8. Individuals lawfully possessing a handgun, pursuant to this policy, should always keep it completely concealed on or about their person, maintain it within their immediate control and custody and not brandish or intentionally display the handgun except when lawfully using the handgun in self-defense or when to transfer to safe storage. This allows individuals to carry a handgun if it can be carried securely in a briefcase, backpack, purse, handbag or other similar personal carrier designed and intended for the carrying of an individual’s personal items so long it is within the exclusive and uninterrupted control of the individual. This includes wearing the carrier with one or more straps consistent with the carrier’s design, carrying or holding the carrier, or placing the carrier next to, or within the immediate reach of, the individual at all times.

9. Any employee, who is legally qualified, shall not be prohibited from carrying any concealed handgun while performing work for the University, including while in a means of conveyance, except in a campus building that has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted.
10. Weapons other than concealed handguns, as defined and allowed above, are not permitted on University property unless in the possession of a law enforcement officer, armored car security personnel, or private security pre-approved by the Chief of the University Police Department.
11. For the purposes of this policy, the term weapons would not include items or materials used in or necessary for the conduct of Board-approved academic programs or University-approved activities or practices. However, the University's Chief of Police should be notified about any such items or materials in advance of their use or presence on campus and mandate specific requirements for the possession, use and storage of such items or materials, including notification of other necessary University personnel.
12. Handguns carried by individuals, whether on their person or in a carrier, must be secured in a holster that completely covers the trigger and the entire trigger guard area and that secures an external hammer in an un-cocked position through the use of a strap or by other means. Handguns with an external safety must be carried with the safety in the "on" position. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling. Semiautomatic handguns must be carried without a chambered round of ammunition. Revolvers must be carried with the hammer resting on an empty cylinder.
13. The concealed carry of a handgun by 1) an individual who is legally qualified to have a handgun and who has been screened in accordance with K.S.A. 75-7c20(d), 2) an employee who is legally qualified to have a handgun, and 3) those individuals identified in paragraph 10, above, is allowed while the individual is located in non-public areas within University buildings that have restricted access entrances that require a key, key card, code, or similar device to ensure only authorized individuals are allowed into those areas. The concealed carry of a handgun by any other individual in such non-public area is prohibited. Non-public areas with University buildings must be specifically approved by the President of the University, or the President's designee, after consultation with the University Chief of Police and the University General Counsel. Each restricted access entrance where concealed carry is prohibited as provided in this paragraph shall be conspicuously posted with appropriate signs indicating that carrying a concealed handgun into that non-public area is prohibited. The signage should be in accordance with rules and regulations adopted by the Kansas Attorney General as described in K.S.A. 75-7c10.
14. The University Police Department should be notified of a suspected violation of this policy by telephone, electronic mail, in person or in writing. Within a reasonable period of time after receiving such notification, the University Police Department shall investigate the matter and report its factual findings to Human Resources if any employee is involved or the Office of Student Conduct and Community Standards (hereinafter referred to as Student Conduct) if a student is involved. If it is a visitor, the University Police Department shall have the authority to handle the situation as deemed appropriate. Upon receipt of the factual findings, Human Resources or Student Conduct may conduct an independent investigation to determine if a policy violation has occurred. Any employee or student of the university who violates one or more

provisions of this policy shall be subject to discipline in accordance with applicable university codes of conduct. Any individual who violates one or more provisions of this policy may be issued a lawful directive to leave campus with the weapon immediately. Any individual who violates the directive shall be considered to be in trespass and may be cited accordingly. Any individual who violates state or federal law may be detained, arrested or otherwise subjected to lawful processes appropriate to the circumstances.

15. Nothing in this policy is intended to replace municipal, state or federal law regarding weapons, firearms, explosives and other hazardous objects or substances or to be inconsistent with the authority afforded a lawfully commissioned peace officer.
16. This policy is intended to apply and cover any building or grounds owned by the university or the Board and any building or grounds leased by the university or the Board for university use and located within the State of Kansas. Buildings and land owned by or both owned by and leased to third parties that otherwise might be located on ground owned by the University are not included. This policy may not be applicable on all locations leased by the University if the University is not the sole tenant of the leased property. Leased locations leased and controlled by an entity that may lawfully exclude or permit firearms at their premises (concealed or otherwise) may choose at their sole discretion to exclude or permit concealed firearms from their premises, notwithstanding a lease with the University so long as the University is not the sole tenant on the leased property.
17. All University students and employees will be notified concerning this policy prior to the effective date of the policy. This notification will include learning when this policy applies, the availability of any known local or regional firearm safety instruction, how a handgun is carried and stored pursuant to this policy, how to report a suspected violation of this policy, who investigates reports, the potential consequences upon confirmation the policy has been violated and other topics relevant to this policy.

### **Student Involvement**

If a weapon is spotted on campus, contact the WSU Police immediately and then let a WSU Staff member know immediately. Do not approach the individual suspected of having a weapon. If you find a weapon on campus, do not touch it. Call WSU Police if the weapon is found outside the RSC and CAC Theater.

### **Shooter Procedure**

If there is a shooter on campus and you are in a classroom or office, close and lock or bar the door and turn off all the lights. Turn all phones on silent and call for help. Stay out of view and wait for help. Make sure to spread out across the room and not remain in a clump. If there is a shooter on campus and you are outside and can run away, do so in a zig-zag pattern and seek shelter.

If you are on campus and are aware of the shooter's location, you should evacuate if you are not near the shooter and will not be putting yourself in harm's way. Unless asked, do not approach the police to assist in handling the shooter.

### **Policy 19: Travel**

Any time Student Involvement staff must travel for state-related business or sponsors a trip outside the Wichita metropolitan area, the following procedures must be followed:

- For staff members, a Request for Out-of-State Travel form with estimated costs must be filled out and turned in to the Office Manager at least four weeks in advance. It is to be noted additional paperwork is needed for the reduced stipend. An itinerary or schedule of events should be emailed to the Office Manager. After this information is entered into the Travel and Expense Management System, the system will generate a Travel Authorization with a TA number assigned. The Travel Authorization will be automatically forwarded to the traveler for review and electronic submission to the Budget Officer the TA number will be used to make any travel reservations provided to the Vice President for Student Affairs office for conference registration fees.
- If the Student Affairs registration card is used, the form must be filled out by the staff member and provided to the Vice President for Student Affairs office, along with a copy of the itinerary/agenda/schedule of events. A copy of the documents should be made for the Office Manager. If a staff member charges the cost to a personal credit card, they will not be reimbursed until after the conference.
- Within three days of returning from a trip, all receipts must be turned into the Office Manager. Receipts smaller than 8.5 x 11 should be taped down to a sheet of paper, and all receipts should be in “portrait” layout (versus landscape). The information provided will be entered into the Travel and Expense Management System for any necessary reimbursement to the staff member. After the information is entered, the system will generate a Travel Reimbursement, which will be automatically forwarded to the traveler for review and electronic submission to the Budget Officer. In addition, the SI Travel Expense form must also be filled out and saved to the SI Share Drive.
- For students traveling, the Participant Agreement, Emergency Contact, Medical Form and if they are to be reimbursed a W9, must be filled out for each participant. A WSU University-Sanctioned Student Travel Registration Form should be completed at least one week prior to the date of departure and provided to the Vice President for Student Affairs office and the Student Involvement Office Manager. The online registration information can be submitted with an updated list provided later of checked in participants. A copy of each Student Involvement Emergency Contact form needs to be turned into Office Manager at least one business day before departure. It is recommended to have one staff member for each 20 participants.
- If transportation is provided by an outside company, a copy of the company’s Certificate of Liability Insurance must be obtained and Wichita State University needs to be listed as the Certificate Holder.

## **Policy 20: Sidewalk Chalking Guidelines**

Recognized student organizations and campus departments are permitted to chalk on University sidewalks in order to publicize a University event they are sponsoring, a component of the event to promote student participation or to market the sponsoring group or organization. For chalking on campus, the following guidelines have been established:

1. Student organizations and campus departments MUST obtain approval from Student Involvement prior to chalking.
2. Only water-soluble dry stick sidewalk chalk may be used. Aerosol spray chalk is not permitted. If the University must clean any permanent materials used, the group responsible will be billed for the cost of removal.

3. Chalk advertisements may be no larger than 8 feet by 8 feet, and each organization /department is allowed a maximum of six (6) chalking squares on campus at a time.
4. Chalking is only allowed on the main campus (including the Hughes Metropolitan Complex).
5. Chalking is permitted on horizontal, paved/concrete, uncovered campus sidewalks. Chalking is not permitted on covered sidewalks, stairways, curbs, or stair risers, on brick surfaces, parking lots, buildings, windows, benches, planters, trash containers, signs, pillars, light poles, trees, any other vertical surfaces, or anything other than the paved/concrete, uncovered sidewalks mentioned above.
6. Chalking must be at least twenty (20) feet from the entrance of a building.
7. All chalk advertising MUST clearly identify the sponsoring organization's name.
8. Chalking may not be used for commercial purposes by non-university groups, including advertising or other promotion.
9. Chalking must adhere to WSU Policy 11.10 and the Student Code of Conduct. Chalking cannot contain any obscene, derogatory or defamatory words or images, threaten physical harm or include messages that otherwise are not entitled to the protection of free expression.
10. All other chalking is subject to immediate removal and the individuals or groups responsible may be charged the cost of cleanup.
11. Overwriting, erasing, defacing, altering or removing the chalking of another organization is prohibited except by University personnel.
12. The University may remove, without notice, any chalked messages that do not comply with University policies and regulations.
13. Student organizations which violate these chalking guidelines will be referred to Student Conduct and Community Standards.

### **Policy 21: Yard Sign Guidelines**

Recognized student organizations and campus departments are permitted to post yard signs on the property of the University in order to publicize an event they are sponsoring, a component of the event to promote student participation or to market the sponsoring group or organization. "Yard Sign" refers to a temporary sign placed in the ground in an outdoor space. For posting yard signs, the following guidelines have been established:

1. Recognized student organizations and campus departments MUST obtain approval from Student Involvement prior to posting yard signs.
2. Reservations must be made at least one month in advance of the time the group wishes to set up their signs by completing the Yard Sign Agreement and returning it to Student Involvement.
3. Sign panels may be no larger than 24 inches by 24 inches, must be placed in metal "H" stands, and may contain content on both sides.
4. All wording on signs must be written in and/or have a translation in the English language.
5. All yard signs MUST clearly identify the sponsoring organization's name.
6. Signs may not be placed within five feet of trees, flower beds, fire hydrants or impede the flow of traffic.
7. All signs must be placed at least five (5) feet apart and at least three (3) feet from the edge of sidewalks.
8. Yard signs are only allowed on the main campus (including the Hughes Metropolitan Complex).
9. Up to ten (10) signs are permitted per event, per organization.
10. Reservations to use signs must be made one month in advance of anticipated placement. Signs may be left in place for a two (2) week period and must be removed by the end of the reservation date.
11. If weather conditions destroy or damage a sign, the sponsoring organization must remove it.

12. Yard signs may not be used for commercial purposes by non-university groups, including advertising or other promotion.
13. Signs must adhere to WSU Policy 11.10 and the Student Code of Conduct. Signs may not contain any obscene, derogatory or defamatory words or images, threaten physical harm or include messages that otherwise are not entitled to the protection of free expression.
14. The University may remove, without notice, any signs that do not comply with University policies and regulations.
15. Signs placed in compliance with these guidelines cannot be removed or relocated without prior permission from the sponsoring organization unless done so by University personnel.
16. Student organizations which violate these yard sign guidelines will be referred to Student Conduct and Community Standards.
17. Wichita State University and Student Involvement are not responsible for lost and/or stolen yard signs. Lost or stolen yard signs can be reported to WSU PD.

## **Policy 22: Compensatory Time Accrual Guidelines**

### **PURPOSE**

These guidelines will serve both classified and unclassified Student Involvement staff regarding procedures they should follow for timekeeping and leave-related matters.

### **TIMEKEEPING**

All employees, regardless of exempt (salaried) or non-exempt (hourly) status, are expected to complete and submit actual timesheets (Exception Reporting or WSU In-Out Positive Time Reporting) to their supervisor for approval and signature, then to the designated timekeeping data entry staff member by the prescribed bi-weekly deadline. An Exception Reporting form should be signed and submitted even when leave is not used during that pay period. It is expected that employees will be truthful and forthcoming concerning time worked on their timesheet. It is the responsibility of the employee to ensure that time reporting is accurate and that leave time is used appropriately. All Exception Reporting forms submitted with leave should include in the Comments section the following statement: "Timekeeper has my permission to adjust my time."

### **STUDENT INVOLVEMENT GUIDELINES FOR EXEMPT (SALARIED) EMPLOYEES**

Exempt (salaried) employees cannot use fewer than four hours of any type of leave at any given time. Exempt employees should receive approval from their supervisor for all leave requests.

### **STUDENT INVOLVEMENT GUIDELINES FOR NON-EXEMPT (HOURLY) EMPLOYEES**

For unclassified staff, Section 6.06 of the WSU Procedures and Policies Manual applies. For university support staff, Section 7.09 of the WSU Policies and Procedures Manual applies. In summary, hourly (full-time nonexempt university support staff and nonexempt unclassified) staff are expected to work 40 hours per week and adhere to these practices. Regular work hours for hourly employees are 8 a.m.-5 p.m., Monday-Friday.

- Employees are expected to record their time worked honestly and accurately. Employees must track their time in 15-minute intervals. Please refer to the WSU Positive In-Out Time Reporting sheet for guidelines on recording time in and time out.

- Any time worked beyond 40 hours per week should be accounted for on the employee's timesheet as compensatory time.
- Extra time beyond 40 hours per week (e.g., compensatory time) is credited at 1.5 hours for each extra hour worked.
- For an employee to earn compensatory time, the employee must physically work at least 40 hours in that week. In other words, any sick, vacation or other non-working hours incurred in the same week will not count towards working 40 hours for a given week.
- If an employee physically works less than 40 hours in a week, hours will be accrued on a straight time basis.
- For each eight-hour day worked, employees can take a 30 minute to 1.5-hour lunch. Exceptions to the length of lunch can be made when lunch time is used for Extra time hours (E-hours). Lunches should be taken between 11a.m.-2 p.m. Employees should work with their supervisor to schedule this time accordingly so that the office can be adequately covered during normal business hours.
- For university support staff, a maximum of 120 hours of accrued compensatory time can be carried forward for a period not to exceed twelve months (see Section 7.09 of WSU Policies and Procedures Manual). For unclassified staff, a maximum of 120 hours of accrued compensatory time can be carried forward for a period not to exceed twelve months (see Section 6.08 of WSU Policies and Procedures Manual).
- Any hours worked beyond 40 hours per week must be approved in advance in writing by their supervisor. In other words, employees cannot simply plan to work more than 40 hours to earn compensatory time at their own discretion, without any prior authorization from their supervisor.
- Their supervisor reserves the right to adjust work schedules and possibly enforce mandated leave in order to ensure utilization of compensatory time.
- Running errands, responding to text messages, social media and email outside of established work hours is not acceptable. Exceptions are in emergency situations. If an emergency situation occurs, their supervisor should be notified.
- Employees are expected to report to the office at the start of their workday. An exception to this is if the employee is out of town on work sponsored travel.
- Staff should keep in mind the following:
  - o E-hours are to be utilized to meet the needs of the employee's position, the department and the constituents they serve.
  - o E-hours should be utilized during the same week they are earned, when possible. For example, if employee X works an E-hour on Monday, they should work with their supervisor to find a time in their schedule in the same week to work one-hour fewer. Adjustments are to be made in the following order: day of, days preceding E-hour day and days after E-hour day, but within the same work week.
  - o When adjustments to the regular work schedule are needed, employees should keep in mind what schedule best meets the needs of the students, staff, department and other entities they are serving.
  - o Official work-related travel which occurs during regular work hours is considered compensable work time. An exception is traveling to and from an airport terminal or train

station, which is not considered hours worked. Time spent waiting at a terminal until arrival at the destination is considered hours worked. Travel while a passenger in a vehicle is not considered work time, but if driving the vehicle, it is considered work time.

- Travel outside the Wichita metro area for work must be approved in writing by their supervisor at least a month in advance. An itinerary of the conference/retreat/etc. must be submitted and reviewed with their supervisor at least two weeks in advance of the trip.
- Conducting official business over a mealtime is work time. Meals for social occasions and during retreats/conferences/traveling/etc. are not considered work time unless the meal has a featured speaker.
- During retreats and conferences, time spent in educational programs is considered work time. Time spent in social endeavors and non-educational components are not considered to be work time.
- Conducting business or volunteering outside the scope of the employee's job responsibilities or responsibilities of the department is not considered work time. Exceptions can be made with the approval of their supervisor.
- The nature of unclassified positions is that some of the required work cannot be done during a typical 8 a.m. to 5 p.m. workday. What is critical to note is that full-time employees are expected to work 40 hours per week, be on time for work and work the schedule they have outlined in their proposed work schedule.

- These guidelines are in no way meant to be exhaustive and may be modified or added to at any time.

## **Policy 23: Educational Release**

### **WSU Policy 3.13 / Benefits Applicable to Eligible University Employees**

Section: Leave Types

Part d. Education Release Time

The release of an employee to attend University classes during regular work hours is subject to the requirements of the employee's department. Release time may be granted to regular and probationary employees (full-time or part-time) to take one course per semester. Makeup time is not required for academic classes related to job duties or as preparation for promotion within the University. Release time for classes unrelated to the employee's job or performance must be unpaid, made up or charged to vacation leave with supervisor's approval.

To see the entire leave definition please visit University's Policies and Procedures page.

### **Student Involvement Policy**

Before registering for any courses during regular work hours\*, the employee should have a conversation with their supervisor to discuss the goals of the course/degree program, relation to the employee's goals, personal development and connection to their position. Any class taken during regular work hours needs to be approved in advance by the employee's supervisor. If there are multiple course offerings, preference should be given to courses which fall outside the employee's regular work hours.

Staff members may be granted flex time up to five hours a week (no more than four hours for one day per week) to attend a course related to their job responsibilities or degree completion. These hours cannot be accumulated over time. The regular work hours missed by attending class must be made up and the employee should work with their supervisor to develop a plan to make up these hours. Any time above five hours a week or four hours in one day, the employee will have to take vacation or unpaid leave. If for some reason the class is cancelled in advance the staff member should report to work and will not have to make up that time for class. If an employee is taking a class not related to their job responsibilities or degree completion, they will have to take vacation or unpaid leave. Employees must report in written format to their supervisor whether they passed or failed each course. If an employee does not receive a passing grade the employee should have a conversation with their supervisor about maintaining educational release status in future semesters.

When taking a class during the regular workday, the job responsibilities of the employee outweigh class obligations. If an employee is required to be at or attend to an aspect of their job, which conflicts with class time, the employee should comply with the needs of the department. If a major class obligation conflicts with a required or vital work obligation the employee should have a conversation with their supervisor. The employee should be cognizant that class work/projects should not be done during regular work hours.

Educational release is not guaranteed and the employee's supervisor and/or the director can choose not to grant educational release time for the employee.

*\* Regular work hours are what is defined in the employee's position description.*
