

Tuition Assistance Resources

Tuition Assistance for military service members is a benefit paid to those servicemen who are eligible in the Air Force, Navy, Marines, Army, and Coast Guard. Up to 100 percent of tuition expenses for semester hours costing \$250 or less may be paid to help educate men and women in the armed services. Eligibility criteria is different for each branch of service, including the process and restrictions place on TA. This funding is not a loan.

Military Branch Information:

Each military branch has its own forms and process for Tuition Assistance application. To find out further information, visit your local installation education/retention center, look online at a branch virtual education center or use the following links for each military service branch:
